## *National Girl Child Day*

*24<sup>th</sup> January 2019*

Sree Vidyanikethan Engineering College celebrated National girl child day on 24<sup>th</sup> January 2019. The event was organized to highlight the inequalities and problems related to the girl child. Areas like legal rights, education, medical care, marriage, etc. have become major issues these days, especially in India. So, the main objective behind celebrating the National Girl Child Day is to provide support and opportunities to the girls of India.

Dr. Vanaja, Professor, SPMVV, Tirupati, addressed the gathering that inequalities relevant to girl child can be eliminated by promoting education, providing equal status, and offering position in society. In accordance to the event, various activities were conducted. A total of 400 Members of faculty and many girl students participated enthusiastically and made this celebration a grand success. In addition, a campaign was conducted to increase the consciousness among the people regarding girl children in Indian society.

## *Rangoli Celebration*

*11 January 2019*

On the occasion of Makara Sankranthi, Sree Vidyanikethan Educational Trust celebrated the **Rangoli-Makara Sankrathi** festival with fervour and gaiety in the college premises on 11<sup>th</sup> January, 2019.

The festive season began three days early. All the institutions of Sree Vidyanikethan Educational Trust organized Rangoli competition among the students. Around 600 students participated in the competition in groups. The students were given space and time to showcase their talent and skill in Rangoli using rice flour, colors, and flowers. The students colorfully portrayed the significance of Sankranthi, Gobbillu, Do Do Basavanna, Haridasu, Bathukamma etc. reminiscing the village atmosphere that ushered in a festive look. The boys dressed themselves in dhoties and the girls in colourful traditional dresses enriched the festive mood and traditional atmosphere.

The Hon'ble Chairman Dr. M. Mohan Babu, while speaking to media highlighted that festivals represent our culture and heritage. He stated that it is our responsibility to celebrate and preserve them. The Makara Sankranthi marks the transition of the Sun into the Zodiac sign of Makara Rasi on its celestial path. It also marks the beginning of the harvesting season in India. Farmers harvest Rabi crop and decorate cattle elegantly with flowers, and bells to honour them for their hard work in the fields. He said that the Rangoli competition was being organized for the first time on campus to create awareness among young students about the importance of Sankranthi. He said that celebrations of this kind help the students to be aware of their culture and affirmed that the festival would be celebrated every year. The Chairman participated in Gobbillu and bonfire and enthralled the students, and members of faculty.

A prominent artist Mr. Gurajala Ramesh graced the occasion and presented a painting to the Chairman. Finally, the winners of **Rangoli competition** were given prizes. 600 students participated in the program

## *National Youth Day*

*11<sup>th</sup> January 2019*

National Youth Day was celebrated at Sree Vidyanikethan Engineering College on 11<sup>th</sup> January 2019 to commemorate the birthday of Swami Vivekananda. It was celebrated to incentivize young entrepreneurs to come up with innovative ideas and plans to make our country an economic superpower in the coming decade. National Youth Day has been given a push by the campaign Stand-up India and Start-up India started by Prime Minister Narendra Modi.

The main objective of the day and the reason for its observance is to create a platform for the youth and address their problems in various spectrums of life. Students came up with the teachings, philosophies and ideologies of Swami Vivekananda and propagated through their mesmerizing speeches. Dr. I. Sudarsan Kumar, Director, Q&D emphasized that Swami Vivekananda and the way he has lived his life inspires millions of you, not just in India but around the world. He also asked the students to follow the footsteps of Swami Vivekananda and continue to struggle hard till their goals are achieved. The event went highly successful.

**Outreach Activity – An Awareness Program on “Rainwater Harvesting”  
at Pullaiahgaripalli, Near A.Rangampet**

**22<sup>nd</sup> December 2018**

*Faculty Advisor:* **Dr. O. ESWARA REDDY**

*Coordinator:* **Mr. D. V. PURUSHOTHAM**

The Department of Civil Engineering of Sree Vidyanikethan Engineering College has organized an **Outreach Activity – An Awareness Program on “Rainwater Harvesting”** at Pullaiahgaripalli, Near A.Rangampet, Chandragiri Mandal under **ASCE Sree Vidyanikethan Engineering College Student Chapter** on **22<sup>nd</sup> December 2018** ie., **2.00 P.M to 4.30 P.M.** The objective of the program is to motivate, create awareness and impart knowledge on Rainwater Harvesting to the Public or Community.

**Prof. G L Sivakumar Babu**, Professor, Geotechnical Engineering Division, Department of Civil Engineering, Indian Institute of Science, Bangalore; **Governor, Region 10 – ASCE** and President, Indian Geotechnical Society, New Delhi was the Chief Guest. Mr. S. Rama Krishna Naidu and Mr. K. Anand Naidu, Village Elders, Pullaiahgaripalli, Near A. Rangampet, Chandragiri Mandal; Dr. O. Eswara Reddy, Professor and BOS Chairman, Department of Civil Engineering, SVEC, and Faculty Advisor-ASCE SVEC Student Chapter and Convener of the Program; Dr. M. V. Subba Reddy, Assistant Professor and Head, Dept. of Civil Engg.; Mr. D. V. Purushotham, Assistant Professor and Coordinator-ASCE SVEC Student Chapter and Coordinator of the Program graced the occasion. Chief Guest and other dignitaries in their address reiterated the importance of rainwater harvesting in order to improve ground water resources and reduce the water scarcity in the village. Further, they explained the need of safeguarding water resources for the benefit of future generations.

40 No. of Residents of the Village, 22 No. of Faculty Members and 30 No. of Students including ASCE SVEC Student Chapter Office Bearers of Civil Engineering Department were actively participated in the program. Faculty and Students explained about the importance and uses of Rainwater Harvesting Systems and Methods to the village community through Poster Presentations, Power Point Presentations and Videos. At the end of the program, villagers understood the need of rainwater harvesting system for their village and came forward to cooperate in all respects and requested to develop a comprehensive rainwater harvesting system for their village to follow.

On the whole, the event has proved successful. Community service is to work for free to help/benefit the public/community. Community service can have a lot of positive effects on students, such as helping them to develop skills, making contacts, and allowing them to improve the quality of life of others. The students can develop an attitude of giving something to society. Also, it creates realization in the budding engineers to innovate and work for society.

## *National Cancer Awareness Day*

*07<sup>th</sup> November 2018*

Sree Vidyanikethan Engineering College celebrated National Cancer Awareness Day on 7<sup>th</sup> November 2018. The objective of this programme is to raise the awareness of cancer and encourage its prevention. It is an opportunity to rally the national community to end the injustice of preventable suffering from cancer. Dr. P. C. Krishnamachary, Principal, SVEC addressed that we can work together to reduce cancer risk factors, overcome barriers to early diagnosis, treatment and palliative care and work together to improve cancer control and achieve global targets to reduce premature mortality from cancer and NCDs.

Students from various branches gathered in auditorium and gave power point presentations. All their speeches were thought provoking and made the audience to realize the importance of the awareness on cancer treatment. All the heads of the institutions, Deans, HODs, members of faculty and students enthusiastically participated in various activities conducted and made the event a grand success. The programme was concluded by highlighting the preventive measures and precautions to be taken.
