Sensitization on GATE for ME & PI

A Sensitization Program on "GATE for ME & PI" was organized by the Department of Mechanical Engineering, Sree Vidyanikethan Engineering College, Tirupati, in collaboration with Sunrise GATE Academy on 22nd September 2021 in Mechanical Engineering Department. The resource person was Mr. D.Gurrappa, Faculty, Sunrise GATE Academy, Kurnool and the program was conducted for III B.Tech Students to enhance the awareness on GATE (Mechanical Engineering & Production Engineering). Accordingly the resource person discussed the different challenges faced by the students in writing GATE. Also, he emphasized the importance of PI paper in GATE to get the maximum score and to get admission in the reputed institutions. Opportunities and challenges in selecting GATE ME and GATE PI were discussed in detail.

Few students interacted with the resource person and clarified their doubts.
