Expert Lecture on
"Industry Expectations from Graduates"

The Department of Computer Science and Engineering, Sree Vidyanikethan Engineering College organized a Guest Lecture for III Year B.Tech. CSE Students on 25th September, 2021.

The core idea of the programme was to educate the students about the expectations of the industry from graduates. A total of 67 III Year B.Tech. CSE students attended the programme and got benefited. Mr.Hitesh Sai Vittal, Research Engineer, HyndaiMobis, Hyderabad was the resource person for the session. Dr. J. Avanija, Associate Professor, Department of CSE, introduced the resource person and briefed about the skills required from graduates to cater the needs of industry.

Mr.Hitesh Sai Vittal elaborated his experience as a student of Sree Vidyanikethan Engineering College, which gave him confidence to face the real world outside the campus. The session was continued on the title "Industry Expectations from Graduates". He enumerated various tips for facing interviews in corporate world such as Communication Skills, Knowledge Beyond the Textbooks, Ability to Lead, Positive Approach and getting Updated with recent trends and development in Technology. He also emphasized that the importance of personal management, time management, punctuality, dress code as professionals, which all would add up on their reputation and performance evaluation sheets, that most reputable corporate are keen upon. The lecture was followed by a question-answer session.

Outcomes of the Programme:

- The participants gained knowledge about the skill set required to cater the needs of industry.
- The Students also acquired skills about the expectations of reputable corporate.

Mr. Hitesh Sai Vittal delivering session on "Industry Expectations from Graduates"
