

One Day Faculty Development Programme on *"Advanced Surveying"*

23 November 2019 (Saturday)

Organized by
Department of Civil Engineering

Eligibility:

- All the Faculty of Civil Engineering Department, SVEC are eligible to participate in the event.

Programme Schedule:

- Astronomical Surveying
- Construction and Boundary Surveys
- Theory of Errors and Land Surveys
- Total Station & GPS Surveying

Expected Outcomes:

- Faculty Development Programme (FDP) helps in equipping teachers with skills and knowledge that are essential for inculcating Civil Engineering fundamentals values and latest technologies in students and guiding and monitoring their progress towards better Civil Engineer.

About the Institute:

Sree Vidyanikethan Engineering College was established in the year 1996 by Dr. M. Mohan Babu. The college has grown in its size and stature over the years. The College now offers 5 Diploma, 8 B.Tech. Programs, 8 M.Tech. Programs, MCA Program and 3 Doctoral Programs with an intake of 2112. The College is located in a sprawling campus amidst sylvan surroundings with aesthetically built infrastructure at Sree Sainath Nagar area in the temple town Tirupati. The College is known for its quality initiatives which are reflected in accreditations by NBA, NAAC and many Multinational organizations such as TCS and IBM. The College is accorded Autonomous Status by the UGC, New Delhi from the Academic Year 2010-2011. The College has been accorded "UGC-Colleges with Potential for Excellence" status under CPE Scheme by UGC, New Delhi, accorded 'PLATINUM' category by CII-AICTE Survey and Conferred with 'A' Grade by Department of Higher Education, Andhra Pradesh. SIEMENS has established 6 State-of-the-art t-SDI laboratories.

Location

The college is located 15 km from the temple town of Tirupati on Tirupati-Madanapalle National Highway No.205.

About Civil Engineering Department:

The Department of Civil Engineering was established in the academic year 2009-2010 with an intake of 60 students. Further the intake of students has increased from 60 to 120 during the academic year 2011-12. The Department has experienced and dedicated teaching faculty. The Department is endowed with well established laboratories with sophisticated instruments and the Department is surging ahead with research, consultancy and testing services as the prime

development initiatives in domain of civil engineering. The Department has MoUs with various companies and many companies regularly visit the institute for campus recruitment.

Program Objective:

Civil Engineering is one of the oldest engineering disciplines which has advanced according to the changing trends with time. The advancements in computing techniques has made the modeling and analysis much easier and this has given a scope for the development of models at micro level. With the improvement in the utilize total station and other modern survey instruments are incorporated and as a result an entirely new construction practices are being adopted. In this scenario, it is necessary for faculty, academicians and practicing engineers to equip themselves with the latest trends and developments that have been taking place.

This program aims in bringing together the researchers and practicing engineers to share their ideas and experiences with the faculty in the field of construction technology. This program will be helpful for the faculty to understand the technicalities of this field and making them aware of the advancements therein.

Program Outline:

Leading experts from academics will present their theories, concepts and practical solutions for the problems encountered in varied fields of advanced surveying.

Program Schedule:

- Astronomical Surveying
- Construction and Boundary Surveys
- Theory of Errors and Land Surveys
- Total Station & GPS Surveying

Resource Persons:

- **Dr. P. Ramesh**
Associate Professor,
Department of Civil Engineering,
SVEC, Tirupati.
- **Dr. D. Sreenivasulu**
Associate Professor,
Department of Civil Engineering,
SVEC, Tirupati.

Eligibility:

- Faculty from AICTE recognized Engineering colleges

Important Dates:

- Last date for Registration: 15th November, 2019
- Intimation to Participants through e-mail:
21st November, 2019

General Information:

- Participants can email the Scanned registration form to the coordinator of the programme and submit the original while attending the programme.
- Accommodation is provided.

Faculty Development Program on "Advanced Surveying"

The Department of Civil Engineering of Sree Vidyanikethan Engineering College organized a Faculty Development Program on **"Advanced Surveying"** on **23rd November 2019** for the benefit of Civil Engineering faculty. The objective of the program is to share knowledge and experiences with the faculty in the field of civil engineering. This program is helpful for the faculty to understand concepts of Advanced Surveying and making them aware of the advancements therein.

Dr. P. Ramesh and **Dr. D. Sreenivasulu**, Associate Professor, Department of Civil Engineering, SVEC delivered a Faculty Development Program "Advanced Surveying" at Seminar Hall, Department of Civil Engineering, SVEC. He explained the ideas and knowledge on Advanced Surveying, Various practice and their importance etc., to all the faculty members. Further, he emphasized the joy and proud of civil engineering and its applications to society and industry.

A total of **20** faculty members from Civil Engineering from the host institution were participated in the Program. Dr. O. Eswara Reddy, HoD, Professor and BOS Chairman, Department of Civil Engineering, SVEC is convenor of event; Mrs. P. Lakshmi Teja, Assistant Professor, Department of Civil Engineering, SVEC is coordinator of event and all faculty members graced the occasion.

On the whole, the one-day national level FDP has proved successful. The purpose of the FDP is fulfilled and participants are beneficial. Participation certificates were distributed to all the participants.

The photographs of the session of the program are as follows.
