Programs on Various Issues to Promote Code of Conduct among Faculty, Students and Non-Teaching Staff

SUMMARY

S. No.	Name of the Event/Program	Organizing Unit	Date of the Event/Program	Number of Participants
1	Expert Lecture on "Corporate Ethics for Computer Science Engineers"	Department of CSE, Sree Vidyanikethan Engineering College, Tirupati.	26-08-2021	64
2	Online Webinar & 3 Day Workshop on "Yoga and Life Management Skills"	NSS Unit, IEEE-WIE Affinity Group, and Women Empowerment Cell, SVEC.	21-06-2021 to 23-06-2021	100
3	3 Day Online Guided Free Workshop on "Pranayama, Meditation & Asana"	NSS Unit, IEEE-WIE Affinity Group, and Women Empowerment Cell, SVEC.	28-05-2021 to 31-05-2021	101
4	Lecture on "Effect of Work Life Balance on Accounting Ethics"	Department of MCA, Sree Vidyanikethan Engineering College, Tirupati.	17-04-2021	65
5	Lecture on "Values and Ethics for Quality in Higher Education "	Department of ECE, Sree Vidyanikethan Engineering College, Tirupati.	09-04-2021	46
6	One Day Program on "Role of Ethics in Success of Students"	Department of CSSE, Sree Vidyanikethan Engineering College, Tirupati.	06-04-2021	114
7	Webinar on "Path to International Success through Quality and Affordable Higher Education"	IEEE-WIE Affinity Group, and Women Empowerment Cell, SVEC.	26-03-2021	76
8	Lecture on "Work Ethics for Development Professionals"	Department of ME, Sree Vidyanikethan Engineering College, Tirupati.	20-03-2021	33
9	Expert Lecture on "Workplace Ethics and Value Systems"	Department of EIE, Sree Vidyanikethan Engineering College, Tirupati.	12-03-2021	44

S. No.	Name of the Event/Program	Organizing Unit	Date of the Event/Program	Number of Participants
10	Expert Talk on "Ethics in Professional Practice"	Department of Civil Engineering, Sree Vidyanikethan Engineering College, Tirupati.	09-03-2021	34
11	An Expert Lecture on "Women Empowerment: Women is Future"	Department of Civil Engineering, Sree Vidyanikethan Engineering College, Tirupati.	08-03-2021	60
12	Guest Lecture on "Corporate Ethics"	Department of IT, Sree Vidyanikethan Engineering College, Tirupati.	06-03-2021	129
13	Talk on "Safety and Freedom of Women in India"	Department of ME, Sree Vidyanikethan Engineering College, Tirupati.	05-03-2021	21
14	Lecture on "Construction & Engineering Laws and Regulations in India"	Department of Civil Engineering, Sree Vidyanikethan Engineering College, Tirupati.	20-02-2021	45
15	Debate on "Gender Non-Discrimination"	Department of EEE, Sree Vidyanikethan Engineering College, Tirupati.	23-01-2021	63
16	An Expert talk on "Ethics and Self Awareness"	Department of EEE, Sree Vidyanikethan Engineering College, Tirupati.	20-01-2021	120
17	Expert Talk on "Ethics In Education"	Department of Civil Engineering, Sree Vidyanikethan Engineering College, Tirupati.	18-01-2021	38
18	An Expert Lecture On "NSPE Code of Ethics for Engineers"	Department of ECE, Sree Vidyanikethan Engineering College, Tirupati.	04-01-2021	213
19	Inaugural Function of "SVEC Indo Universal Collaboration for Engineering Education (IUCEE) Engineers Without Borders EWB-India Student Chapter"	IUCEE and Sree Vidyanikethan Engineering College, Tirupati.	07-12-2020	128
20	International Webinar on "Gender Sensitization and Women Empowerment"	IEEE-WIE Affinity Group, and Women Empowerment Cell, SVEC.	12-11-2020	96
21	Online Lecture on "Sir M Visvesvaraya - A Legendary"	ASCE Sree Vidyanikethan Engineering College Student Chapter	15-09-2020	95

S. No.	Name of the Event/Program	Organizing Unit	Date of the Event/Program	Number of Participants
22	Expert Lecture on "Role of Women in Civil Engineering"	Department of Civil Engineering, Sree Vidyanikethan Engineering College, Tirupati.	01-08-2020	90
23	Expert Lecture on "Entrepreneurship and Funding Opportunities for Women"	Department of Civil Engineering, Sree Vidyanikethan Engineering College, Tirupati.	30-07-2020	47
24	A National Webinar on "Stress Management and Work Life Balance"	IEEE WIE Affinity Group in association with ISTE Student Chapter & IEEE Student Branch, Department of Electrical and Electronics Engineering, Sree Vidyanikethan Engineering College, Tirupati.	21-07-2020	257
25	A Guest Lecture on "Women Empowerment: Best Practices for the Sustainable Energy Sector"	Department of Civil Engineering, Sree Vidyanikethan Engineering College, Tirupati.	09-03-2020	132
26	Guest Lecture on "Time Management"	Department of Information Technology, Sree Vidyanikethan Engineering College, Tirupati.	28-02-2020	116
27	A One Day Expert Talk on "Think Equal, Build Smart, and Innovate for Change"	Department of CSE, Sree Vidyanikethan Engineering College, Tirupati.	20-02-2020	248
28	Lecture on "Ethics for Civil Engineering"	ASCE Sree Vidyanikethan Engineering College Student Chapter	27-12-2019	150
29	A Five Day Workshop on Effective Teaching (IIEECP Phase-I)"	Department of CSE, Sree Vidyanikethan Engineering College, Tirupati.	09-12-2019 to 13-12-2019	40
30	A Distinguished Lecture on "Innovation in Academic Institutions – A Need for Multi Disciplinary Research Approach"	Sree Vidyanikethan Engineering College, Tirupati.	15-11-2019	250
31	AICTE (Under Margadarshan Scheme for Share and Mentor Institutions) One Week FDP on "Effective Teaching and Outcome Based Education"	Sree Vidyanikethan Engineering College, Tirupati.	11-11-2019 to 16-11-2019	40
32	A Guest Lecture on "Human Values and Professional Ethics"	Department of MCA, Sree Vidyanikethan Engineering College, Tirupati.	05-10-2019	127

S. No.	Name of the Event/Program	Organizing Unit	Date of the Event/Program	Number of Participants
33	Debate on "Professional Code of Practice in Different Countries – Need and Relevance"	ASCE Sree Vidyanikethan Engineering College Student Chapter	23-09-2019	28
34	An Awareness Programme on "Gender Equality is a Human Fight not a Female Fight"	Department of Mechanical Engineering, Sree Vidyanikethan Engineering College, Tirupati.	18-09-2019	30
35	A Workshop on "Teacher Development Program"	Sree Vidyanikethan Engineering College, Tirupati.	16-09-2019 to 17-09-2019	21
36	Inauguration of "IEEE Women In Engineering (WIE) Affinity Group"	Sree Vidyanikethan Engineering College IEEE Student Branch in association with Women Empowerment Cell, SVEC	13-09-2019	200
37	A Guest lecture on "Ethical Hacking" under IEEE Student Branch	Sree Vidyanikethan Engineering College IEEE Student Branch	09-09-2019	70
38	A Three Day Workshop on "Business Week with JCI Tirupati"	ED Cell, Sree Vidyanikethan Engineering College, Tirupati and JCI, Tirupati.	04-09-2019 to 06-09-2019	75
39	Gender Equality Essential for Social Transformation	Department of CSE, Sree Vidyanikethan Engineering College, Tirupati.	08-08-2019	92
40	A Report on "Pavithra Project-Hygiene for Adolescent Girls & Women"	Women Empowerment Cell, Sree Vidyanikethan Engineering College, Tirupati.	31-07-2019	100
41	Aalochana – Readers' Club	Department of CSE, Sree Vidyanikethan Engineering College, Tirupati.	27-07-2019	430
42	An Expert Talk on "Gender Equality and Ethics"	Department of CSSE, Sree Vidyanikethan Engineering College, Tirupati.	23-07-2019	50
43	A Seminar on "Goal Setting and Career Guidance"	Placement and Training, Sree Vidyanikethan Engineering College, Tirupati and Career Launcher, Tirupati,	20-07-2019	1200
44	A Semi-technical Lecture on "Communication - A Powerful Tool for Success"	Sree Vidyanikethan Engineering College, Tirupati.	17-07-2019	400

S. No.	Name of the Event/Program	Organizing Unit	Date of the Event/Program	Number of Participants
45	A One Day Soft Skill Development Programme on "Time Management And Corporate Ethics"	Department of Mechanical Engineering, Sree Vidyanikethan Engineering College, Tirupati.	12-07-2019	108
46	An Awareness and Interactive Session "Start-ups and Leadership"	ED Cell, Sree Vidyanikethan Engineering College, Tirupati	06-07-2019	184
47	An Awareness Program on "Vipassana Meditation"	Sree Vidyanikethan Engineering College, Tirupati	16-04-2019	345
48	Guest Lecture on "Design Thinking & Organizational Behaviour"	Department of Information Technology, Sree Vidyanikethan Engineering College, Tirupati	08-04-2019	200
49	"The Comprehensive Sexuality Education" by RUBAROO, an NGO	Sree Vidyanikethan Engineering College, Tirupati and Rubaroo, an NGO	03-04-2019 to 10-04-2019	1210
50	Guest Lecture on "Corporate Ethics"	Department of Information Technology, Sree Vidyanikethan Engineering College, Tirupati	16-03-2019	200
51	A Guest Lecture on "Promotion of Gender Equity in Our Society"	Department of Civil Engineering, Sree Vidyanikethan Engineering College, Tirupati	08-03-2019	135
52	A Guest Lecture on 'Balance for Better' by Ms. P. Devi, Social Activist, UNICEF.	Women Protection Cell, Sree Vidyanikethan Engineering College, Tirupati in association with NSS Unit, SVEC and Jana Vignana Vedika	07-03-2019	440

EXPERT LECTURE ON

CORPORATE ETHICS FOR COMPUTER SCIENCE ENGINEERS

Computer ethics are a set of moral standards that govern the use of computers. It is society's views about the use of computers, both hardware and software. Privacy concerns, intellectual property rights and effects on the society are some of the common issues of computer ethics.

IEEE / Computer Science has annotated "Software engineers shall commit themselves to making the analysis, specification, design, development, testing and maintenance of software a beneficial and respected profession. In accordance with their commitment to the health, safety and welfare of the public, software engineers shall adhere to Eight Principles".

One Day Expert Lecture on "**Corporate Ethics for Computer Science Engineers**" was Organized by department of CSE on August 26th, 2021. A total of 64 II B. Tech CSE, IT & CSSE Students attended for the program. The Resource Person of the Expert Lecture is Dr. B. Narendra Kumar Rao, Professor and Head, CSE, SVEC

Dr. B. Narendra Kumar Rao discussed on principles of ethics in general and ethics for computer science engineers on corporate strategies. The session is very much useful for those students who are placed in the Software / IT Industry after the completion of graduation.

The session was very much interactive. Students gained immense knowledge on various aspects of Corporate Ethics.

Dr. B. Narendra Kumar Rao, delivering the lecture.

**Online Webinar & 3 day workshop on
"YOGA and LIFE MANAGEMENT SKILLS"**

**NSS, IEEE-WIE Affinity Group and Women Empowerment Cell
(21-06-2021 to 23-06-2021)**

REPORT
DAY 1

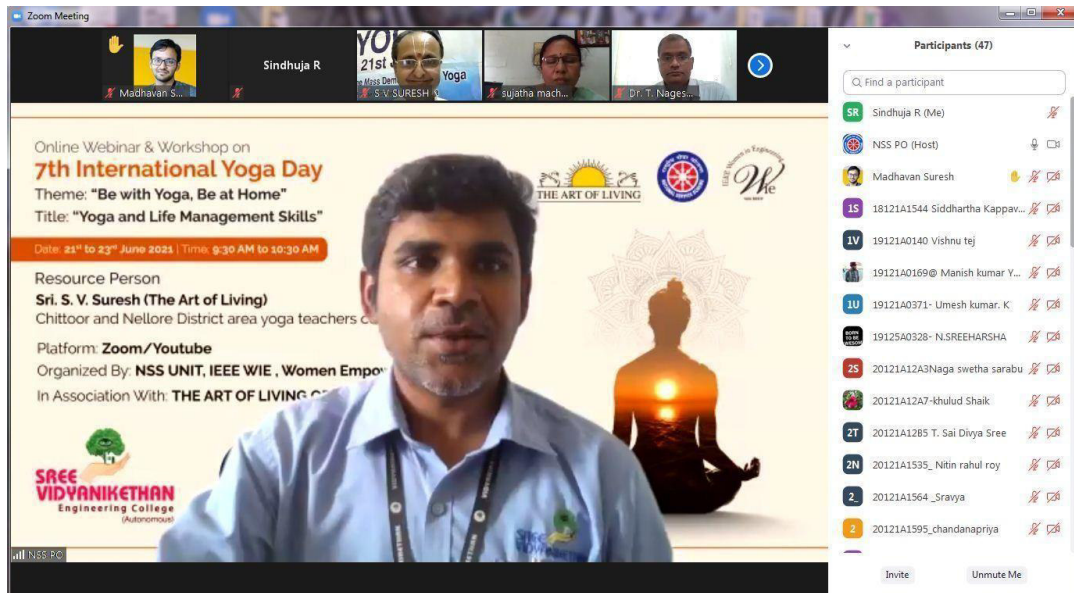

Tough times like COVID-19 put us through a lot of challenges but they bring out the real strength in us. It took one terrible pandemic to realize the importance of YOGA in our daily life. Here's on account of **7th International YOGA day**, NSS unit, IEEE WIE, Women empowerment cell of Sree Vidyanikethan engineering college in association with THE ART OF LIVING ORGANISATION planned to organize a Online Webinar & 3 day workshop on **"YOGA and LIFE MANAGEMENT SKILLS"** for the benefit of undergraduates students, postgraduates students and faculties of various department and various institutions.

The speaker of the session was **Sri. S.V. Suresh**, Art of Living, Chittoor and Nellore District area Yoga Teachers Coordinator who have trained the students and faculties of the workshop on 21-06-2021 virtually through Zoom platform between 9.30 am to 10.30 am.

Dr.M.S.Sujatha, IEEE-WIE Faculty Advisor invited all for the Day 1 session. The session started with the welcome note by Dr.M.S.Sujatha and Mr.G.Kuladeep, Coordinator of the workshop.

Dr. M.S. Sujatha, IEEE-WIE Faculty Advisor Delivering Welcome note

Mr. G. Kuladeep, NSS PO SVEC welcome note

Dr. T. Nageswara Prasad, Vice-Principal, Professor & Chairman BOS of EEE, Sree Vidyanikethan Engineering College shared his views on YOGA, highlighting the importance of yoga in everyone's life. He also added that, while living a modern life, your brain is constantly engaged in endless thoughts and never rests in tranquility. As a result, you lack focus, skill and vitality. The yoga calms the brain and enhances its vital functioning. He added his personal experience after yoga in his life.

Dr. T. Nageswara Prasad, Vice-Principal Opinion on International Yoga Day

Art of living has recognized that the fear and anxiety of the pandemic, the stress from the lockdown and isolation; and the uncertainty about the economy, jobs and future were affecting people's mental health and well-being. The session started with a prayer to almighty by **Sri. S.V. Suresh.**

Speaker addressing young enthusiastic participants

The session started with a short prayer to almighty by **Sri. S.V. Suresh** followed by "how yoga helps in increasing life skills?" Can I practice yoga during the COVID-19" The answer is yes.

Regular practice of yoga has shown effective results. Different asanas boost immunity, build the body's strength, increase energy levels, bring down anxiety and stress, infuses positivity and freshness in the mind. Lack of sleep, poor nutrition, and life stress all lead to a weakened immune system and vulnerability to sickness. Stress, more than anything, leads to a breakdown in the body's ability to defend itself against bacteria and viruses.

The speaker also added that Aasanas are part of yoga and Yoga is not just doing aasanas but the integration of all body parts through breath control. Sri. S. V. Suresh garu also explained how to handle emotions in life using Life Management Skills. In order to have a positive attitude, stress free mind, violent free society and healthy mind Yoga Pranayama and Aasanas is of prime importance.

He also agreed with the point made by vice-principal and added that during interview and examination we need to focus more with proper concentration and communication and good memory to retain all we read and ability to recollect and put in paper, millions of thoughts will be there but we need to focus to face the situation without stress. For which we need energy which can be gained by aasanas through rhythmic breathing he added.

Sri S. V. Suresh, added fact that Yoga lowers stress hormones and strengthens the nervous system while also stimulating the lymphatic system, which removes toxins from the body. Yoga calms the mind and can contribute to deeper, regulated sleep, which is

crucial for wellness; sleep is one of the most important factors in healing and maintaining a healthy immune system.

Later the speaker started demonstrating various asanas.

Around 100 participants have attended the workshop and got benefited on this 7th International YOGA day.

DAY 2

The workshop on 22-06-2021 started virtually through Zoom platform between 9.30 am to 10.30 am.

Mr. G. Kuladeep, NSS PO, Welcomed the participants for Day 2

Sri. S.V. Suresh said that the most difficult thing to do is to express our feelings correctly and to understand others' feelings correctly. Lacking this skill is the biggest issue faced by society today, and this has to be developed. It is never perfect, some ups and downs do happen in this matter. Like, what we feel, we cannot express fully, and cannot understand correctly what others feel.

This keeps happening in life but when we become more calm and happy, we are able to understand others' minds more and more. That's why it is very necessary to do meditation, pranayama, etc. That gives more inner clarity, and then we feel that others can understand us better, and also we can express our views better.

He also stated that powers and skills are within you but in sleeping mode so we need Suprabatham to wake it up and various Pranayamas to observe rhythm of breath.

The Speaker also explained about various types of Pranayama

1. Bhramari pranayama (bee breath)

2. Kapal Bhati Pranayama

3. Bhastrika Pranayama

4. Nadi Shodhan Pranayama

Benefits of Pranayama

- The regular practice of breathing exercises can completely change the quality of life that one is leading.
- Increases and enhances the quantity and quality of prana, thereby increasing our energy levels
- Clears blocked nadis and chakras, thereby expanding your aura and heightening the spirit
- Makes one energetic, enthusiastic, calmer and positive. Such a state of mind helps us in making better decisions, having mental strength when dealing with adversities and feeling happier
- Brings harmony between the body, mind, and spirit, making one physically, mentally and, spiritually strong
- It brings clarity to the mind and good health to the body

Sri. S. V. Suresh explained various asanas which helps our mind to come out of clusters of thought. He also added that just as the knowledge of Yoga is vast and deep, so are its benefits. The practice of yoga benefits the body, mind and spirit.

Benefits for the body

- Improves flexibility of muscles and joints
- Strengthens muscles and bones
- Improves posture and body alignment
- Improves digestion, circulation, and immunity
- Enhances function of neurological and endocrine organs
- Prevents and provides relief from chronic illnesses, such as chronic pain syndromes, anxiety and panic disorders, depression, sleep disorders, chronic

fatigue syndrome, and high blood pressure

- Overall the body feels healthier, more energetic. It is less prone to diseases and effects of day-to-day stress.

Benefits for the mind

- If the mind is well, everything else feels well. With regular practice of yoga, the mind gets the following benefits:
- Increased peace, alertness and clarity of mind
- Increased ability to deal effectively with short and long-term stresses
- Increased concentration of mind
- Improved self-esteem
- Decreased reliance on drugs
- Greater energy and enthusiasm for life

Later the speaker started demonstrating various asanas.

1. Marjari asana

2. Balasana

3. Patangasana

4. Vakrasana

5.Parvatasana

6. Viparita Shalabhasana (superman pose)

7.Pawanmuktasana

After demonstration the forum was open for queries. Sri S.V.Suresh, the speaker of the webinar guided the participants and shown his gratitude by enlightening the participants queries.

Around 50 participants have attended the workshop and got benefited on day 2 of 3 day workshop on "YOGA and LIFE MANAGEMENT SKILLS".

DAY 3

The workshop on 23-06-2021 started virtually through Zoom platform between 9.30 am to 10.30 am.

Mr. G. Kuladeep, NSS PO, Welcomed the participants for Day 3

The speaker of session Sri.S.V Suresh's objective of day 3 was "How to overcome EXAM STRESS". It's Exam Time of the year again during this pandemic. Everyone gets stressed during this time with the pressure to do well. So is there a way to combat the anxiety? To increase your concentration? To increase interest in studies? To deal with the weight of expectations of your parents, teachers and yourself? Luckily, yes he stated. He gave some tips which helps participants to calm their nerves, increase concentration and will help to achieve their goal.

Sri. S.V. Suresh said that the most difficult thing to do is to express our feelings correctly and to understand other's feelings correctly. Lacking this skill is the biggest issue faced by society today, and this has to be developed. It is never perfect, some ups and downs do happen in this matter. Like, what we feel, we cannot express fully, and cannot understand correctly what others feel.

Sri.S.V.Suresh mentoring Students about How to face exams

The speaker addressed on the fact that *skills need to wake up within us* which we already acquired we need to wake it up and polish it by Yoga, Aasana and Meditation. He also stated that powers and skills are within you but in sleeping mode. It's very important to observe rhythm of breath for a happy life.

Sri S.V.Suresh added that the Art of Living says "Encourage children to be more energetic through proper food, physical exercise. Reduce the load on their heads. Parents and peers should not exert pressure on children. When children do yoga, meditation, play creative and co-operative games, not competitive games, their energy levels go up. This results in them paying more attention to their studies."

The Speaker also elucidated about various preparedness for the exams in order to succeed in life.

Pre-Examination Preparedness:

- Sleep well. Without physical and mental rest, memory and concentration are not strong. A tired mind will not focus or retain information well.
- Try and wake up at sunrise, and followed by simple breathing exercises like Nadishodhan Pranayama and Ujjai breathing. This way, stress is eliminated from your body and mind and energy levels rise.
- Use Meditation as a study tool. Practice any simple meditation for a few minutes just before you start your studies. It helps you relax, learn fast, and retain longer, without getting distracted.
- Once you are ready to start, sit down and start studying. No excuses, no postponement.
- Plan your time: Draw a revision timetable schedule and include some time for periodic relaxation breaks. This helps internalize what you have studied and also increases concentration.

- Eat right: fresh, light, homemade vegetarian food will help to increase your ability to concentrate and increase energy levels.

During exams:

- Before you enter the exam hall, relax. Don't stress yourself more by overloading your brain. You don't have to study any more at that time.
- If you feel tense during an exam, take deep long breaths. Observe your breath going in and out and feel your calmness and balance return.
- Don't under-estimate the power of prayer. Prayer also helps your mind to focus, concentrate and defuse anxiety.

"Keep your goals clear in your mind and don't let others push your buttons. It is your life and your results"

Later the forum was open for queries and feedback from the participants. Sri S.V.Suresh, the speaker of the webinar guided the participants and shown his gratitude by enlightening the participants queries.

Participants sharing their feedback

Mr. G.Kuladeep, NSS Program Officer on behalf of management and entire team thanked speaker for accepting the invitation and he also shared his heartfelt gratitude to the speaker for guiding all the participants and also for spending his time, support with patience all three days.

Mr. G. Kuladeep, NSS PO Extending his heartfelt gratitude

Around 100 participants have attended this workshop and got effectively benefited from this Online Webinar & 3 day workshop on "YOGA and LIFE MANAGEMENT SKILLS".

**"3-DAY ONLINE GUIDED FREE WORKSHOP
On PRANAYAMA, MEDITATION & ASANA"**

**NSS, IEEE-WIE Affinity Group and Women Empowerment Cell
(28-05-2021 to 30-05-2021)**

REPORT

A 3-Day Online Guided free workshop on "**PRANAYAMA, MEDITATION & ASANA**" was organized under NSS, IEEE-WIE Affinity Group and Women Empowerment Cell by Department of Electrical and Electronics Engineering, Sree Vidyanikethan Engineering College, Tirupati in association with **Art of Living Organization** for the benefit of undergraduates students, postgraduates students and faculties of various department and various institutions.

The 200 participants who have enrolled for this workshop were divided into 5 batches and each batch was headed by well trained faculties from Art of Living organization. The speaker of the session was Dr. Harish Saranam, Dr. Sairam Kumar, Ms. Soumya Kotha, Dr. Sai Krishna Kumar and Ms. Kranthi Yerramsetty who have trained the students and faculties of the workshop on 28-05-2021 virtually through Zoom platform between 5.30 pm to 06.00 pm.

The session started with the welcome note by Dr.M.S.Sujatha and Mr.G.Kuladeep, Co-Ordinator of the workshop.

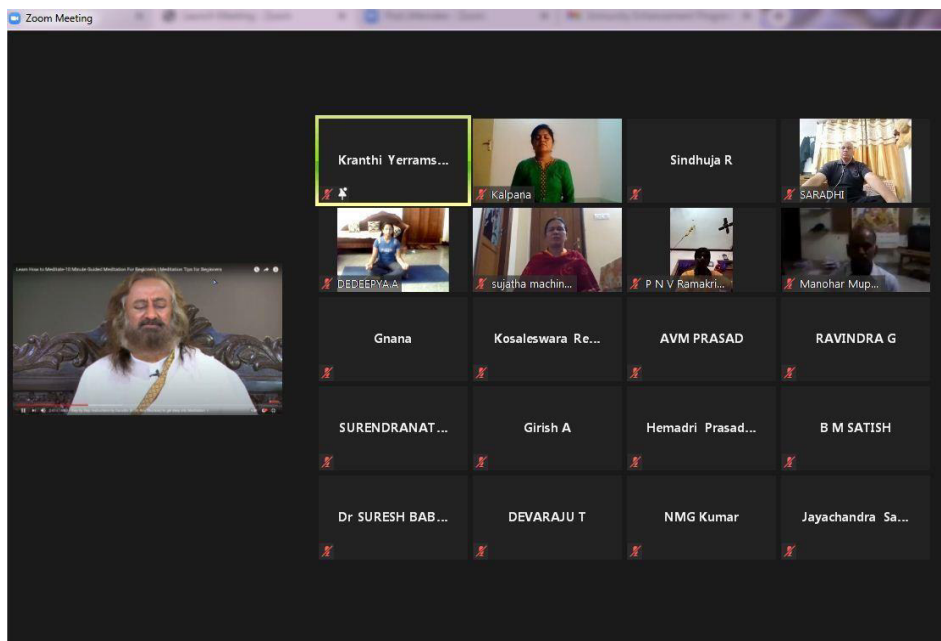

Dr.M.S.Sujatha, Convener welcoming the audience

Mr. G.Kuladeep, welcoming the art of living faculty

Art of living has recognized that the fear and anxiety of the pandemic, the stress from the lockdown and isolation; and the uncertainty about the economy, jobs and future were affecting people's mental health and well-being. So they have immediately launched this Immunity Enhancement Program. The main thought of this program is to speak to different segments of society suggesting everyday solutions for lockdown; providing tips for health and immunity; guidance on leadership and working from home; strengthening relationships and taking care of children and teens.

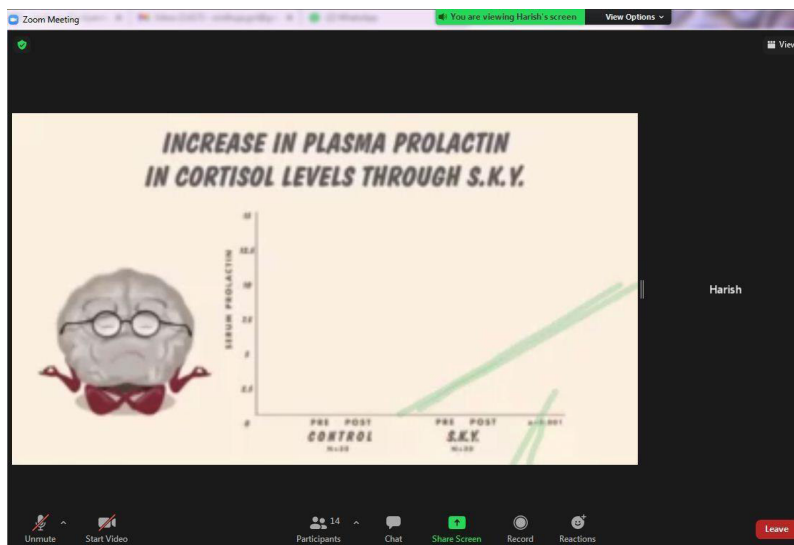

Dr. Harish Saranam stressed importance of meditation

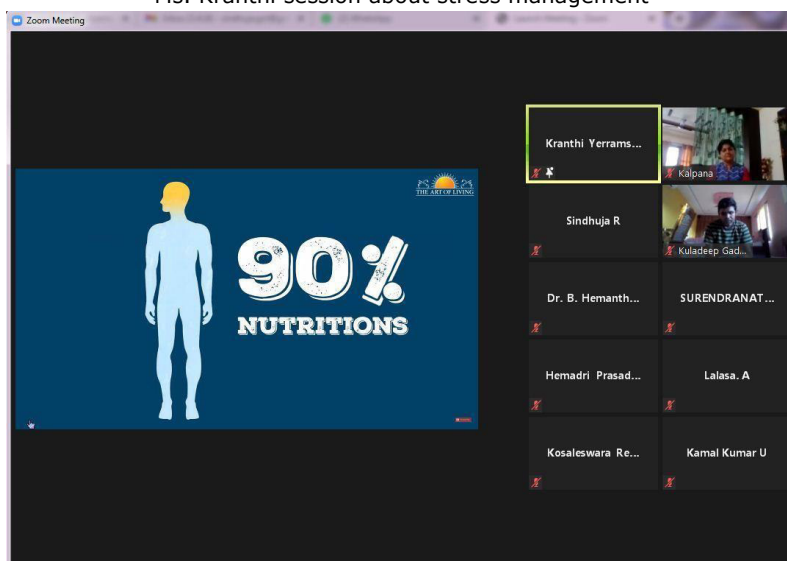

The session started with a short meditation for beginners followed by "Can yoga help me boost immunity? Can I practice yoga during the COVID-19" The answer is yes.

Regular practice of yoga has shown effective results. Different asanas boost immunity, build the body's strength, increase energy levels, bring down anxiety and stress,

infuses positivity and freshness in the mind. Lack of sleep, poor nutrition, and life stress all lead to a weakened immune system and vulnerability to sickness. Stress, more than anything, leads to a breakdown in the body's ability to defend itself against bacteria and viruses. When stressed, the hormone cortisol stays in the blood for extended periods of time, which the body develops resistance to, leading to increased inflammation.

Ms. Kranthi session about stress management

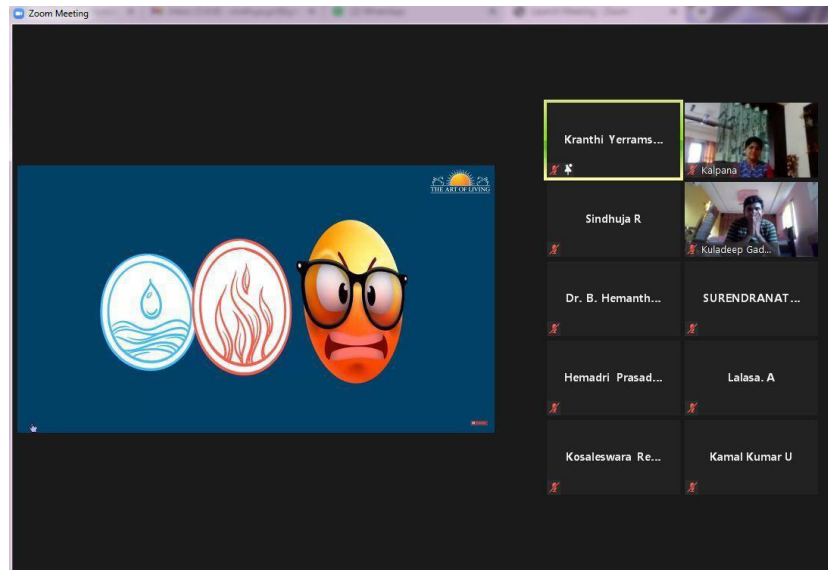

Ms. Kranthi highlighting immunity boosters

When sick, antibiotics and other medicine can help the body recover from the disease. However, what medicine fails to do is improve the body's immune system. This is where yoga comes to the rescue! Yoga is one of the most effective and time-tested natural immunity boosters that can lead to a healthy, sickness-free body.

Ms. Kranthi Yerramsetty added fact that Yoga lowers stress hormones and strengthens the nervous system while also stimulating the lymphatic system, which removes toxins from the body. Yoga calms the mind and can contribute to deeper,

regulated sleep, which is crucial for wellness; sleep is one of the most important factors in healing and maintaining a healthy immune system.

Session about Anger management during COVID times

The faculties added simple yoga poses that boost immunity during COVID-19 situation.

Shishuasana (Child pose) is an excellent pose to decongest the chest and relax the mind.

Shishuasana

Setu Bandhasana (Bridge pose) opens the heart and improves blood circulation, increasing energy in the body.

Setu Bandhasana

Bhujangasana (Cobra pose) stimulates the thyroid gland, strengthening the nervous system.

Bhujangasana

In order to maintain the oxygen levels speaker of the session added few more mudras. Mudras used in combination with yogic breathing exercises enliven the flow of prana in the body, thereby energizing the cells in the body. These mudras mentioned here could help those afflicted by COVID and are in their recovery phases.

Prana Mudra:

Art of living faculty demonstrating Prana Mudra

Prana Mudra can greatly improve your body's immune system and it also stabilizes your mind. The relaxation effect of the mudra decreases nervousness and helps improve one's confidence. It also brings more balance and stability to the mind, thereby curing any

sleeping or eating disorders you may have been afflicted with. Ms. Soumya added that practicing this mudra also reduces, and sometimes removes, any deficiencies caused by a lack of essential vitamins (A-K).

Apana Mudra:

Art of living faculty demonstrating Apana Mudra

Apana Mudra relieves back pain, detoxifies body, good for those suffering from breathing disorder, strengthens immune system, control diabetes and enables easy childbirth.

Pranayama:

Pranayama is not just breath control as commonly perceived but it is the control of prana through the breath. These techniques involve breathing through the nostrils in a specific pattern of inhalation, breath retention, exhalation. Some common yoga breathing exercises include Bhramari pranayama, Kapalbhati Pranayama, Bhastrika pranayama, Ujjayi breathing and Nadi Shodhan pranayama.

It helps in promoting correct breathing. By breathing properly in a correct manner, the oxygen supply to the brain and blood vessels increases. It alleviates asthma symptoms, reduces stress, and increases mental strength. It gives you strong will power and helps in living a long and healthy life.

Benefits of Pranayama

Types of Pranayama:

1. Bhramari Pranayama:

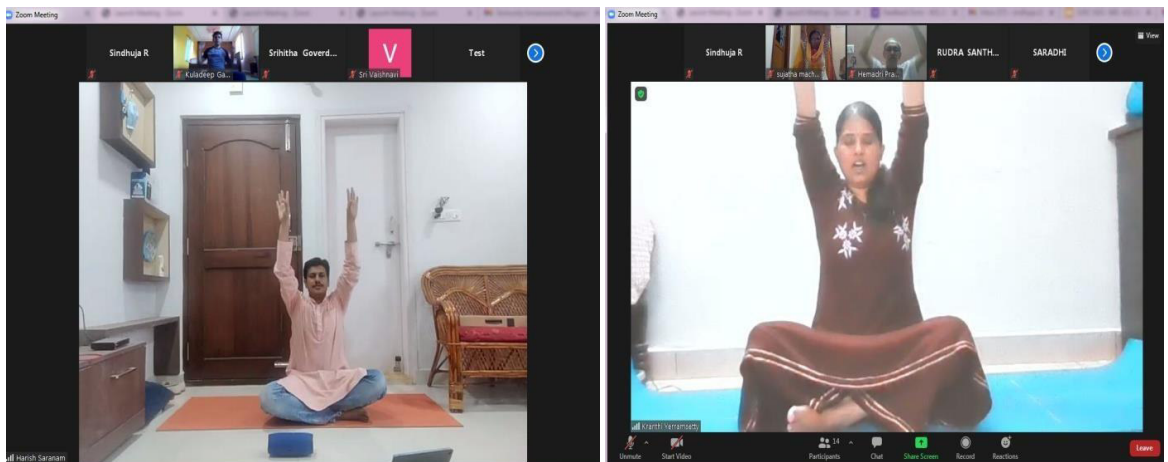

Art of living faculty demonstrating Bhramari Pranayama

2. Kapalbhati Pranayama:

Art of living faculty demonstrating Kapalbhati Pranayama

3. Bhastrika Pranayama:

Art of living faculty demonstrating Bhastrika Pranayama

4. Ujjayi Pranayama:

Art of living faculty demonstrating Ujjayi Pranayama

5. Nadi Shodhan Pranayama:

Art of living faculty demonstrating Nadi Shodhan Pranayama

The art of living faculty ended pranayama stating their benefits. Pranayama bring us numerous benefits on the mental, emotional and physical levels.

- Calms the mind, reducing worries and anxieties,
- Improves focus and attention, removing brain fog,
- Increases energy, bringing enthusiasm and positivity,
- Boosts the immune system,
- Rejuvenates the body and mind,
- May even slow down the aging process.

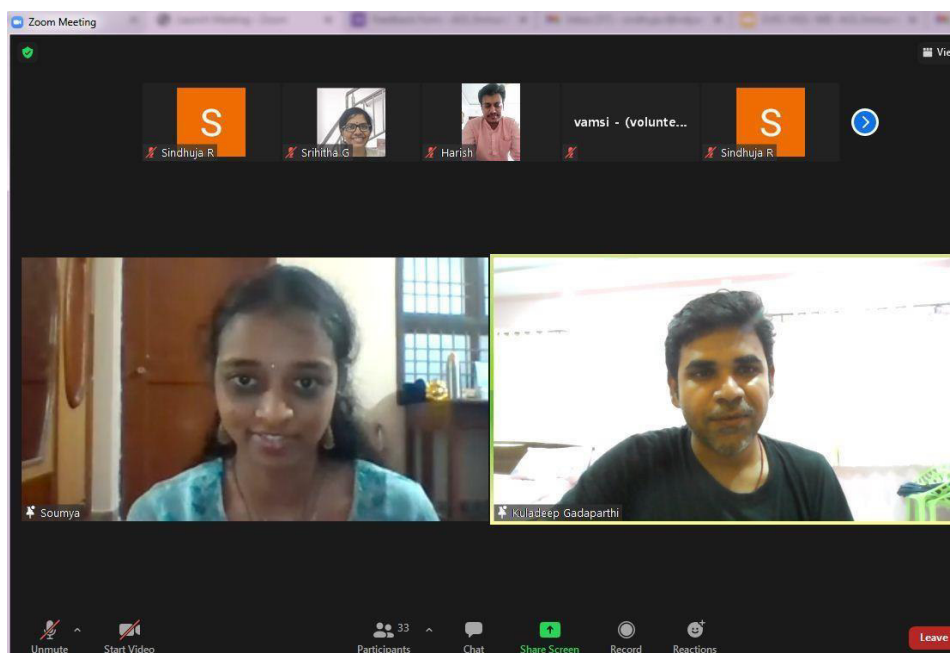

The speaker ended the session mentioning the importance of various pranayama, yoga and mudra. Yoga, meditation and breathing techniques are some of the most effective tools to fight against the physical and mental distress brought by the pandemic. She added that these techniques can boost immunity and aid in the mental and emotional care of Covid-19 patients and those who have recovered. The relaxation brought by these

techniques also aids the healing process.

The workshop ended with vote of thanks from Dr.M.S.Sujatha and Mr. G.Kuladeep Co-Ordinator of the workshop. They took privileged to thank the speaker of the session for accepting the request and for stimulating the participants by highlighting the benefits of Pranayama, meditation and aasanas and being inspiration for happy and satisfied life.

Dr. M.S. Sujatha extending the vote of Thanks

Mr. G.Kuladeep gratitude towards Art of living Faculty

The participants shared their experience towards this 3-day workshop and the satisfaction survey was taken by sharing the feedback link during the end of the session.

Participants sharing their feedback

Dr. M.S. Sujatha, Faculty Advisor, IEEE-WIE affinity group and Mr. G.Kuladeep, NSS Program Officer- SVEC extended their hearty thanks to all the participants for their active participation.

"Let us not think that doomsday is coming or spread other ideas that create panic. Let us come together in a sense of cooperation and compassion. Follow social distancing, stay safe, and help each other."

LECTURE

on

**“EFFECT OF WORK LIFE BALANCE ON
ACCOUNTING ETHICS”**

17th April 2021

The Department of Master of Computer Applications (M.C.A) of Sree Vidyanikethan Engineering College organized a Lecture on **“Effect of Work Life Balance on Accounting Ethics”** on 17th April, 2021 for MCA students.

The resource person was **Dr. V. R. Anitha**, Professor, Department of ECE, Sree Vidyanikethan Engineering College. The resource person enlightened the students on the concept of work life balance. She introduced that the concept of Work life balance started at 1930s and progressively enormous improvements took place in the industry along with increase in global competition, and changes in the structure of workforce.

Dr. Anitha also deliberated the positive correlation between work life balance and motivation at work. She focused on the concept of *“When the employees have more work life balance then they can fulfill their responsibilities in both work and family”*. Also, she presented how other employees and accountants have been facing various challenges. The decision making of the accountants however may be affected by various external factors. These decisions are important for many stakeholders of the company. Moreover, the decisions may be triggered by some unethical factors.

Dr. Anitha also highlighted that unethical behavior might lead to loss of funds by the public investors and even claim that this may lead to systematic deterioration of the system. Therefore, a common understanding of accounting ethics is at least as important as a good auditing infrastructure.

**The Resource Person Dr. V. R. Anitha delivering a Lecture on
"Effect of Work Life Balance on Accounting Ethics"**

Student Participants during the Lecture

Nearly 65 students participated in the lecture. The Lecture was carried out in a way so as to create awareness on ethics among student community towards Accounting and Work life Balance.

IEEE WIE AFFINITY GROUP AND WOMEN EMPOWERMENT CELL

Topics to be covered:

- Post-Corona effect on higher education
- Post-Corona effect in jobs and placements
- Reasons to pursue higher education Germany, Europe and other countries
- Basic eligibility requirements for students who wants to pursue higher education in Germany
- Requirements of preparatory and qualifying exams
- Medium of instruction
- Foreign degree certification and validation
- Application package requirements and compilation process
- Visa Process
- Inter-cultural differences and nuances
- Key pointers for success
- Barrier free education (for students with some handicap)
- Companies where work/job can be an option in Germany, Europe and other countries.

"PATH TO INTERNATIONAL SUCCESS THROUGH QUALITY AND AFFORDABLE HIGHER EDUCATION"

WIE Affinity Group, Women Empowerment Cell and IEEE Student Chapter
(26-03-2021)

REPORT

An Online Webinar on "**PATH TO INTERNATIONAL SUCCESS THROUGH QUALITY AND AFFORDABLE HIGHER EDUCATION**" was organized under WIE Affinity Group, Women Empowerment Cell and IEEE Student Chapter by Department of Electrical and Electronics Engineering, Sree Vidyanikethan Engineering College, Tirupati for the benefit of undergraduates, and postgraduates Students.

The Speaker of the session was **Ms. Niketa Dedhia**, Principal Consultant at the Exponent Consultancy Services (e^xcs), USA. She addressed the aspiring students on 26th March, 2021 virtually through Zoom platform between 06.00 pm and 7.00 pm. The session started with the welcome note by Dr.M.S. Sujatha, co-ordinator of the webinar.

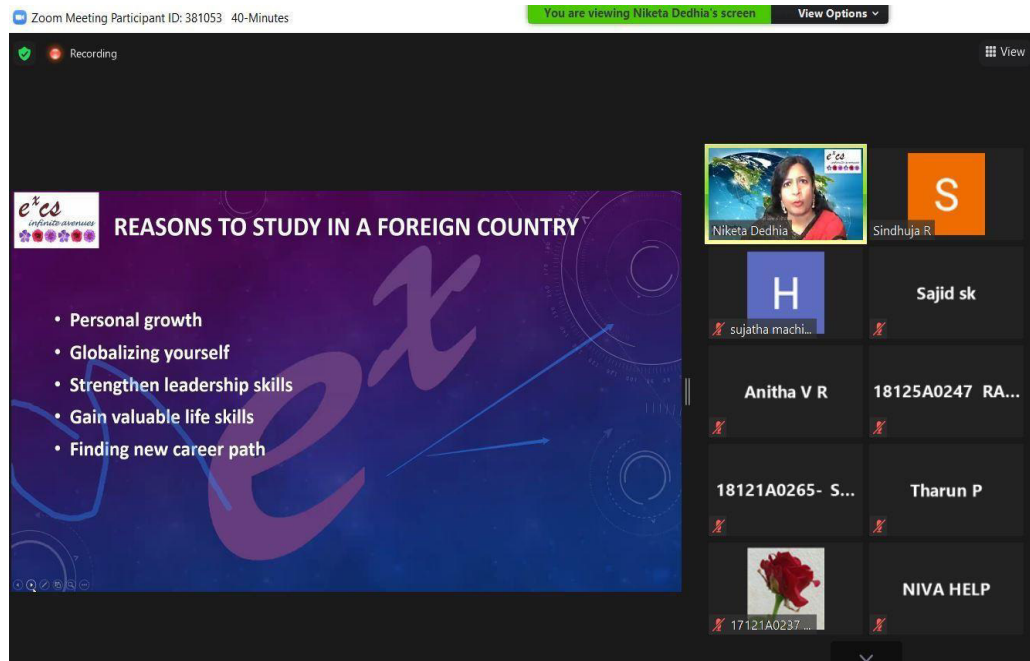

Dr. M.S. Sujatha, co-ordinator welcoming the participants

Dr. M.S. Sujatha, co-ordinator of the webinar - SVEC, read the profile of the Speaker and welcomed the chief guest and all the participants for the informative live session.

The keynote address delivered by Ms. Niketa Dedhia, Principal Consultant, e^xcs, Ex-Head of Deutscher Akademischer Austauschdienst, DAAD was informative and engaging.

Niketa, is a dedicated, conscientious professional who is clearly focused on her goals, well read, has experience of working in Multi-cultural, multi-national environment and at the same time always ready to go out of her way to help others. She displays abilities to grasp a multitude of issues in a short span of time and generate options to address the issues. Madam discussed about courses offered, suitable universities for Indian students, their fee structure, accommodation and scholarships. The session was aimed at giving a pathway to the students towards preparing for overseas education. The students were made aware about the educational requirements of the different overseas university and the application procedure.

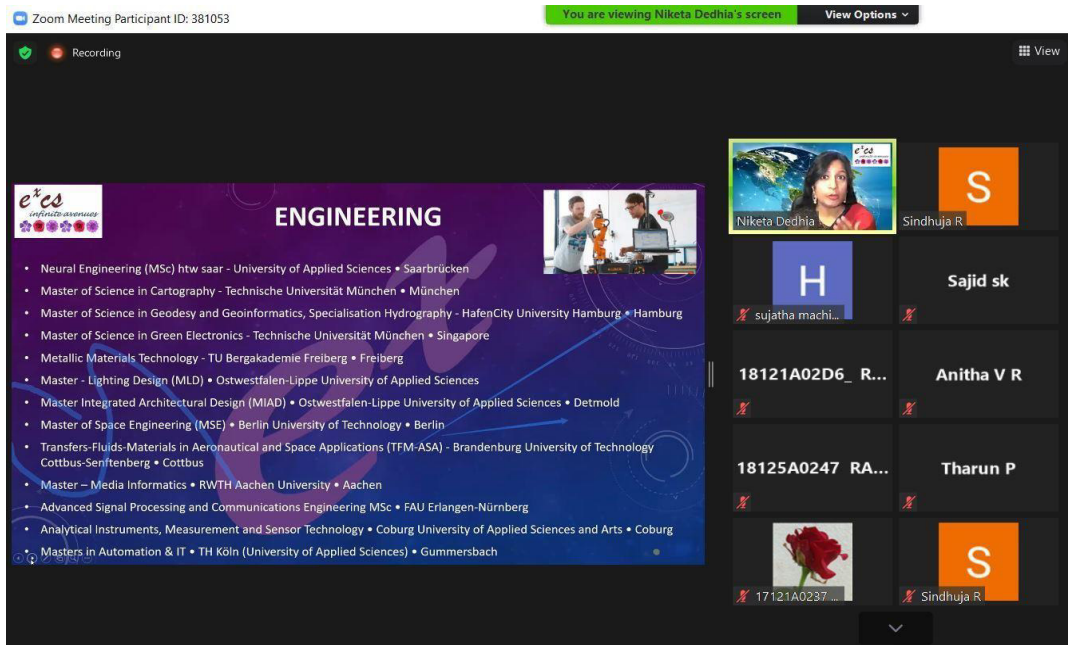

Speaker addressing young enthusiastic participants

The speaker concentrated on

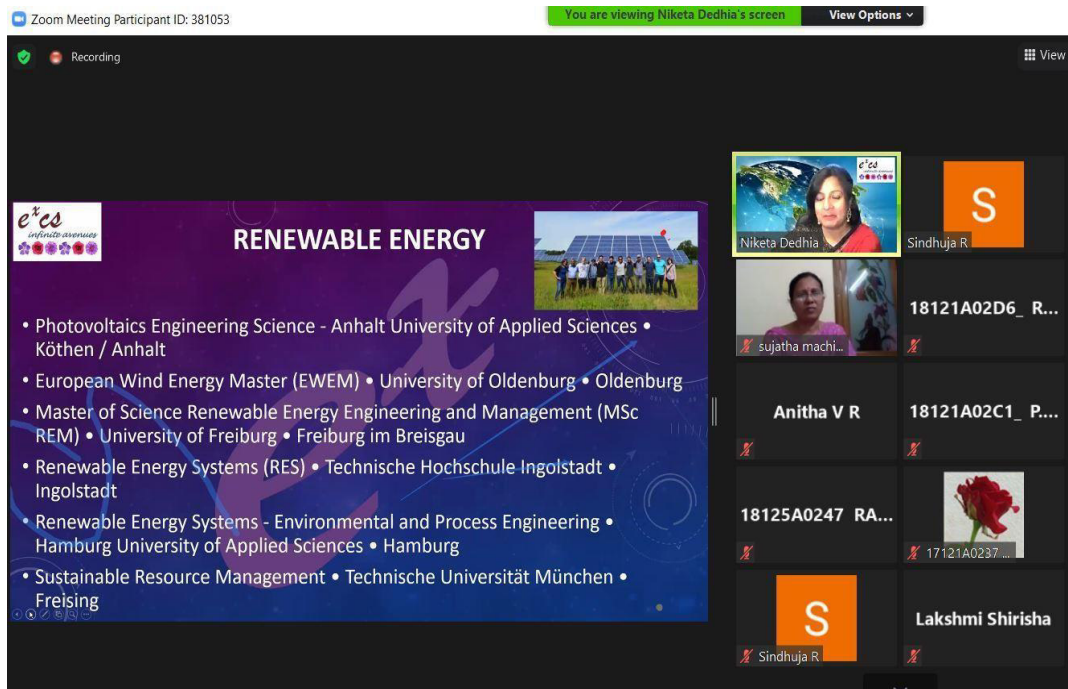

- * Creating relationship with German universities for international student exchange programs.
- * Developing core business of higher education and research consulting for students and researchers aiming to pursue careers in Germany.
- * Inter-cultural training for students, researchers and corporate personnel moving to Europe for extended stay.

An overwhelming number of students attended the webinar where Ms. Niketa Dedhia highlighted the availability of free and extremely affordable and excellent higher education and research facilities on a range of subjects at all levels and the lucrative employment avenues available. She also held forth on the various courses that are in the limelight for graduates and postgraduates. Germany has attained popularity and repute as a study destination due to its easy visa processing and option of permanent residency and is highly recommended for its array of opportunities.

Speaker addressing the participants

The Speaker, Ms. Niketa tried to whip up the participants towards the various professional fields where German universities specialize.

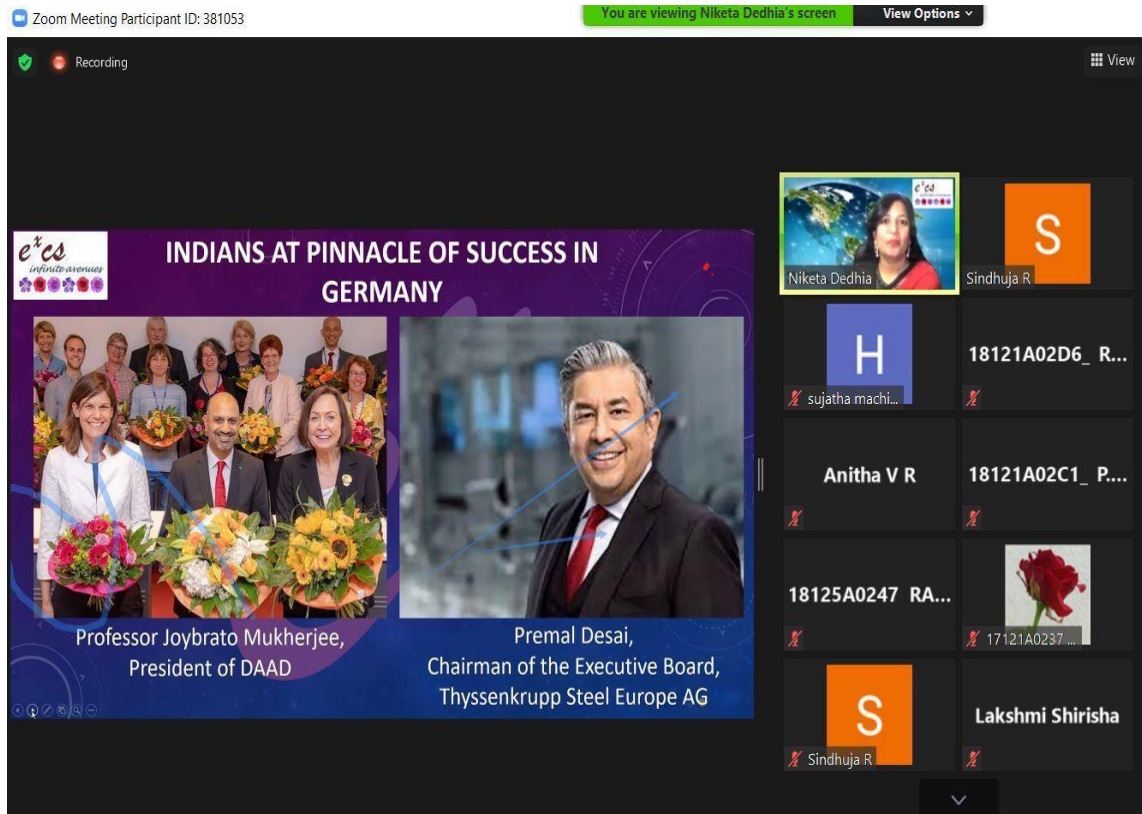

Speaker addressing on various opportunities in renewable energy

Ms. Niketa also expounded on the reasons to pursue higher education in Germany and the essential eligibility requirements for the same. She also gave insights on the preparatory and qualifying exams students need to focus on, and the various professional fields that German Universities specialize in. She also clarified doubts regarding the medium of instruction and emphasized the inter-cultural differences and nuances that one must overcome to assimilate and become a part of the cultural landscape.

The interactive session was based on bottoms down approach for application to German and European University. The session provides the students set of guidelines for students to prepare themselves and made them aware of the different opportunities for

internships, projects and higher studies. I dedicate my gratitude towards the speaker for creating such a platform in this COVID pandemic period to care about our carrier. This informative live session had captivated the participant's interest towards Higher Studies.

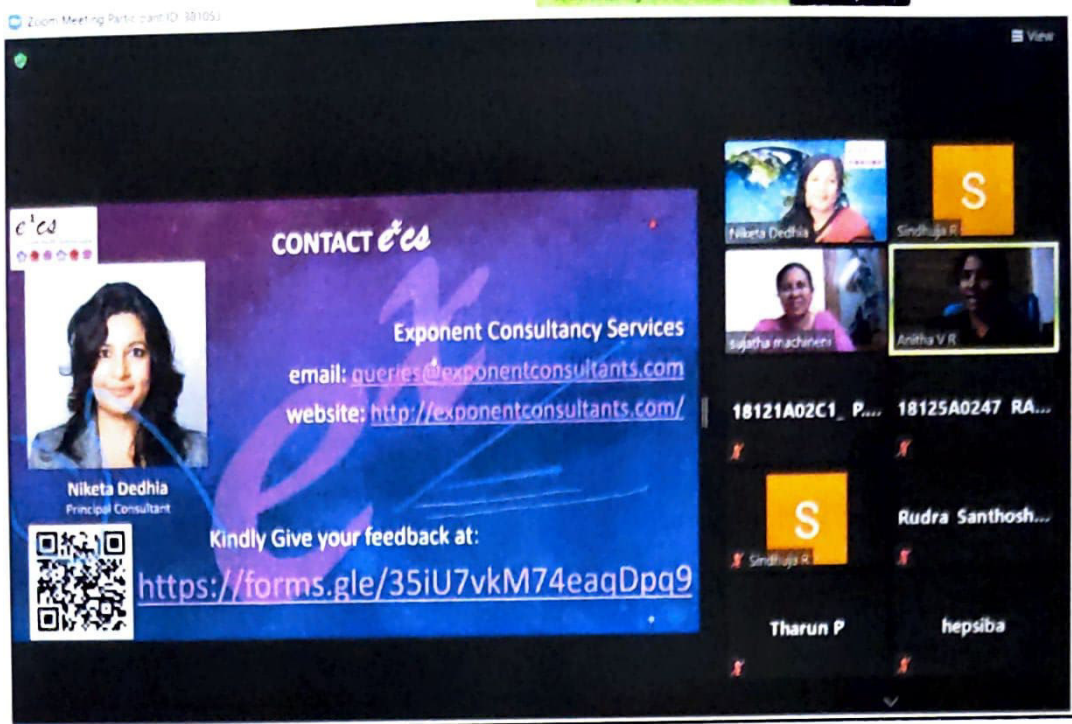

Speaker addressing young enthusiastic participants about opportunities in Germany

The speaker talked about various Indians in German Universities to motivate participants towards Higher Education.

The presentation covered the following areas:

- Reasons to pursue higher education in Germany and Europe
- Basic eligibility requirements for students
- Requirements for preparatory and qualifying exams
- Various professional fields where German universities specialize
- Medium of instruction
- Foreign degree certification and validation
- Application package requirements and complication process
- Visa process
- Inter-cultural differences
- Barrier free education

Ms. Niketa Dedhia ended her session by highlighting the educational ties between India and Germany are getting stronger day by day. The speaker gave wonderful lecture and received huge response from the audience. As expected this session empowered the participants towards Higher education. Totally the session was very enlightening and inspiring.

Contact details of the Speaker

The session ended with vote of thanks from Dr. V. Anitha, Convener, Women Empowerment Cell- SVEC. She took privileged to thank the speaker of the session for accepting the request and for stimulating the participants by highlighting International Success through Quality and Affordable Higher Education.

Dr. M.S. Sujatha, Member, WIE affinity group and Dr. V. Anitha, Convener, Women Empowerment Cell- SVEC extended their hearty thanks to all the participants for their active participation.

"Work Ethics for Development Professionals"

20 March, 2021

The Department of Mechanical Engineering organized an Expert talk on **Work Ethics for Development Professionals** is held on 20th March, 2021 to the students of Department of Mechanical Engineering, SVEC, Tirupati. Dr. K.L. Narasimhamu, Professor, Dept. of ME, SVEC, Tirupati was the resource person for this program. During his speech he explained, Work ethic is basically the belief that work is a good moral. It's also refers to a sets of values that are defined and characterized by diligence and hard work. Work ethic can as well be defined as the inherent ability of work to strengthen character.

Dr. K.L. Narasimhamu, Professor, Dept. of ME, Sree Vidyanikethan Engineering College addressing the upcoming professionals regarding the need of work Ethics.

Dr. K.C. VARAPRASAD
Professor & Head

Dr.K.L. Narasimhamu, Professor, Dept.of ME, Sree Vidyanikethan Engineering College addressing the upcoming professionals regarding need of work Ethics.

In his talk he delivered few salient points on work ethics to the students such as Work Ethics For Successful Careers, Positive Work Ethics, Why Ethics Are Important, Five Characteristics of Having Good Work Ethics i.e. Honest, Values Diversity, Respects and Cooperativeness to others.

Prof. K.L. Narasimhamu delivered a key Five Characteristics of Having Good Work Ethics to the students/upcoming professionals to have a good work ethic. Suggested few words such as- be dedicated to job that you deem valuable. You hold yourself to high standards of responsibility. You also keep yourself accountable for getting work done right and on time, and for making good business decisions that help people and companies succeed. Having a solid work ethic means you understand

that productivity, organizational skills, being reliable and possessing good character are all attributes that successful people share.

On an Overall, the Expert Lecture on "Work Ethics for Development Professionals" is very much beneficial to all the students to move in a right path during their careers.

"Workplace Ethics and Value Systems"

12 March, 2021

The Department of Electronics and Instrumentation Engineering organized an Expert talk on **Workplace Ethics and Value Systems** on 12th March, 2021 to the students of Electronics and Instrumentation Engineering department, SVEC, Tirupati. Mr. G. Hemanth Kumar, Assistant Professor, Dept. of EIE, SVEC, Tirupati was the resource person for this program. During his speech he explained, a truly ethical workplace should model ethical behavior from the top down, and from the inside out. Workplace ethics are reflected in how organizations interact with others, how they perform their tasks, and how they communicate both internally and externally.

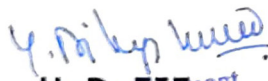

Mr. G. Hemanth kumar, Asst. Professor, Dept.of EIE, Sree Vidyanikethan Engineering College introducing the importance of Workplace ethics.

Mr. G. Hemanth kumar, Asst. Professor, Dept.of EIE, Sree Vidyanikethan Engineering College interacting with students regarding Value Systems.

In his talk he delivered few salient points on role of workplace ethics to the students and also quoted that ethical lapses of any kind have the tendency to snowball in a work environment.

A total of 44 students have got benefited from the session and the participants expressed their gratitude towards the session.

ETHICS IN PROFESSIONAL PRACTICE

09th March, 2021

The Department of Civil Engineering of Sree Vidyanikethan Engineering College has organized a Lecture on “**Ethics in Professional Practice**” at Civil Engineering Seminar Hall, SVEC on **09th March, 2021** for the benefit of III B.Tech II Semester Civil Engineering Students.

Dr. M. Jaya Theja, Assistant Professor, Department of Civil Engineering, SVEC delivered a lecture on “**Ethics in Professional Practice**”. Speaking about this he explained the importance of ethics in practicing reasonable, responsible and transparent behavior. Further, he emphasized to act without bias, ensure equitable access, comply with laws and protecting confidentiality in work place. Ethics are interpreted as the discipline of dealing with good and bad with commitment and moral duty. Ethics impact the behaviour and permit an individual to make the right decisions.

A total of 34 students from Civil Engineering Department of III B.Tech. II Semester from the host institution were participated in the lecture. Dr. O. Eswara Reddy, Professor, HoD and Chairman - BOS, Department of Civil Engineering, SVEC was the convener of the event. Mr. M. Tharun Kumar, Assistant Professor and coordinator of the event.

The photographs of the program are as follows.

“Women Empowerment : The Future is Women”

(08-03-2021)

The Department of Civil Engineering has arranged an Expert Lecture on 08-03-2021 from 2.15 pm to 3.45 pm in the Department Seminar Hall. The resource person for this lecture was **Mrs. G. Gnana Prasanna**, Assistant Professor of Civil Engineering, Sree Vidyanikethan Engineering College, Sree Sainath Nagar, Tirupati. She has given lecture on “**Women Empowerment :The Future is Women**” to all the girl students of II and III B.Tech. CE.

The following salient points were discussed during the lecture:

- Think equal regardless of gender
- How women’s ideas transform the world
- How to create an equitable future
- Violence against women and girls
- To remove barriers to women in order to accelerate progress towards universal gender equality.

Mrs. G. Gnana Prasanna, Assistant Professor and Mrs. P. Lakshmi Teja, Assistant Professor, Coordinator of the Event graced the occasion. A total of 60 girl students were participated in the program. On the whole, the event was proved successful.

DEBATE ON GENDER NON-DISCRIMINATION

Date: 23-01-2021

Venue: Room 208

Time: 2:15pm

C O N S

@eta.spark

SREE VIDYANIKETHAN ENGINEERING COLLEGE

(AUTONOMOUS)

Sree Sainath Nagar, Tirupati – 517 102

Department of Electrical and Electronics Engineering

ELECTRICAL TECHNICAL ASSOCIATION (ETA)

(EEE Student Technical Association)

Debate on gender non-discrimination event report

DEBATE ON GENDER NON-DISCRIMINATION event is conducted on **23-01-2021** with **No. of participants: '63'**. Debate is an organized argument with constructive reasons or causes in which the participants discuss a topic from two opposing sides. This event aims to bring out a tremendous development of Communication skills, imbibing an attitude of perseverance and handling situation effectively. This event enables to practice thinking out of the box. For thoughtful ideas and true innovation, one needs human interactions, discussions, arguments, and constructive reasons to debate. The topics are framed in such a manner that includes presence of mind, spontaneous responding ability and prioritising the gender equality and non-discrimination for better society.

Students actively participating in first round of DEBATE event

The first round of DEBATE is focused on the topic "Men are better in decision making roles than women" which is aimed at sensitizing adolescent girls and boys towards existing gender inequalities. With understanding comes ability to bring

about attitudinal changes towards gender based issues. By sensitizing the boys and girls at an early age eliminates gender differences. The focussed topic brings in awareness that gender equality is not only a fundamental human right but also it is necessary foundation for a harmonious and sustainable world.

Students competing in final round DEBATE event.

The Event is manifested into 2 rounds including the basic, medium topic. Certain equitable and thinkable topics are inculcated in this event, such as "Men are better in decision making roles than women" "Working mothers hinder their children's development", and "Men are better in sciences while women are better in the humanities".

In the last round the topic "Working mothers hinder their children's development" was chosen. The students on the "Pro" side explored the valuable points like - working mothers become positive role models, they are less prone to depression, they raise more independent children and they have stories to tell outside their personal life. Those students on the "Con" side countered with the agreeable points like - Working mothers have less time for their family; Children may feel alone & fall into a bad company, Tiredness and health issues may arise.

This event helps the students to appreciate the gender equality which benefits humanity at large for building prosperous societies and economies.

REPORT

An Expert talk on “**ETHICS AND SELF AWARENESS**” was organized under IEEE-WIE Affinity Group, ISTE Student Chapter and IEEE Student Chapter by Department of Electrical and Electronics Engineering, Sree Vidyanikethan Engineering College, Tirupati for the benefit of undergraduates Students.

The Speaker of the session was **Dr.M.S.Sujatha**, Professor & Head, Department of EEE, Sree Vidyanikethan Engineering College, Tirupati. She addressed the aspiring students on 20th Jan, 2021. The session started with the welcome note by speaker of the session.

Dr.M.S.Sujatha, Speaker of the session welcoming participants

Dr. M.S. Sujatha, speaker of the webinar - SVEC, welcomed all the participants for the informative live session.

The speaker started the session stating the importance of Self-Awareness. Self-awareness is the ability to see yourself clearly and objectively through reflection and introspection. While it may not be possible to attain total objectivity about oneself, there are certainly degrees of self-awareness. It exists on a spectrum.

She also stated that, Although everyone has a fundamental idea of what self-awareness is, we don't know exactly where it comes from, what its precursors are, or why some of us seem to have more or less than others. This is where the self-awareness theory comes in, offering some potential answers to questions like these.

The four Proven Benefits of Self-Awareness:

- It can make us more proactive, boost our acceptance, and encourage positive self-development.
- Self-awareness allows us to see things from the perspective of others, practice self-control, work creatively and productively, and experience pride in ourselves and our work as well as general self-esteem.
- It leads to better decision making.
- It can make us better at our jobs, better communicators in the workplace, and enhance our self-confidence and job-related wellbeing.

Dr.M.S.Sujatha also focused on the ways to build and practice self-awareness, and she stressed on 5 main ways.

5 Ways to Increase Your Self-Awareness

- Create space and time
- Practice mindfulness and meditation
- Journal your awareness
- Practice listening
- Gain a different perspective

She focused on Student development theory reflects the typical developmental tasks commonly engaged by young adults during the point in their lives when most students decide to pursue higher education. She mentioned the five ethical principles that inform our work as student life professionals as

- 1) Autonomy,
- 2) Prevent Harm,
- 3) Do Good,
- 4) Justice, and
- 5) Fidelity.

Participants interacting during session

Around 120 participants (85 Boys and 25 girls) have attended the expert lecture and got benefited. Dr.M.S.Sujatha, Professor and Head, Department of EEE- SVEC extended her hearty thanks to all the participants for their active participation.

Lecture on

Ethics in Education

18th January, 2021

The Department of Civil Engineering of Sree Vidyanikethan Engineering College has organized a Lecture on “**Ethics in Education**” at Civil Engineering Seminar Hall, SVEC on **18th March, 2021** for the benefit of I B.Tech Civil Engineering Students.

Dr. Hemadri Prasad Raju, Associate Professor, Department of Civil Engineering, SVEC delivered a lecture on “**Ethics in Education**”. He explained the importance of ethics, engineering ethics, moral dilemmas, moral autonomy, code of ethics, limitations, case studies of the various civil engineering projects and the importance of ethics for civil engineers etc. to the student community. Further, he added ethics plays a very important role in Education. Ethics are interpreted as the discipline of dealing with good and bad with commitment and moral duty. Ethics impact the behaviour and permit an individual to make the right options.

A total of 38 students from Civil Engineering Department of I B.Tech. I Semester from the host institution were participated in the lecture. Dr. O. Eswara Reddy, Professor, HoD and Chairman - BOS, Department of Civil Engineering, SVEC was the convener of the event. Mr. M. Tharun Kumar, Assistant Professor and Coordinator of the event.

The photographs of the program are as follows.

An Expert Lecture

On

"NSPE Code of Ethics for Engineers"

4th January, 2021

An **Expert Lecture** on **"NSPE Code of Ethics for Engineers"** was organized by Department of ECE, Sree Vidyanikethan Engineering College on 04th January, 2021. The main aim was to refresh the members of faculty and familiarize them about NSPE code of Ethics to be followed in institution keeping in view the forthcoming academic year 2020-21.

Dr. P. C. Krishnamachary, Principal, Sree Vidyanikethan Engineering College gave an overview of the program. Further, he explained the main aspects of academics with NSPE code of Ethics and advised all the members of faculty to implement them strictly and effectively.

Dr. P. V. Ramana, Dean (Academics), Sree Vidyanikethan Engineering College addressing the Faculty Members regarding the Code of Ethics

Dr. I. Sudarsan Kumar, Director (Q&D), Sree Vidyanikethan Educational Trust gave a comprehensive presentation on 'CO, PO, PSO Articulation and Mapping,' key aspects of Curriculum Design and Development, Academic Flexibility, Feedback System, Teaching-Learning Process, Evaluation Process and Reforms, Course Structure and on 'ICT in Education'.

Dr. P. V. Ramana, Dean (Academics), SVEC elaborated the academic practices and code of Ethics that are to be followed in the institution at different levels. Further, he emphasized on teaching preparation, delivery and outcomes.

Dr. K. Saradhi, Controller of Examinations, SVEC emphasized on the code of conduct to be followed in conducting examinations and evaluation process. He reiterated that invigilation and evaluation are the prime responsibilities of faculty members and everyone should be sincere in attending them.

Mr. B. Ravisekhar, Director (F & A) addressed the entire faculty regarding the importance of code of conduct to be followed with regard to finances. A Total of 213 faculty members attended the orientation program.

Inaugural Function of
"SVEC IUCEE EWB-INDIA Student Chapter"

07th December, 2020

Introduction:

Indo-Universal Collaboration of Engineering Education:

Indo Universal Collaboration for Engineering Education (IUCEE) was conceptualized by over 150 leaders of engineering education and businesses from US and India in 2007. The name was modified in 2016 from Indo US Collaboration for Engineering Education to reflect the more global nature of the collaborations. IUCEE is one of the founder members of IFEES (International Federation for Engineering Education Societies), which was the primary facilitator for the growth and development of IUCEE. The vision of IUCEE is to improve the quality and global relevance of engineering education and research in India with related benefits to engineering educators around the world. The major focus is on faculty development, student development, curriculum development, as well as improved teaching technologies & engineering education research.

IUCEE is guided by a team of Indian and International Experts from academia—Global Academic Advisory Forum (GAAF), and industry—Global Industrial Advisory Forum (GIAF). A fundamental strength of IUCEE is its network of engineering educators from around the world who are passionate about the quality of engineering education, and its ties with global organizations such as—International Federation of Engineering Education Societies (IFEES), Global Engineering Deans Council (GEDC), American Society for Engineering Education (ASEE), Accreditation Board for Engineering and Technology (ABET), International Society for Engineering Pedagogy (IGIP), Engineering Projects in Community Service (EPICS), Research in Engineering Education Network (REEN) and Engineers Without Borders (EWB) and the Deshpande Foundation. Leadership and experts from these organizations are regular participants of IUCEE events and programs.

Inauguration Ceremony:

The vision of IUCEE is to improve quality and global relevance of engineering education in India. IUCEE's Mission is to build an ecosystem for transforming engineering education in India with assistance of engineering education expert and industry from around the world.

Sree Vidyanikethan Engineering College and Indo Universal Collaboration for Engineering Education (**IUCEE**) has initiated a Engineers Without Borders (EWB) Student Chapter with a motive to engage the faculty and students to integrate Engineering Projects in Community Service into the curriculum to address human, community and environmental needs. A total of 128 members attended the programme.

SVEC IUCEE EWB - India Student Chapter Sree Vidyanikethan Engineering College:

VISION: To nurture and motivate students to undertake real life sustainable social projects and create Global Leaders. Our chapter offers the opportunity for students to practice teamwork, problem solving, and innovation. Furthermore, students have the unique opportunity to apply their engineering skills to serve global communities

MISSION: To Partner with corporate & social organizations, involve students and offer sustainable solutions in the areas of Water, Sanitation, Energy, Health & Education to improve the quality of life for common people.

Chapter Details:

- Faculty Advisor: Dr. J. Avanija, Associate Professor, Department of Computer Science and Engineering. (<https://www.linkedin.com/in/dr-avanija-j-a4383031>)
- President: K Uday Radhesh, IV BTech - EIE, TEP Alumni, ISB. (<https://www.linkedin.com/in/uday-radhesh-kundeti-270798168>)
- Secretary: Shaik Naushab, III BTech - CSE, Core Committee Member, IUCEE. (<https://www.linkedin.com/in/shaik-naushab-ahmed-4047981a4/>)

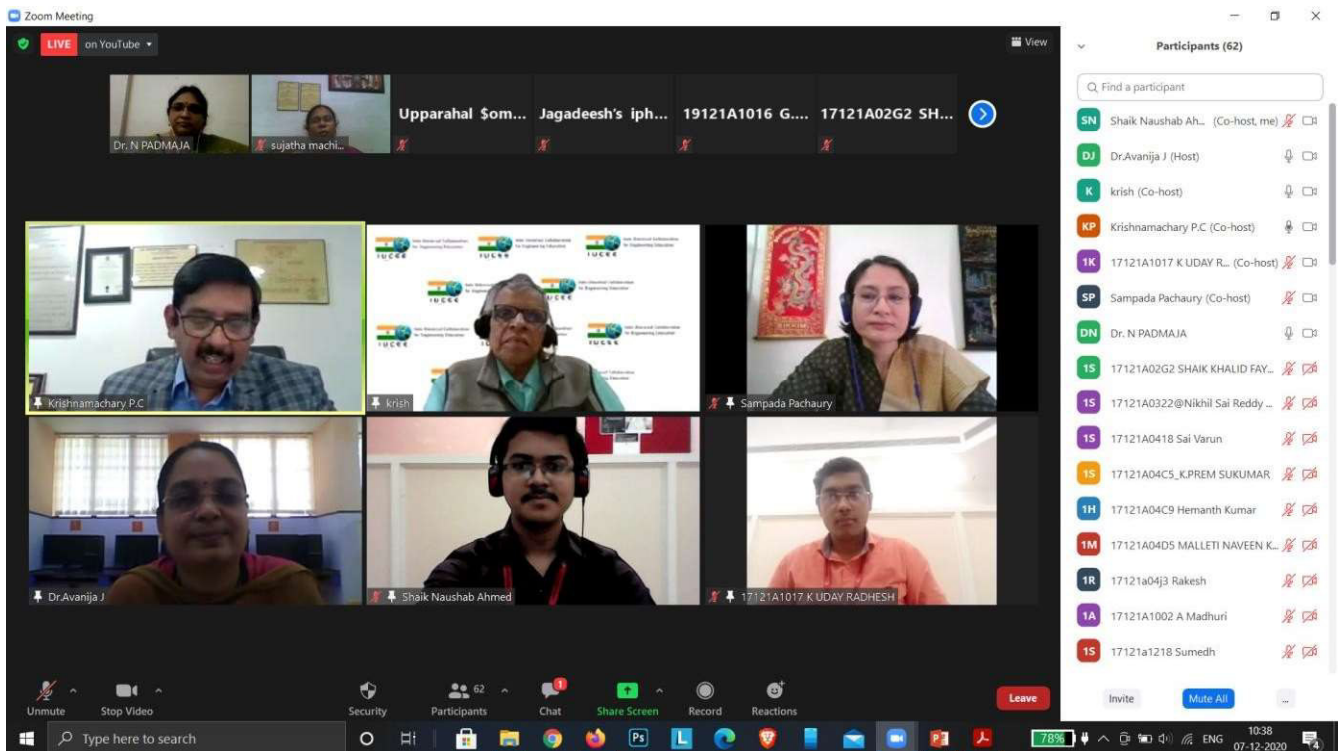

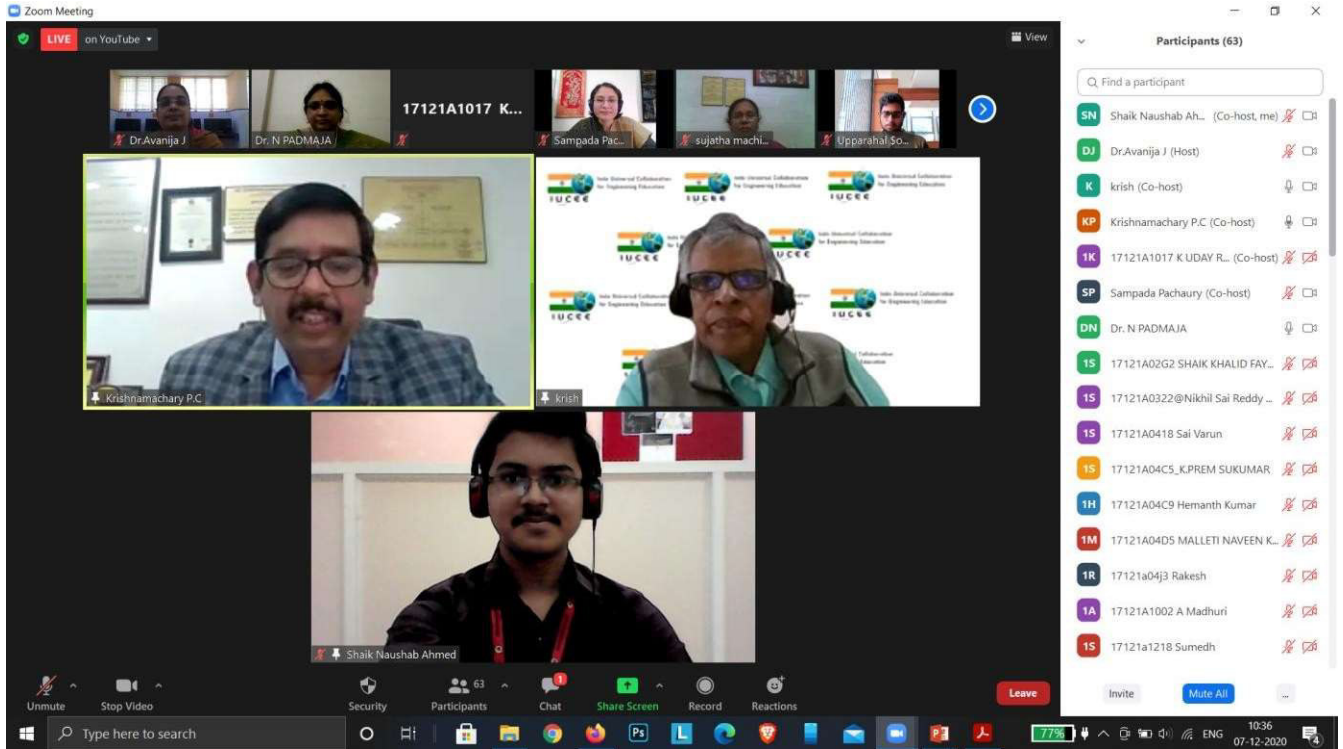

The student members avail the following facilities:

- Get a chance to participate in Virtual IUCEE Annual Student Forum (IASF) during 8-10th January 2021.
- Funding and support for the community projects.
- Get a Seed funding for Startup Ideas.
- Guidance for community projects by Global Professionals in IUCEE Network.
- Chance of getting Internships by global professionals depending on the performance in community projects of the student chapter.
- Participate in Student Leadership Summit conducted by IUCEE each year.
- Attend Global Webinars conducted by IFEEES, GEDC and UMass Lowell (Entrepreneurship)
- Avail resources from Incubator of Institute Innovation Council and Entrepreneurship Development Cell of our college.

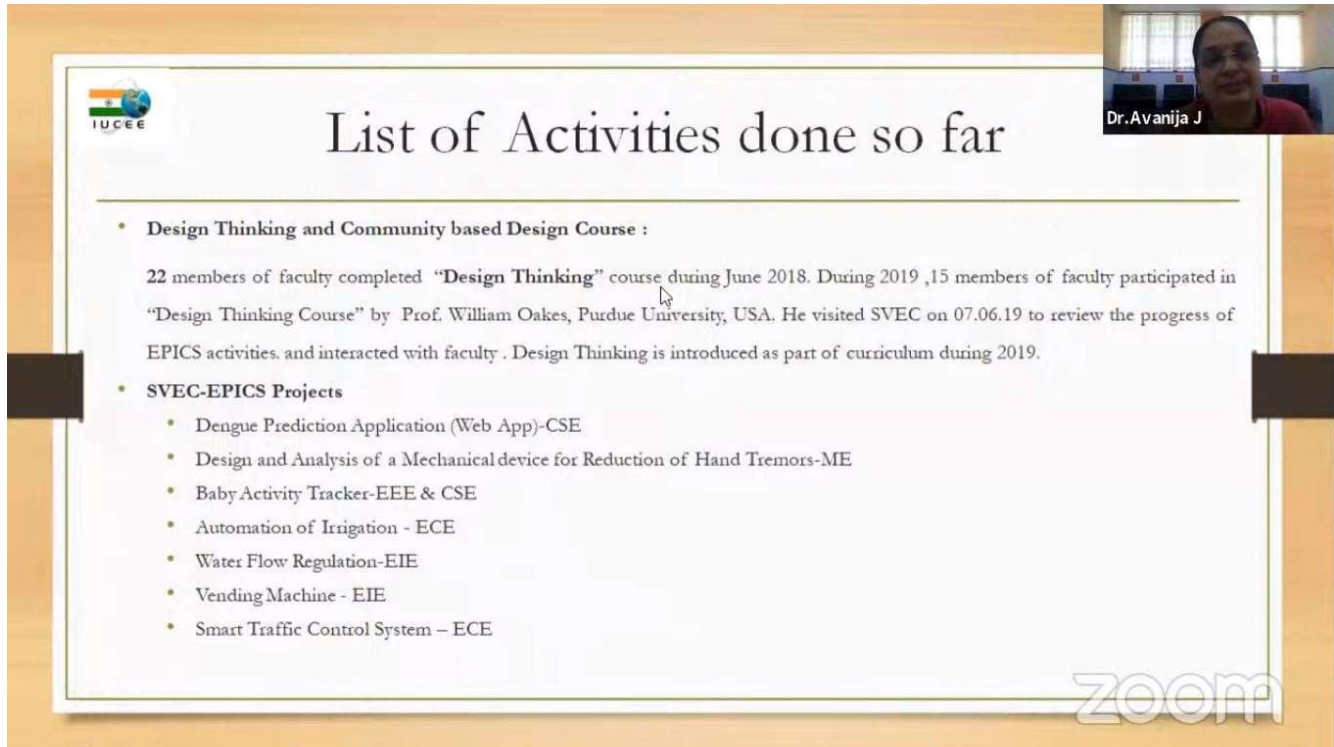

Activities & Events to be conducted by the IUCEE & EWB India Student Chapter – Sree Vidyanikethan Engineering College in 2021:

- Virtual IASF 2021 (8-10 January 2021).
- Start inviting proposals for Startups.
- Guest Speech – IUCEE Professional Network (January) (A set of guest speakers each month).
- IUCEE Virtual Student Hackathon in February.
- Conduct a general meeting after hackathon to finalize the list of projects to be undertaken for the rest of the year. (February).
- Invite Proposals for Community Projects finalised under IUCEE student hackathon. (March).
- Conduct workshops on Design thinking and Entrepreneurship in association with MHRD Innovation Cell and Entrepreneurship. Development Cell of our College. (April)

Inaugural address by Principal Dr. P. C. Krishnamachari

Faculty Advisor Note – Dr.J.Avanija, Associate Professor, Department of CSE

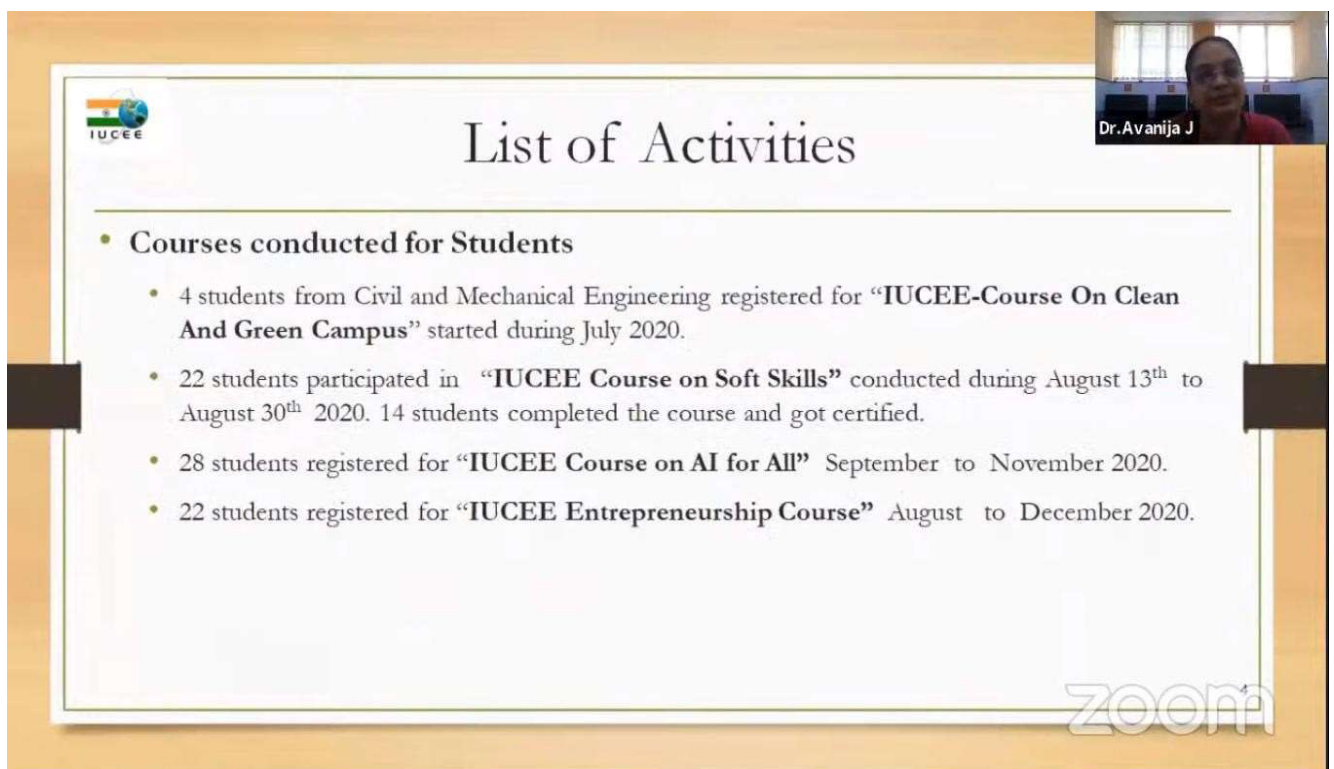

Dr. Avaniya J

IUCEE

List of Activities done so far

- **Design Thinking and Community based Design Course :**
22 members of faculty completed “Design Thinking” course during June 2018. During 2019 ,15 members of faculty participated in “Design Thinking Course” by Prof. William Oakes, Purdue University, USA. He visited SVEC on 07.06.19 to review the progress of EPICS activities. and interacted with faculty . Design Thinking is introduced as part of curriculum during 2019.
- **SVEC-EPICS Projects**
 - Dengue Prediction Application (Web App)-CSE
 - Design and Analysis of a Mechanical device for Reduction of Hand Tremors-ME
 - Baby Activity Tracker-EEE & CSE
 - Automation of Irrigation - ECE
 - Water Flow Regulation-EIE
 - Vending Machine - EIE
 - Smart Traffic Control System – ECE

zoom

Dr. Avaniya J

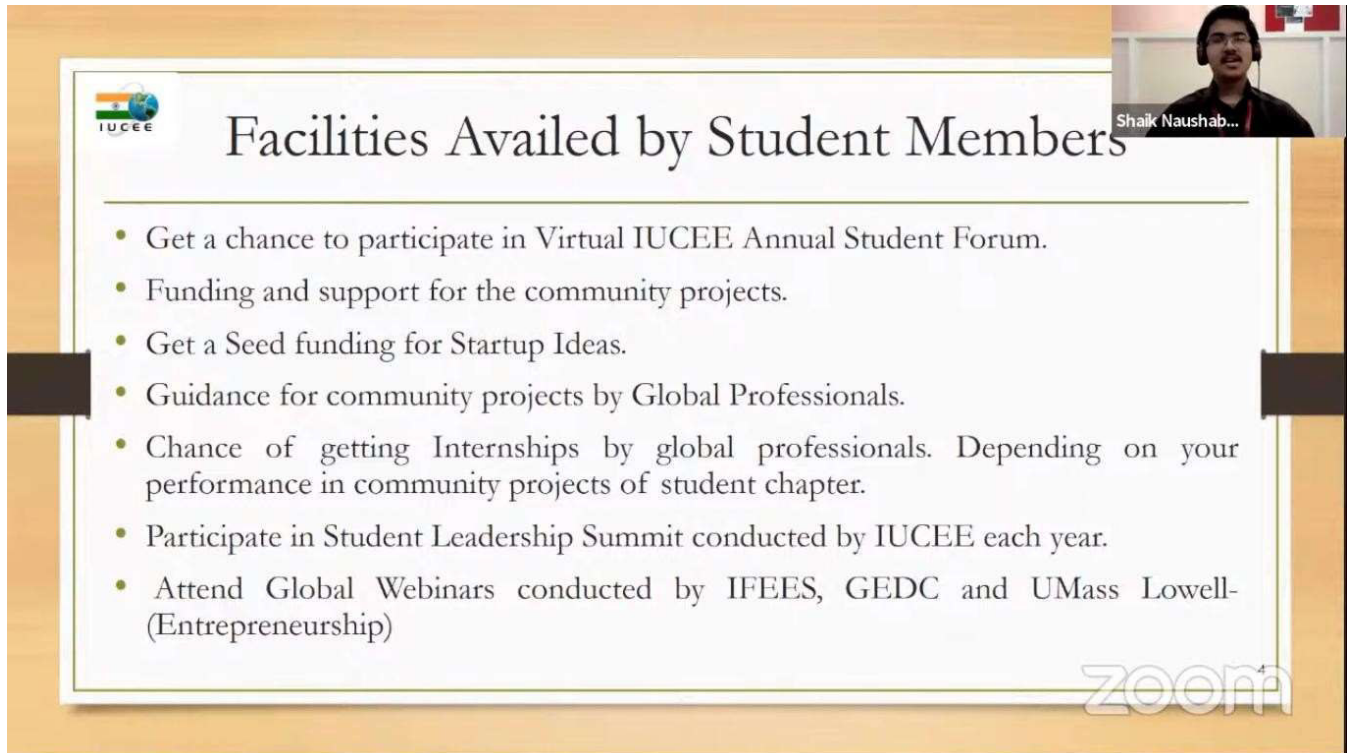

IUCEE

List of Activities

- **Courses conducted for Students**
 - 4 students from Civil and Mechanical Engineering registered for “IUCEE-Course On Clean And Green Campus” started during July 2020.
 - 22 students participated in “IUCEE Course on Soft Skills” conducted during August 13th to August 30th 2020. 14 students completed the course and got certified.
 - 28 students registered for “IUCEE Course on AI for All” September to November 2020.
 - 22 students registered for “IUCEE Entrepreneurship Course” August to December 2020.

zoom

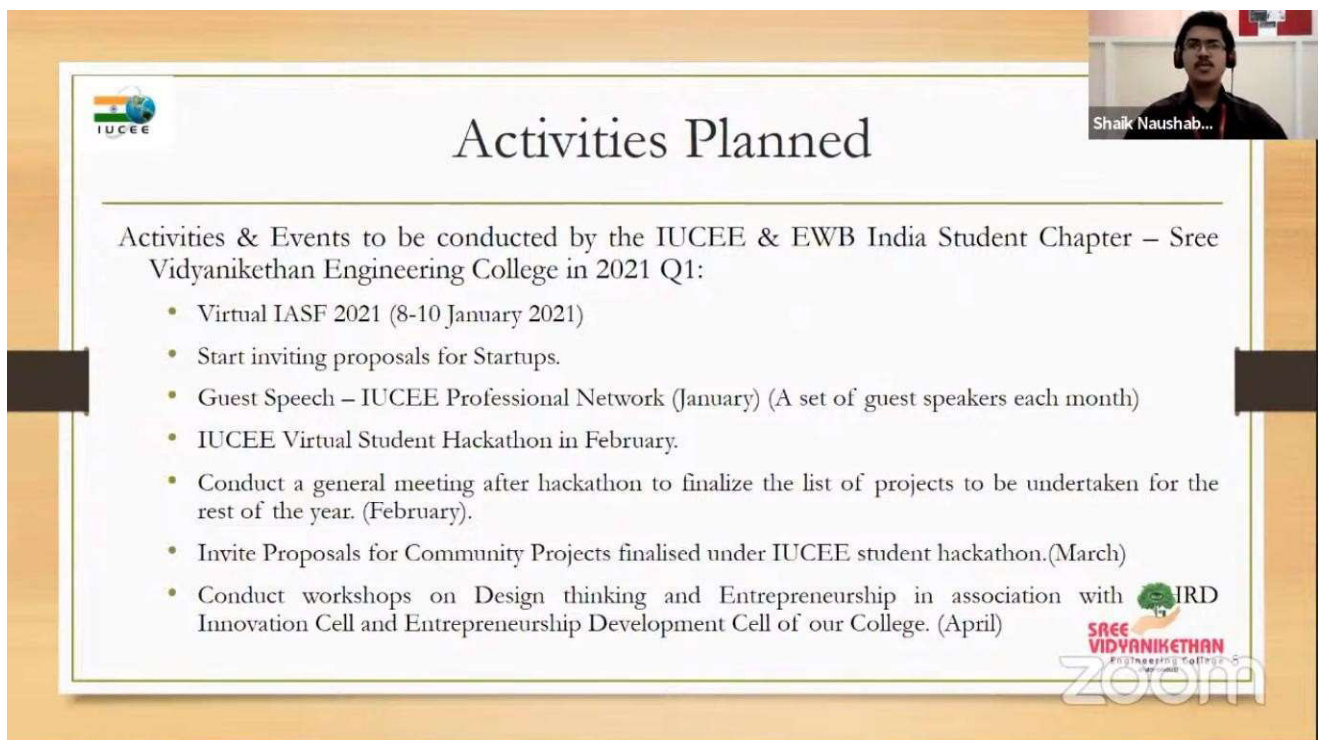

Student Chapter Presentation – Shaik Naushab – Secretary, III B.Tech CSE

 **Facilities Availed by Student Members**

- Get a chance to participate in Virtual IUCEE Annual Student Forum.
- Funding and support for the community projects.
- Get a Seed funding for Startup Ideas.
- Guidance for community projects by Global Professionals.
- Chance of getting Internships by global professionals. Depending on your performance in community projects of student chapter.
- Participate in Student Leadership Summit conducted by IUCEE each year.
- Attend Global Webinars conducted by IFEEES, GEDC and UMass Lowell- (Entrepreneurship)

 **Activities Planned**

Activities & Events to be conducted by the IUCEE & EWB India Student Chapter – Sree Vidyanikethan Engineering College in 2021 Q1:

- Virtual IASF 2021 (8-10 January 2021)
- Start inviting proposals for Startups.
- Guest Speech – IUCEE Professional Network (January) (A set of guest speakers each month)
- IUCEE Virtual Student Hackathon in February.
- Conduct a general meeting after hackathon to finalize the list of projects to be undertaken for the rest of the year. (February).
- Invite Proposals for Community Projects finalised under IUCEE student hackathon. (March)
- Conduct workshops on Design thinking and Entrepreneurship in association with IRD Innovation Cell and Entrepreneurship Development Cell of our College. (April)

Institute Innovation Council Note by Dr. N. Padmaja, Professor, Department of ECE

Students Clubs

Various Students Clubs are established for encouraging and motivating the students to learn in a team based and collaborative environment to acquire life skills.

- Idea Club
- Readers Club
- APP development club
- Coding Club
- Web development club
- Robotics Club
- Gaming Club
- Campus Radio
- Arts & Literary Club
- NSS & Army Green

Objectives

Centre for Innovation & Technology Incubation

- To conduct various innovation and entrepreneurship awareness Camps to inculcate a culture of innovation driven entrepreneurship
- Organize Hackathons, idea competition, mini-challenges etc. with the involvement of industries
- To motivate, support and mentor students for identification and development of their innovative ideas.
- Network with peers and national entrepreneurship development organizations.
- Provide services, information and guidance to budding entrepreneurs.
- Establishment of entrepreneurship Incubation centers

Chief Guest- Dr. Krishna Vedula
(Executive Director, IUCEE and Dean Emeritus, University of Massachusetts Lowell)
Profile:

Krishna Vedula is Professor of Chemical Engineering and Dean Emeritus, Francis College of Engineering, University of Massachusetts Lowell. Dr. Vedula has B.Tech (IIT Bombay, 1967), M.S. (Drexel University, 1969) and Ph.D. (Michigan Tech University, 1980) degrees in Materials Engineering. He has 30 years academic teaching and research experience in materials science and engineering as well as engineering administration, at Case Western Reserve University, Iowa State University and University of Massachusetts Lowell.

Dr. Vedula is currently founder and executive director of the Indo-Universal Collaboration for Engineering Education (IUCEE) facilitated initially by American Society for Engineering Education (ASEE). IUCEE has the objective of improving quality and global relevance of engineering education in India and US. He has also been the President of IFEEES (International Federation for Engineering Societies) from 2010 to 2012.

Dr. Vedula is well recognized globally for his contributions to engineering education, research, administration and outreach. He is internationally recognized for his research in processing and properties of materials for high temperature applications. He has been made a Fellow of American Society for Metals (ASM) and a Fellow of the American Society for Engineering Education (ASEE).

Dr. Krishna Vedula Addressing the Students about "Transforming Engineering Education in India"

Transforming Engineering Education in India

National Board of Accreditation (India)
Graduate Attributes (Learning Outcomes)

- 1) A Knowledge base for engineering
- 2) Problem analysis
- 3) Investigation
- 4) Design
- 5) Use of engineering tools
- 6) Individual and teamwork
- 7) Communication skills
- 8) Professionalism
- 9) Impact of engineering on society and the environment
- 10) Ethics and equity
- 11) Economics and project management
- 12) Life-long learning

Guest of Honour - Ms. Sampada Pachaury
(Founder at Sharpness Simplified and Director - IUCEE)
Profile:

Sampada Pachaury is currently serving as a Director and Global Industry Advisory Member with IUCEE Foundation. Her primary focus is on empowering students to grow in their domains and bring out their best in their performance.

She is a Post Graduate in VLSI Design from IIT Delhi. She has worked with STMicroelectronics India and Italy, Micron Technology Inc. USA, and Sankalp Semiconductors (now HCL technologies). She served as Vice President at Electronics Sector Skills Council of India to lead technical training & industry skill development of engineering students.

She is also a fitness and sports enthusiast and an amateur long-distance endurance cyclist riding across cities and mountains.

Ms. Sampada Pachaury Addressing the Students about "Skills that Matter"

"GENDER SENSITIZATION & WOMEN EMPOWERMENT- AN INTERNATIONAL WEBINAR"

**Under IEEE WIE Affinity Group and Women Empowerment Cell
(12-11-2020)**

REPORT

An International Webinar on "**GENDER SENSITIZATION & WOMEN EMPOWERMENT**" was organized under IEEE WIE Affinity Group and Women Empowerment Cell by Department of Electrical and Electronics Engineering, Sree Vidyanikethan Engineering College, Tirupati for the faculties.

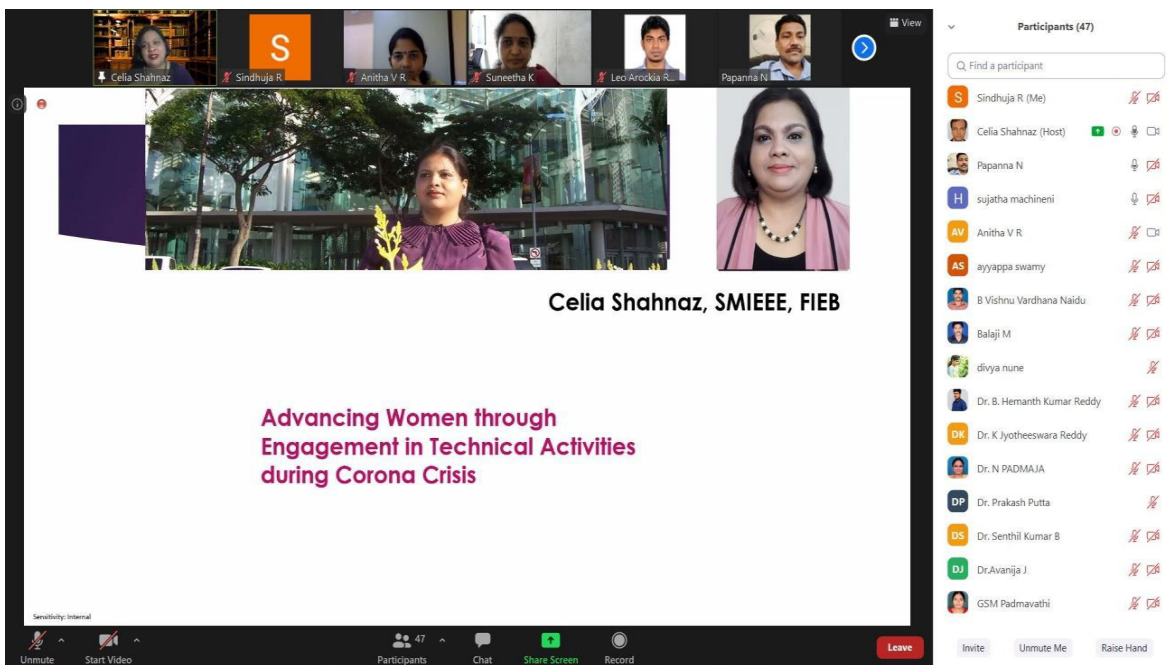

The Speaker of the session was **Prof. Dr. Celia Shahnaz, Ph.D. SMIEEE, FIEB** - Professor, Department of EEE, BUET, Dhaka, Bangladesh. She is the Chair IEEE Bangladesh Section and Candidate for 2021-22 IEEE Region 10 Director-Elect/Delegate-Elect. I dedicate my gratitude towards the speaker for creating such a platform in this COVID pandemic period to care about our carrier. This informative live session had captivated the faculty's interest towards research.

Gender equality will be achieved only when women and men enjoy the same opportunities, rights and obligations in all spheres of life. This means sharing equally, power and influence, and having equal opportunities in economic and social spheres. Equal claim on education and career prospects will enable women to realize their personal ambitions. Gender equality demands the empowerment of women, with a focus on identifying and redressing power imbalances and giving women more autonomy to manage their own lives. When women are empowered, the whole family benefit, thus benefiting the society as a whole and these benefits often have a ripple effect on future generations.

Objectives of the program:

- To know the Gender Equality and Share of women in economic participation and opportunity.
- To Identify the Gender Equality and Women accessibility to resources.
- To examine the Gender Equality and Women Empowerment in the field of Research.
- Inculcate a sense of confidence, pride and honor.

The speaker gave wonderful lecture and received huge response from the audience. As expected this session empowered the women and gave confidence to carry out research in a better way. Totally the session was very informative and impressive. Eighty participants got exceedingly benefited from this session.

Online Lecture on
"SIR M VISVESVARAYA - A LEGENDARY"
15th September 2020

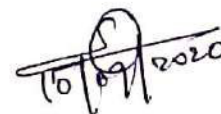

The Department of Civil Engineering of Sree Vidyanikethan Engineering College has organized an Online Lecture on **"SIR M VISVESVARAYA - A LEGENDARY"** for B.Tech. CE Students under ASCE SVEC Student Chapter on **15th September 2020**. The objective of the program is to share the knowledge and experiences of about Bharat Ratna Sir M. Visvesvaraya to the students in the field of civil engineering. This program is helpful for the students to understand the importance of values and ethics apart from the knowledge in civil engineering and making them.

Dr. O. Eswara Reddy, Faculty Advisor - ASCE SVEC Student Chapter, Professor, HoD and Chairman - BOS, Department of Civil Engineering, SVEC delivered an online Lecture on "Sir M Visvesvaraya - A Legendary" as a part of the Engineers day celebrations program. He explained the complete auto biography of Sir MV and his major contributions to the nation and the world.

A total of **80 students** from II, III and IV B.Tech. Civil Engineering II Semester and **15 faculty members** from the department were participated in the session of online Lecture through Zoom Platform. Office bearers of ASCE SVEC Student Chapter were the organizers of this program.

On the whole, the event was proved successful. Online Lecture is a way of enriching our students with the knowledge and experiences of about Sir M Visvesvaraya.

The photographs of the session of the program are as follows.

Department: CIVIL ENGINEERING | Date: 01st August 2020

Expert Lecture on “Role of Women in Civil Engineering” 01st August 2020

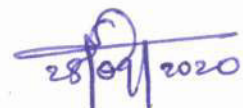

The Department of Civil Engineering of Sree Vidyanikethan Engineering College has organized an Expert Lecture on “**Role of Women in Civil Engineering**” under Women Empowerment and Gender Equity on **01st August 2020** from **11:00 A.M to 12:00 Noon** for the benefit of all Civil Engineering Girl Students.

The resource person was **Dr. Neelima Sathyam, Associate Professor and Head**, Department of Civil Engineering, Indian Institute of Technology, Indore, India.

The program session was conducted through **Zoom Platform**; Expert shared her vast experience and various opportunities available for Female Students in Civil Engineering domain and motivated how they have to be competent enough to rise high and grab opportunities in this field. A total of 86 girl students and 4 faculty members were participated in the program.

Dr. Neelima Sathyam explained the real time examples that she has faced being a female in detail. Further, she emphasized that there is no gender inequality and women are equally competent enough to perform all the roles in Civil Engineering. She also discussed the factors that are influencing women both in education as well as in workforce. She also added that more girls have to be recruited as students, faculty and mentors. She also discussed about various career choices available for girls in the field of Civil Engineering. Finally, this lecture also highlighted various scholarships available like UDAAN, MEXT and Sastri Indo Canadian Institute for the benefit of young girl students.

Dr. O. Eswara Reddy, Professor, HoD and BOS Chairman, Department of Civil Engineering, SVEC; Convener of the Event and Ms. N. Swetha, Assistant Professor and Coordinator graced the occasion. On the whole, the event was very successful and also there was a huge participation of students and also professionals from other states.

Dr. O. ESWARA REDDY
Professor, HoD and BOS Chairman
Convener of the Event

The screenshot shows a Zoom meeting interface with a PowerPoint slide titled "Complexity in Soil". The slide lists various properties of soil:

- Porous
- Polyphasic
- Permeable
- Particulate
- Heterogeneous
- Anisotropic
- Non-Linear
- Pressure Level Dependent
- Strain Level Dependent
- Strain Rate Dependent
- Temperature Dependent
- Undergoes volume change in shear

On the right side of the slide, it says: "Yet, Interesting, Colorful, Sensitive, Possesses Memory, Changes its properties with time". The Zoom interface shows a list of participants on the right, including Neelima Satyam, Prof. Eswara Reddy, anantha academy, VIJAYA KUMA..., praveena devi, Raga sravani, abhishek kumar, Bhuvaneshwari, Madhuri Komer..., Subhasmita Mis..., and Yamuna Annam...

Dr. Neelima Satyam, Associate Professor and HoD, Department of Civil Engineering, IIT Indore explaining the Similarities of a Women and Soil with regard to Complexity

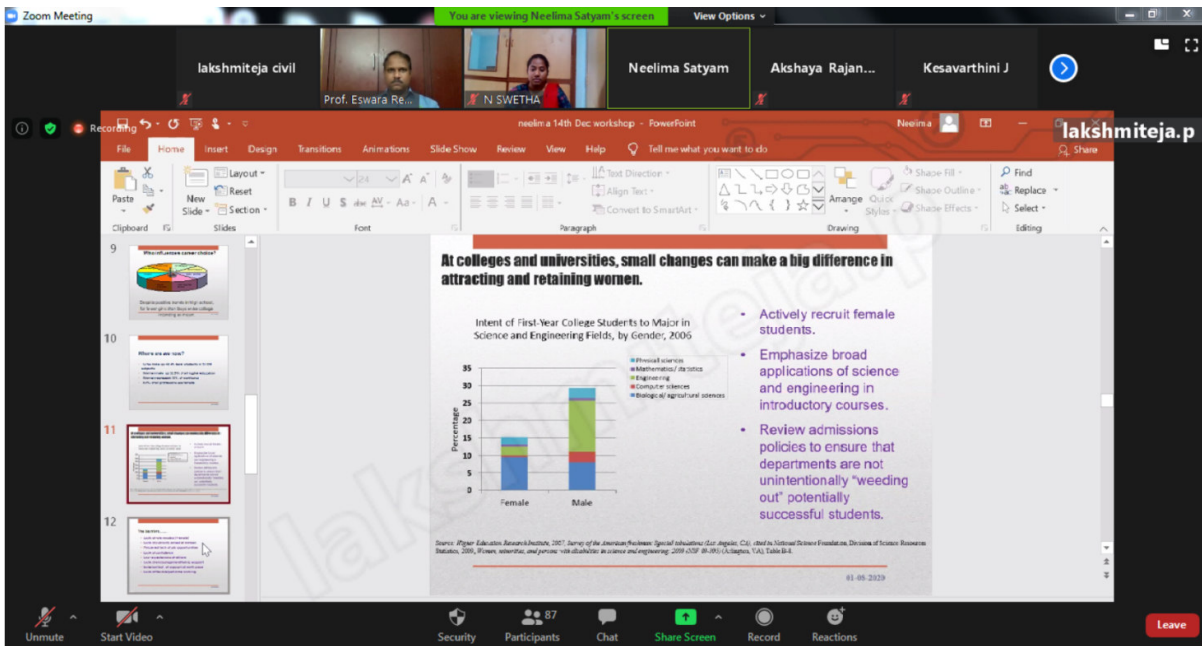

The screenshot shows a Zoom meeting interface with a PowerPoint slide titled "Who influences career choice?". The slide features a circular diagram with segments representing different influences:

- National Policy
- Self Stereotyping
- Careers Professionals
- Schools, Universities
- Family, Friends, Peers and Neighbors
- Professional Institutions, Mentors, Trainers
- Employers
- Education & Training

Below the diagram, the text reads: "Despite positive trends in high school, far fewer girls than boys enter college intending to major." The Zoom interface shows a list of participants on the right, including Neelima Satyam, Prof. Eswara Reddy, Kesavarthini J, Vinitha Ramesh, Shiza Hussain..., keerthi, Pavadharani 17..., K Dharani, Ankita K, vishnu preetha, POOJA JAYAKRI..., and Kavi Kannan.

Dr. Neelima Satyam, Associate Professor and HoD, Department of Civil Engineering, IIT Indore guiding about Career Choices

Dr. Neelima Satyam, Associate Professor and HoD, Department of Civil Engineering, IIT Indore explaining the Need to Attract Female Students to Colleges and Universities

Dr. O. Eswara Reddy, Professor, HoD and BOS Chairman, Department of Civil Engineering, SVEC; Convener of the Event concluding the Session

Ms. N. Swetha, Assistant Professor, Department of Civil Engineering and Coordinator of the Event presenting the Vote of Thanks
