Report on Young Caliber for the Academic Year 2017-18

Whatever we do, learn from the college, it is ultimately for the betterment of the society. Giving back to the society is something that every student must learn. "Young caliber", a student social service initiative focuses on this aspect. This year, as a part of Young Caliber, students of II and III and IV year B.Tech had a visit to "Mathrusya", an orphanage ,with the main intention of providing moral support to them.

"MATHRUSYA"- School for Abandoned children and mentally challenged people is located near Avilala, Tirupatl. It was a orphanage home started with the motto of adopting the street orphan children and joining them into a school. The founder of the orphanage is Mrs Sreedevi and all the children call her as Amma. She has almost kept her money into the orphanage and now It is being run by her son surya. Almost 55 orphans are there.

The team young caliber has spent a quality time with the students and asked the needs for the Orphanage. The children spoke very well with the team and almost played

for 5 Hours. Almost 95 people attended the event and the children were totally engaged
