<u>International Women's Day</u>	
Organising unit/agency/collaborating agency	NSS UNIT & WEC, Sree Vidyanikethan Engineering College, Tirupati.
No of Students Participated	350
No of Faculty Coordinators involved	10
Name of the Scheme	-
Date	08.03.2020
Venue	Dasari Auditorium, Sree Vidyanikethan Engineering College.

Sree Vidyanikethan Educational Institutions celebrated *International Women's Day* on 8th March 2020. Dr. V.R. Anitha, Convenor, Women Empowerment Cell, began the programme explaining the origin and aim of the International Women's Day, and theme of the International Women's Day-2020. She also gave a brief account on the events held in connection with the celebrations of International Women's Day.

The Hon'ble Chairman and Chief Guest, Dr. M. Mohan Babu while addressing the gathering asserted that behind every successful man, is a woman. We should love, encourage, respect, support and inspire every woman. He also expressed his disappointment about the issues of woman in the society. He expressed his reverence for women. The chairman advised everyone to educate girls and women of all ages to defend themselves. He concluded his speech blessing women; "May every woman live with peace, health and wealth."

The Guest of Honour Mrs. Sasi Bindu, Managing Director, Ravands, IWN Member Cell, Tirupati said that she was using the platform of the occasion to focus on positive shades of the society. She asserted that the gathering of women for the celebration itself shows that they are on their half-way of their empowerment. She highlighted that women had already won the equality and they have to understand how to sustain it in the society. She enlightened the women that rights have to be used as tools not as weapons against the opposite gender or the society. Being an empowered woman, she should have four responsibilities; *as an Individual, as a part of family, as a professional and as a citizen*. "A woman is naturally empowered if she balances all the four" she added. She also suggested that employers should recruit women and designate key positions equally with men as a gesture of gender equality.

Dr. P. C. Krishnamachary, Principal, SVEC, while emphasizing the theme of the Women's Day asserted that equality would bring people of every gender, age, race, religion and country together to drive actions that would create the gender-equal world. He wished that women should be well versed with the technology and innovation on par with men. He concluded his speech saying that women should speak with one voice, and work with solidarity and strength.

Prof. B. Mohan, Director, SVIM, stated that respect for women should start at home. He also highlighted that there has been a tremendous increase of women in Higher Education.

Later, Dr. B. Anuradha, Principal, SVCN, stated that women should be aware of various schemes and opportunities prevalent for them in the society in order to be empowered.

“Working women are more stressed than men as they have to balance work and family life. Men should support and empower them socially, physically and emotionally” she added.

Finally, Dr. Anna Balaji, Principal, SVCP highlighted the strength of women illustrating the power of Goddess Lakshmi, as Minister of Finance, Goddess Saraswathi as Minister of Education and Goddess Parvathi, as Minister of Defence. While sharing his personal and professional experiences, he said that he was motivated and encouraged by many women throughout his life.

Mr. Ravi Shekar, Director (F&A), Deans, Heads of the Institutions, Heads of the Departments and Members of faculty graced the occasion. The events Dumb Charades for men and women faculty, Instant Cooking for faculty and students, Guess Handbag Items for men faculty and staff, Best from Waste for women faculty, staff and students and Comic Show for students were conducted. In Best from Waste, the participants showcased their talent, creativity and innovation and made the event colourful. The winners of the events were given prizes.

Events

In connection with the celebrations of International women’s Day, Women Empowerment Cell of Sree Vidyanikethan Engineering College conducted events for members of faculty and students.

To begin with, Dumb Charades, Guess Handbag Items and Instant Cooking were conducted for men faculty and staff, on 4th& 5th March 2020 respectively. Men faculty participated in the events enthusiastically and interestingly on par with women faculty. Eventually, Dumb Charades, on 29th February 2020, Instant Cooking on 5th March 2020 and Best from Waste on 6th March 2020 were conducted for Women faculty and Staff. Students were also encouraged to participate in Instant Cooking, and Comic Show. In Best from Waste, the participants showcased their talent, creativity and innovation and made the event colourful. The winners of the events were given prizes.

“Human Values: Role of Family, Society and Educational Institutions”

on 10-02-2020(2.15 to 4.30 p.m)

The main objective of talk organized by the department was to create awareness on importance of Human values .

Dr. T. Nageswara Prasad, Professor and Head Department of EEE addressed the gathering. He stated that Values institute an important characteristic of self-concept and serve as supervisory principles for person. Human values are necessity in today’s society and business world. Human values are the features that guide people to take into account the human element when one interacts with other human. They build space for a drive, a movement towards one another, which leads to peace. In simple term, human values are described as universal and are shared by all human beings, whatever their religion, their nationality, their culture, and their personal history.

Dr. T. Nageswara Prasad addressing the gathering

Dr. T. Nageswara Prasad emphasized Education implants values in people's life. People will learn to respect each other and may not hurt the sentiments of others. He was able to drive home the point that value education is rooted in Indian philosophy and culture and ingrained in every tradition of Indian culture.

The lecture was concluded with recalling that the education system should embrace the dedicated institutions, home and society and that national integration and communal harmony are necessary also for the security and development of the nation.

Awareness Programme on
Women Security, Cybercrime and Road Safety by
Dr. Gajarao Bhupal, IPS, Superintendent of Police, Tirupati Urban

During the Awareness programme on women security, cybercrime and road safety Dr. Gajarao Bhupal, IPS, Superintendent of police, Tirupati urban highlighted the control of big crimes with proper carefulness. Because of not making use of technical knowledge even for small things, it paves a way to accidents. For not using even Facebook, WhatsApp, and Twitter and other Social medias properly, families are facing troubles. Students, women, young girls/Women are losing their lives. The lives of married people are being spoiled and their children become bad losing their precious time and studies. People should not respond to the requests of unacquainted/ strange people and to their messages at the time of making use of facebook, WhatsApp and twitter, etc. The Passwords pertaining to the transactions of financial matters should be kept in secrecy. Even sharing of one time password with others leads to the danger of financial loss.

The SP was felicitated grandly by the Hon'ble Chairman Dr. M. Mohan Babu and CEO Sri. Vishnu Manchu Moreover, Advisor and Director Dr. Venugopal Reddy, Director SVEC Dr.Bhagavanulu, Director(F&A) Sri. B. Ravishekar, Director(Q&D), Dr.I.Sudarsan Kumar, Principal SVEC Dr. P.C. Krishnamachary, DSP Sri. Ravi kumar, CI Sri. Ramachandra Reddy and so on happened to take a lively part in the awareness programme.

Lecture on "Ethics for Civil Engineering"

The Department of Civil Engineering of Sree Vidyanikethan Engineering College organized a Lecture on **"Ethics for Civil Engineering"** at Civil Engineering Seminar Hall, SVEC on **27th December 2019**.

Dr. D. V. S. Bhagavanulu, Director, SVEC delivered a lecture in Civil Engineering Seminar Hall on "Ethics for Civil Engineering" under **ASCE SVEC Student Chapter**. He explained the ideas and knowledge on ethics, engineering ethics, moral dilemmas, moral autonomy, code of ethics, limitations, case studies of the various civil engineering projects and their importance of ethics for civil engineers etc. to the students. Further, he emphasized the joy and proud of civil engineering and its applications to society and industry.

A total of **150 students** from **II B.Tech. Civil Engineering II Semester** from the host institution were participated in the Lecture. **Dr. O. Eswara Reddy, Faculty Advisor - ASCE SVEC Student Chapter**, Professor, HoD and Chairman - BOS, Department of Civil Engineering, SVEC; Mr. D. V. Purushotham, Assistant Professor and Coordinator-ASCE SVEC graced the occasion. Office bearers of ASCE SVEC Student Chapter were the organizers of this program.

Truth and Righteous Conduct in Education

on 09-10-2019(2.15 pm to 4.00 pm)

The main aim of the talk organized by the department of Electrical and Electronics Engineering was to create awareness on 'Truth and Righteous Conduct in Education'. Mr.A. Chandra, Assistant Professor, Department of Computer Science and Systems Engineering addressed the students of the host department.

Mr. Chandrastarted with a saying 'true education facilitates universal peace, and destroys scope of mean thoughts'. He put forth that teachers help young people to deal with fear and achieve inner peace. He expounded on the four pillars of education and their role in groups and teams to resolve conflicts.

The expert firmly believes that the truth, right conduct, love, peace, non-violence and attitude are the virtues which elevate an individual as well as the society. Finally he concluded that manifestation of truth and right conduct by an individual is referred to as the creative spark or intelligence within oneself.

Workshop on “Teacher Development Program”

Sree Vidyanikethan Engineering College organized a workshop on “Teacher Development Program” during 16-17, September, 2019.

Prof. Daniel McQuade, Director of Columbia Business School, New York City U.S.A conducted sessions on **Teaching for Product Innovation**. About twenty one senior faculty members of Sree Vidyanikethan Engineering College, and sister institutions of SVET attended the Program. The sessions started with an introduction to age of disruption, innovation and the customer. **Prof. Daniel McQuade** discussed about Start up culture in India, China and U.S.A, issues related to global impact and local focus and how startup skills and technology absorption will affect the Global Entrepreneurship Index.

The participants of the program gained knowledge on design thinking, idea conceptualization, Lean product development, and Product team management. The sessions are concluded with a statement “It’s not the strongest species that survive, nor the most intelligent, but the ones most responsive to change”.

SVEC | 16th September 2019

52nd Engineers' Day Celebrations

Sree Vidyanikethan Engineering College celebrated 52nd Engineers' Day on 16th September 2019 to commemorate 159th birthday of Bharat Ratna Sir Mokshagundam Visvesvaraya.

Dr.P.C.Krishnamachary, Principal, SVEC; Mr. B. Ravi Sekhar, Director, (F&A), SVET, Dr. I. Sudarsan Kumar, Director (Q&D),SVET, Dr. D.V.S Bhagavanulu Director, SVEC, Deans and HoDs graced the occasion and paid tributes to Sir Mokshagundam Visvesvaraya.

Dr. P. C. Krishnamachary, Principal, SVEC in his welcome address asserted, **"Whatever may be the branch of specialization, Engineers are the universal leaders!"** by quoting the attributes of all engineering specializations. "Engineers convert theoretical knowledge of basic sciences into actual products. They are the hope of the mankind with willing hands and open minds and can make the future of our country greater than the most fantastic story one can write" he affirmed. The Principal while highlighting the theme of Engineers' Day 2019 **"Engineering for Change"** said that engineers with their innovative and creative skills should face the challenges in ever-changing world. Engineering students require skilled life training, mastery over all disciplines such as Sciences, Mathematics and dramatic changes in technology which can be fulfilled only by engineering faculty. Speaking about employers' survey and feedback, the Principal emphasized that there is knowledge gap and advised teaching fraternity to fill the gap by making students adaptable to multidisciplinary approaches in solving the problems of the society. He concluded his speech with the quote of Gordon L. Clegg "A Scientist can discover a new star. But he cannot make one. He would have to ask an Engineer to do it for him."

Dr. D.V.S Bhagavanulu Director, SVEC while speaking on the occasion highlighted the importance of Civil Engineering and appreciated the great works of eminent Civil Engineers. He stated that 70% of engineering students were unemployed due to lack of adequate domain knowledge, skills, ethics, and moral education. He wished students of Sree Vidyanikethan inculcate social, ethical, and moral values besides domain knowledge.

Dr. O. Eswara Reddy, Professor of Civil Engineering gave a presentation on "Traits of a Successful Engineer." He elaborated the biography, achievements and contributions of Dr., Kanuru Lakshmana Rao, an Indian engineer and Padma Bhushan awardee.

SVEC | Date: 5th September 2019

Teachers' Day Celebrations

Sree Vidyanikethan Engineering College made its mark in celebrating Teachers' Day on 5th September 2019. The celebrations began with honourable chairman Dr. M. Mohan Babu garlanding the photo of Dr. Sarvepalli Radhakrishnan.

The hon'ble Chairman, Dr. M. Mohan Babu, offering floral tributes to the photo of Dr. Sarvepalli Radhakrishnan

All the Principals and Directors of Sree Vidyanikethan Educational Institutions offered floral tributes to Dr. Sarvepalli Radhakrishnan. The academic circle of Sree Vidyanikethan Educational Institutions delivered awe-inspiring talks on the occasion. The whole essence of the talks was to inspire, influence, and encourage the teachers to live up to Dr. Sarvepalli Radhakrishnan.

Dr. M. Mohan Babu, Chairman, Sree Vidyanikethan Educational Trust, giving a talk on the occasion.

Dr. M. Mohan Babu, Chairman, Sree Vidyanikethan Educational Trust, spoke on the occasion and advised all the teachers to be proud of their profession and said teaching profession is the cleanest profession on the earth. He reminded the teachers the role of mother, father, and the teacher in our personal and professional growth. The Chairman wished all the teachers to acquire more knowledge which in turn makes them great teachers.

Dr. P. C. Krishnamachary, Principal, SVEC, giving a talk on the occasion.

Dr. P. C. Krishnamachary, Principal, Sree Vidyanikethan Engineering College, applauded the unique status and service of a teacher in shaping students to excel in their choice of careers. The Principal advised the teachers to promote ethical and moral values among the students. He opined "*The magic of teaching is to transform caterpillars into butterflies.*" He said that, a teacher ought to be a lifelong learner and technically strong to deal with the students of Gen Z effectively. While concluding his talk, the Principal thanked the Honourable Chairman, Dr. M. Mohan Babu for establishing educational institutions which gradually became exceptional.

Dr. B. Mohan, Director, SVIM, giving a speech on the occasion.

Dr. B. Mohan, Director, Sree Vidyanikethan Institute of Management, while speaking on the occasion expressed his views by saying a teacher should not confine to classroom. He opined that the teacher has to be good at technology and emerge as multidimensional personality. He concluded his talk with an advice that the teaching profession is the noblest profession and we need to work for institutions' interest rather than self interest.

Dr. D. Gurunatha Naidu, Principal, SVDC, speaking on the occasion

Dr. D. Gurunatha Naidu, Principal, Sree Vidyanikethan Degree College, began his talk with the Sanskrit shloka 'Guru Sakshat Parabrahma' and explained the meaning of 'Guru' as one who dispels darkness among the students. He said that a teacher should be approachable, frank, humble, polite, positive, simple, soft-spoken, well-mannered, and friendly. Above all a teacher should be an inspirer, a motivator, and an influencer.

Dr. Anna Balaji, Principal, SVCP, delivering a talk.

Dr. Anna Balaji, Principal, Sree Vidyanikethan College of Pharmacy, spoke about several disciples such as Srirama, Lava & Kusa, Karna, Arjuna, Kacha, whose talent and skill brought their 'Gurus' immense fame.

Dr. D. V. S. Bhagavanulu, Director, SVEC, reading out a message from the Revered CEO Mr. Vishnu Manchu

Dr. D. V. S. Bhagavanulu, Director, Sree Vidyanikethan Engineering College, read out the Revered Chief Executive Officer, Sree Vidyanikethan Educational Trust, Mr. Vishnu Manchu's message. The message was to wish all the teachers 'Happy Teachers Day' and advised the teachers to emerge as role models and inspirational teachers to the students.

Dr. I. Sudarsan Kumar, Director (Q&D), Sree Vidyanikethan Educational Trust, presenting the profile of Dr. L. Venu Gopal Reddy, Former Vice Chancellor of Andhra University.

Dr. I. Sudarsan Kumar, Director (Q&D), Sree Vidyanikethan Educational Trust, presented the profile of Dr. L. Venu Gopal Reddy, Former Vice Chancellor of Andhra University, Visakhapatnam. Some of the notable achievements and positions of Dr. L. Venu Gopal Reddy are: He served as Vice Chancellor of two universalities – Andhra University and Nagarjuna University. Later, he served as Chairman AP State Council of Higher Education (APSCHE). He was a member of many national statutory bodies such as NBA, NAAC and AICTE. He is a passionate teacher, a researcher and guided many students for their doctoral degrees. He published papers in reputed journals, presented papers in national and international conferences. He authored books and contributed articles to the popular magazines.

Dr. L. Venu Gopal Reddy, Former Vice Chancellor of Andhra University, speaking to faculty.

Dr. L. Venu Gopal Reddy, Former Vice Chancellor of Andhra University, Visakhapatnam, opined that Dr. Sarvepalli Radhakrishnan was a great philosopher and can be regarded as a true role model to the teachers of today. He felt that the teachers need to create a strong impression in many ways that their students feel proud of their teachers.

The Dignitaries and Members of Faculty attended the Teachers' Day Celebrations.

The Members of Faculty attended the Teachers' Day Celebrations.

Thus, the Teachers' Day Celebrations created a joyous feeling and a sense of being sincere teacher among the members of faculty.

The Department of Basic Sciences and Humanities organized the Teachers' Day Celebrations. All the Members of Management, Directors, Principals, Deans, HoDs, and Members of Faculty attended the celebrations. Finally, vote of thanks was proposed, refreshments were served to all the members as they were leaving the auditorium.

Fundamental Rights and Duties

A Talk on “Fundamental Rights and Duties” by Dr. C. Madhusudhan Rao, Professor & HOD, was organized for III B.Tech CSSE on 06-08-2019.

C Madhusudhan Rao discussed on Introduction to the Fundamental Rights. He discussed on the importance of fundamental duties and their relevance in the 21st century. He spoke on how fundamental duties were initially not a part of the original constitution but introduced later through the 42nd amendment which made vision to the entire constitution during the period of emergency.

He spoke on how liberal constitutions earlier mandated the fundamental rights only. Further, elaborating on how in India, Fundamental Duties were brought into inclusion in the constitution and why they were retained after the 44th amendment post emergency. The lecture discussed on the origins and implementations of fundamental duties, and how the most liberal constitutions, including the 1st constitution namely America's, included only fundamental rights; thereby protecting the citizens by the state.

An Expert Talk on "Gender Equality and Ethics"

The Department of Computer Science and Systems Engineering organized an expert talk on "**Gender Equality and Ethics**", by Ms. O. Rajitha, Assistant Professor, Department of CSSE on July 23rd 2019.

Ms. O. Rajitha *delivering the Lecture*

Gender differences and inequality between men and women have compute a gendered society, it creates probable in that ethics of both men and women. Ms. O. Rajitha mainly focuses on basically, Ethics is on two ways, First, ethics refers to well-founded standards of right and wrong that prescribe in terms of rights and benefits to society, secondly, ethics refers to the study and development of one's ethical standards.

Ms. O. Rajitha enlightened the support for gender equality and that arises only in gender distinctions and these results indicate that differences in attitudes toward gender equality. Ethics underlying our lives on a daily basis, helping us make decisions that create positive impacts to make the world a better place through the choices we make.

Almost 50 students and faculty got benefited out of the inputs provided by the expert.

A ONE - DAY SOFT SKILL DEVELOPMENT PROGRAMME ON "TIME MANAGEMENT AND CORPORATE ETHICS"

Mr. P. Bhanu Prakash delivering the talk

During his session, Mr. Bhanu Prakash discussed "Time management and Corporate Ethics" delivered below points to the students of Mechanical Engineering on 12th July 2019.

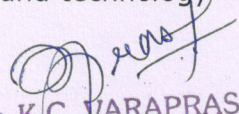

- Time Management is one skill that every individual should possess for attaining their objectives
- He started the session with a quote "Time and Tide wait for none". An individual should understand the value of time for him to succeed in all aspects of life. People who waste time are the ones who fail to create an identity of their own.
- Time Management plays a very important role not only in organizations but also in our personal lives.

- Time Management includes: Effective Planning, Setting goals and objectives, Setting deadlines, Delegation of responsibilities, Prioritizing activities as per their importance, Spending the right time on the right activity.
- For Effective Time Management one needs to be: Organized their schedules, Identify and avoid waste of time, and be focused.
- Finally he also shared various strategies that improves time management by suggesting few points to the students.
- Finally he suggest students to Don't procrastinate, Schedule yourself, Prepare Must , Stay away from distractions, Prioritize your tasks, Delegate some tasks, Good housekeeping, Keep yourself stress free, Have courage to say NO, and Review daily progress.
- He shared worthy point on corporate ethics like, always help others, Be Honest- don't lie, follow the rules and policies, respect Others, Be loyal and Hardworking and Do Right and follow right.
- Finally he concluded, if one individual can adhere to the above ethics many other corporate evils such as gossiping, cheating, hiding, manipulating and complaining will be discarded.
- He also motivated students to look in to start-up that shine nations as well as individuals.
- Start-up's is the best option to start a job career after college.
- In Start-up every employee is a thinker and do-er, where as in MNC's only top management think and rest employees have to act.

Mr. P. Bhanu Prakash addressing the students on Time Management and Corporate Ethics

- Start-up's encourage risk taking abilities.
- Start-up's only look for young unlike MNC look for experienced.
- Startup India is a flagship initiative of the Government of India, intended to build a strong ecosystem for nurturing innovation and Start-ups in the country.
- Indian startups aim is to promote entrepreneurship, construct entrepreneurial competences at scale and strengthen early phase support for startups by gathering together key stakeholders of the network including startup incubators / accelerators, angel investors, venture capitalists, startup support groups, mentors and technology corporations.

Dr. K.C. VARAPRASAD
Professor & Head

- Incubation centers have emerged as a vital source of investment and support for new businesses and foster youthful firms, helping them to survive in their early phase. Incubators offer infrastructural support, stage to do networking, administrative assistance and other supportive activities to start new business.
- Strategies and change occurs from every employee/customer in Start-up's, where as in MNC it happens in board rooms only.

Students of Mechanical Engineering listening to the lecture
