INTERNATIONAL YOGA DAY **21st June 2019**

The Women Empowerment Cell and NSS of Sree Vidyanikethan Educational Trust in association with Art of Living Foundation was organized 5th International Yoga Day on 21st June 2019. The theme of 5th International Yoga Day is “Climate Action.”

Mrs. C. S. Vijaya Lakshmi addressing on the occasion of International Yoga Day

Mrs. C. S. Vijaya Lakshmi retired employee of Andhra Bank and member in Art of Living Foundation organized yoga sessions for both men and women faculty separately. She said, yoga means uniting postures with breath. She also said that a few minutes yoga a day can be a great way to get rid of stress, particularly for working people. Yoga is a great remedy to remove their tensions and help to have a calm and peaceful mind.

Gent faculty members are performing Yoga

Mrs. C. S. Vijaya Lakshmi educated the faculty on the importance of yoga. She explained that yoga helps in maintaining not only mental health but also social life. She demonstrated various Asanas starting with warming up and stretching, followed by the series of Vrikshasana, Padmasana, Thrikonasana, Badrasana, Vajrasana, Ardavristasana, Sasankasanam, Vakrasana, Makarasana, Shalabhasana, Pavanmukthasana, Sevasana etc. While doing the asanas, she explained the importance of those asanas and how they complement good health.

Women faculty members are performing Yoga

Finally, she concluded that regular practice of yoga will surely help everyone achieve a better life, physically, mentally and spiritually as well.

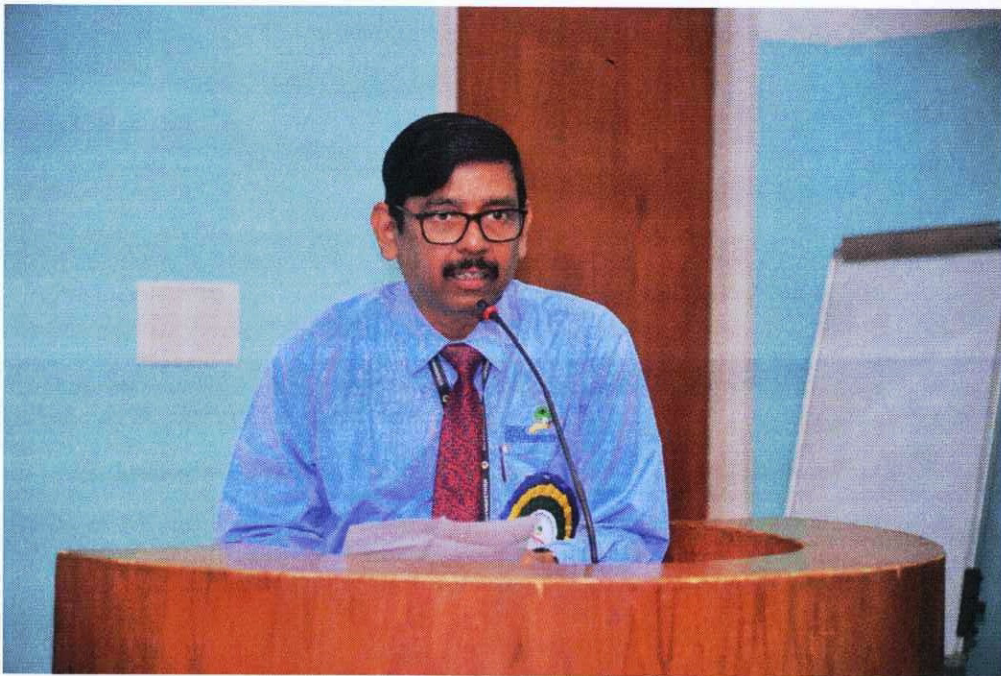

"Inhale the future, exhale the past"

National Technology Day
11th May 2019

At SVEC, National Technology Day is celebrated every year on 11th May. On 11th May 2019 the Principal of SVEC presided over the function and spoke on the significance of the day.

Dr. P. C. Krishnamachary, Principal, Sree Vidyanikethan Engineering College highlighted that it is the day India successfully tested nuclear bombs in Pokhran on May 11, 1998. India successfully test-fired its Shakti-1 nuclear missile in operation called Pokhran-II, also codenamed as Operation Shakti. The nuclear missile was tested at the Indian Army's Pokhran Test Range in Rajasthan. This was the second test which was conducted after Pokhran-I codenamed Operation Smiling Buddha, in May 1974. He further added that on the same day, India performed a successful test firing of the Trishul Missile (surface to air short range missile) and had test flown the first indigenous aircraft - 'Hansa - 3'.

World Intellectual Property Day

26th April 2019

Sree Vidyanikethan Engineering College organized World Intellectual Property Day on 26th April 2019. It explored how innovation, creativity and the intellectual property rights that encourage and protect them support the development and worldwide enjoyment of sports. The campaign conducted shown the positive role that intellectual property plays in encouraging sports, a wonderful range of pursuits in which human beings have always engaged and which enrich our lives in so many different ways.

Dr. I. Sudarsan Kumar, Director, Q&D mentioned that the theme of World Intellectual Property Day 2019 is "Reach for Gold: IP and Sports." More than 400 grassroots-organized celebrations were planned worldwide for World IP Day 2019, with other events expected in the coming days. He added that Intellectual property rights underlie and empower the financial model of all sporting events worldwide. IP rights are at the heart of the global sports ecosystem and all the commercial relationships that make sports happen and that allow us to tune in to sporting action whenever, wherever, and however we want. All the Heads of the Institutions, Deans, HoDs and members of faculty participated in the event and made it a grand success.

INTERNATIONAL WOMENS DAY	
Organising unit/agency/collaborating agency	NSS UNIT, Sree Vidyanikethan Engineering College. In collaboration with Women Grievance Cell ,IEEE-WIE & Jana Vignana Vedika, Chittoor Dt,A.P.
No of Students/volunteers Participated	600
No of Faculty Coordinators involved	10
Name of the Scheme	National Service Scheme
Date	08.03.2019
Venue	Dasari Auditorium, Sree Vidyanikethan Engineering College

NSS UNIT , Sree Vidyanikethan Engineering college and Women's Grievance cell in association with JVV Chittoor District, A.P, celebrated International Women's Day on 8th March 2019.

The programme began with Dr. V.R. Anitha, Convenor, Women Empowerment Cell highlighting the importance of the Women's Day and a few women who excelled in their careers.

The Chief Guest, Dr. Swarajya Lakshmi, Retired Principal, SPW Degree College, Tirupati said that she had visited the institution many a time and appreciated the development of the institution over the years to autonomous status. She even wished that the institution should grow further. She also exemplified the facts about the position of women in their personal and professional lives.

Chief Guest, Dr. Swarajya Lakshmi, Retired Principal, SPW Degree College, Tirupati, addressing the gathering

The Guest of Honour, Dr. R. Varalakshmi, Professor, Department of Home Science, Sri Padmavathi Mahila University, Tirupati spoke about the predicament of women's lives. She emphasized that women should be educated and aware of opportunities prevalent in the society. She even highlighted that women should be given equal opportunities in core and productive tasks besides just empowering them.

Guest of Honour, Dr. R. Varalakshmi, Professor, Department of Home Science, Sri Padmavathi Mahila University, Tirupati, addressing the gathering

Dr. P. C. Krishnamachary, Principal, SVEC, while speaking about the theme '*Think Equal, Build Smart, and Innovate for Change*' stated that women should think equally on par with men, build their career smart and try to innovate for change. He also stated that the innovative ways could progress gender equality and the empowerment of women, mostly in the areas of social protection systems, access to public services and sustainable infrastructure. He expressed that women should speak with one voice, be accountable for all the actions and work with solidarity and strength. He stated that women faculty and staff of Sree Vidyanikethan are so fortunate to be a part of it and felt pride that Sree Vidyanikethan Educational Institutions recruited women and designate key positions equally with men as a gesture of respect.

He also stated the importance of women quoting two words '*women*' and '*she*' as these words have men and he in them, in other words without women, there are no men. Deans and Heads of the Departments graced the occasion.

Several events like Debate for men faculty and staff, Presentation on Gender Diversity in Work Place, Instant Cooking (Organic), Paper Bag Puppets for women faculty and staff, and Mimicry for both women and men were conducted. The winners of the events were given prizes. The celebration ended with the National Anthem.

NATIONAL SCIENCE DAY

28th February 2019

February 28th was designated as National Science Day (NSD) by Government of India in 1987. Since then, this day is celebrated throughout the country with great enthusiasm. Sree Vidyanikethan Engineering College organized National Science Day on 28th February 2019 to commemorate the day on which Sir C. V. Raman discovered the Raman Effect.

Dr. P. C. Krishnamachary, Principal of SVEC was the Chief Guest of the occasion. While addressing he said that the students would understand the role and prominence of science in our day to day life. The college organized many science activities, among which National Science Day celebrations is one of them.

The culture of organizing the National Science Day activities is to:

- Promote active involvement of students and teachers in science related activity.
- Encourage students to ask questions and to get doubts cleared in different areas of science and promote their effective participation.
- Enable students to know about the latest developments in the fields of science and technology.
- Enhance interaction between scientists and students.
- Encourage scientific thinking and promote better understanding of concepts of pure science among students and teachers.

DEPARTMENT OF BASIC SCIENCES AND HUMANITIES

**The Nightingale of India, Smt. Sarojini Naidu's
*140th Birthday Celebrations***

The Nightingale of India, Smt. Sarojini Naidu's 140th Birthday Celebration was organized by the Department of Basic Sciences and Humanities on 13-02-2019 in Sree Vidyanikethan Engineering College.

Dr. P. C. Krishnamachari, Principal, Sree Vidyanikethan Engineering College, Prof. N. Gurunatha Naidu, Principal, Sree Vidyanikethan Degree College, Dr. M. Mattam Babu, Dean, Foreign Affairs, and Dr. M.S. Sujatha, Head-Department of EEE graced the occasion.

The Principal, Dr. P.C.Krishnamachari while addressing the audience, appreciated the greatness of Smt. Naidu and her successful career in spite of several struggles in her life.

Dr. P. C. Krishnamachari the Principal, SVEC addressing the audience

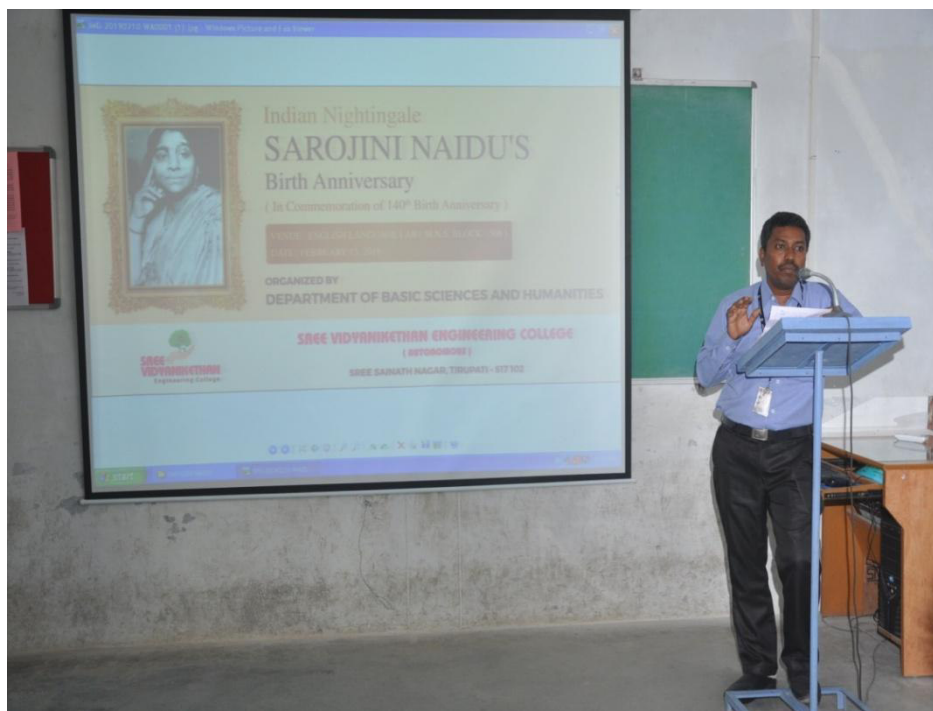

Dr. N. Gurunatha Naidu, Principal of SVDC, reiterated the multi dimensional skills of Smt. Naidu and highlighted a quote that suites Smt. Naidu's divergent skill set from the Mahabharata.

Ms. D. Dhyvarnalakshmi, Assistant professor of English, delivered a lecture on Smt. Naidu's biography, highlighted the milestones as a poetess, and her role as a freedom fighter. She also quoted a few inspirational quotations of Smt. Sarojini Naidu.

Ms. D. Dhyvarnalakshmi, Assistant professor of English, delivering a lecture

Mr. V. Ramachandra Babu, Assistant Professor of English, enthralled the audience with his profound insights on Smt. Naidu's literary career. He also recited some of her famous poems to the audience. The audience reminisced the unique features of Smt. Naidu's poetry.

Mr. V. Ramachandra Babu, Assistant Professor of English delivering a lecture

Mr. C. Purushotham, Assistant Professor of English, focused on Smt. Naidu's poetic art and, her skill in highlighting the Indian culture in her poetry. He also displayed relevant videos in which Smt. Naidu's poems were enacted.

Mr. C Purushotham, Assistant Professor of English, delivering a lecture

Finally, Dr. C. Raghavendra Reddy, Assistant Professor of English proposed vote of thanks and thanked the management for their support in organizing the event.

Dr. A.V.M. Prasad, the convenor and Head-Department of BS&H, Dr. S. Pushpalatha, the Organizing Secretary and Associate Professor of English, and the members of English faculty organized the programme successfully.

70th Republic Day Celebrations – 2019
(26th January, 2019)

Sree Vidyanikethan Educational Institutions celebrated 70th Republic Day on 26th January 2019. Prof. Lazar Mathew, Research Advisor, Sree Vidyanikethan Engineering College, presided over the function as a Chief Guest. Hundreds of students participated in the march past. The chief guest hoisted the national flag and saluted the flag. Afterwards, the Chief Guest spoke about the immense growth of India in all spheres such as science and technology, automobiles, education, health etc. In his speech he advised the students not to be selfish, and contribute something valuable to the mother India. Dr. D V S Bhagavanulu, Director, Sree Vidyanikethan Engineering College, read out a message from the beloved Hon'ble Chairman Dr. M Mohan Babu, Sree Vidyanikethan Educational Institutions.

Three students of Sree Vidyanikethan Educational Institutions gave thought provoking speeches in Telugu, Hindi, and English. The school choir sang a couple of patriotic songs on the occasion and proved their patriotism towards the mother India.

Along with the Chief Guest, all the Heads of institutions, Deans, HODs, Members of faculty, and many Students attended the celebrations. The march past by the students was awestruck and impressive.

National Girl Child Day

24th January 2019

Sree Vidyanikethan Engineering College celebrated National girl child day on 24th January 2019. The event was organized to highlight the inequalities and problems related to the girl child. Areas like legal rights, education, medical care, marriage, etc. have become major issues these days, especially in India. So, the main objective behind celebrating the National Girl Child Day is to provide support and opportunities to the girls of India.

Dr. Vanaja, Professor, SPMVV, Tirupati, addressed the gathering that inequalities relevant to girl child can be eliminated by promoting education, providing equal status, and offering position in society. In accordance to the event, various activities were conducted. A total of 400 Members of faculty and many girl students participated enthusiastically and made this celebration a grand success. In addition, a campaign was conducted to increase the consciousness among the people regarding girl children in Indian society.

National Youth Day

11th January 2019

National Youth Day was celebrated at Sree Vidyanikethan Engineering College on 11th January 2019 to commemorate the birthday of Swami Vivekananda. It was celebrated to incentivize young entrepreneurs to come up with innovative ideas and plans to make our country an economic superpower in the coming decade. National Youth Day has been given a push by the campaign Stand-up India and Start-up India started by Prime Minister Narendra Modi.

The main objective of the day and the reason for its observance is to create a platform for the youth and address their problems in various spectrums of life. Students came up with the teachings, philosophies and ideologies of Swami Vivekananda and propagated through their mesmerizing speeches. Dr. I. Sudarsan Kumar, Director, Q&D emphasized that Swami Vivekananda and the way he has lived his life inspires millions of you, not just in India but around the world. He also asked the students to follow the footsteps of Swami Vivekananda and continue to struggle hard till their goals are achieved. The event went highly successful.

Human Rights Day

10th December 2018

Sree Vidyanikethan Engineering College organized a function to celebrate Human Rights Day on 10th December, 2018. Dr. I. Sudarshan Kumar, Director (Q&D), SVEC addressing the gathering as the Chief Guest of the function, said that Human Rights Day is observed on 10th December every year to educate people about their rights regardless of race, colour, religion, sex, language, birth, status, etc.

He further said that Human Rights Day empowers and acknowledges the advocates and defenders of human rights around the world and all human beings are entitled to them and cannot be excluded from them. He added that the dilemma is that all human beings are entitled to human rights but do not experience them equally throughout the world.

He highlighted that theme of Human Rights Day 2018 is "Youth Standing Up for Human Rights" and its focus on the role of youth in collective movements which are the source of inspiration for a better future. He concluded with a message that Youth are the constructive agents of change and have to amplify their voices and engage audiences globally in the promotion and protection of rights. SVEC Directors, Heads of all departments and teaching staff attended the function.

51st ENGINEERS' DAY

Sree Vidyanikethan Engineering College (SVEC) celebrated 51st Engineers' Day in a befitting manner. A College Level Faculty Meet was arranged and contemplated on the National theme of 51st Engineers' Day, "**Digital Transformation: A New Industrial Revolution**" to commemorate 158th birthday of Bharat Ratna Sir Mokshagundam Visvesvaraya.

Dr. P. C. Krishnamachary, Principal, SVEC; Dr. I. Sudarshan Kumar, Chief Operating Officer, SVET; Shri. B. Ravi Sekhar, Director - Finance & Administration, SVET; Dr. C. Subash, Dean Academics; Dr. O. Eswara Reddy, Professor of Civil Engineering and BoS Chairman, Dept. of Civil Engg. paid tributes to the great statesman Bharat Ratna Sir Mokshagundam Visvesvaraya by garlanding his photograph, along with the other faculty members.

Dr. O. Eswara Reddy, Convener welcomed the dignitaries and faculty to the celebrations. Principal Dr. P. C. Krishnamachary in his address spoke that Engineers possess versatile minds and they must help in filling the gap between science, technology and the community. He recalled the discourses and writing of Sir Mokshagundam Visveswaraya on Engineering and Economics, "**The Planned Economy for India and Reconstructing India**", the first of its kind to describe India's efforts in economic planning.

Dr. O. Eswara Reddy, Professor of Civil Engineering gave a presentation on "**Padma Vibhushan, Dr. E. Sreedharan – The Metro Man of India**" focusing on the mile stones of his life history, significant achievements and contributions to the nation's building.

Prof. Mahadevan Ramachandran, Principal Advisor-Aassan EduCare Foundation motivated the faculty members to change their mindset and create a culture of innovation in the institution helping the students to bring out innovative products in the society.

Prof. S. Selvakumar, Director, Indian Institute of Information Technology, Una, Himachal Pradesh suggested the young engineers to do the best in all their endeavours. He elicited real time examples of ancient rulers and

their acumen in construction besides not possessing an engineering degree. Hence, design, plan and execution should be done with utmost care. He further illustrated that if an engineer makes a mistake, it results in mass destruction, hence, demonstration, precision and accuracy should be hall-mark of every engineer.

Dr. N.C. Shivaprakash, Chief Research Scientist from Indian Institute of Science, Bangalore, spoke about the qualities of a good engineer. He told that a good engineer should be a life-long learner; demonstrate high level of practical skills; possess self-esteem and above all contribute to the society.

Prof. Mahadevan Ramachandran, Prof. S. Selvakumar, and Dr. N.C. Shivaprakash were felicitated on the occasion of Engineers' Day for their contributions in Engineering.

The members of faculty of Sree Vidyanikethan Engineering College participated and celebrated the Engineer's Day in a grand manner and paid rich tributes to Bharat Ratna Sir Mokshagundam Visvesvaraya for his services to the nation.

TEACHER'S DAY

Sree Vidyanikethan Engineering College (SVEC) celebrated **Teacher's Day on 05th September, 2018**. The members of faculty of Sree Vidyanikethan Engineering College participated and celebrated the Teacher's Day in a befitting manner and paid rich tributes to **Sri Sarvepalli Radhakrishnan**, an accomplished scholar, a distinguished philosopher, a consummate statesman and an effective diplomat.

Dr. P. C. Krishnamachary, Principal, SVEC; Dr. Bhagavanulu, Director, SVEC; Dr. I. Sudarshan Kumar, Chief Operating Officer, SVET; Shri. B. Ravi Sekar, DF & A, SVET; Deans, and all the HoDs graced the occasion.

Speaking on the event, the officials and speakers stated on the importance of being a teacher, qualities of a good teacher, and how an ordinary teacher can become a great and inspiring teacher. They recollected the great services rendered by their teachers during their school and college days and expressed their gratitude for their wonderful services.

The young teachers were also motivated to hone their fundamental knowledge in the areas of their domain which helps them to command respect from the students. The innate passion to share one's experiential knowledge and wisdom to the students will make an ordinary teacher into a great teacher. Teacher's were also asked to develop patriotism and inculcate love for one's own country.

Principals/Director of sister Institutions; HODs; Officials and Engineers of SVET graced the occasion.

72rd Independence Day

15th August 2018

Sree Vidyanikethan Engineering College celebrated 72nd Independence Day on 15th August 2018. The Hon'ble Chairman Dr. M. Mohan Babu was the Chief Guest of the day.

The Chairman was pleased to unfurl the National flag and receive guard of honour by the students of four houses designated as *Anjana*, *Garuda*, *Sesha*, and *Simha*. Speaking on the occasion, the Chairman enlightened the students about the struggles of Indian freedom fighters during freedom movement and advised them to do their best to take the nation forward. The Chairman wished the students to become proud citizens of our motherland India.

The Directors, Principals, Deans, HoDs, Members of faculty, and the Students attended the celebration. The event came to an end with a vote of thanks and National Anthem.
