A Detailed Report on-

NSS UNIT , Sree Vidyanikethan Engineering college and Women's Grievance cell in association with JVV Chittoor District, A.P, celebrated International Women's Day on 8th March 2019.

The programme began with Dr. V.R. Anitha, Convenor, Women Empowerment Cell highlighting the importance of the Women's Day and a few women who excelled in their careers.

The Chief Guest, Dr. Swarajya Lakshmi, Retired Principal, SPW Degree College, Tirupati said that she had visited the institution many a time and appreciated the development of the institution over the years to autonomous status. She even wished that the institution should grow further. She also exemplified the facts about the position of women in their personal and professional lives.

Guest of Honour, Dr. R. Varalakshmi, Professor, Department of Home Science, Sri Padmavathi Mahila University, Tirupati, addressing the gathering

Dr. P. C. Krishnamachary, Principal, SVEC, while speaking about the theme 'Think Equal, Build Smart, and Innovate for Change' stated that women should think equally on par with men, build their career smart and try to innovate for change. He also stated that the innovative ways could progress gender equality and the empowerment of women, mostly in the areas of social protection systems, access to public services and sustainable infrastructure. He expressed that women should speak with one voice, be accountable for all the actions and work with solidarity and strength. He stated that women faculty and staff of Sree Vidyanikethan are so fortunate to be a part of it and felt pride that Sree Vidyanikethan Educational Institutions recruited women and designate key positions equally with men as a gesture of respect.

He also stated the importance of women quoting two words 'women' and 'she' as these words have men and he in them, in other words without women, there are no men. Deans and Heads of the Departments graced the occasion.

The team visited all the adopted villages for conducting preliminary village survey in order to identify their needs and to report the same to UBA.2.0.

Details of Visit:

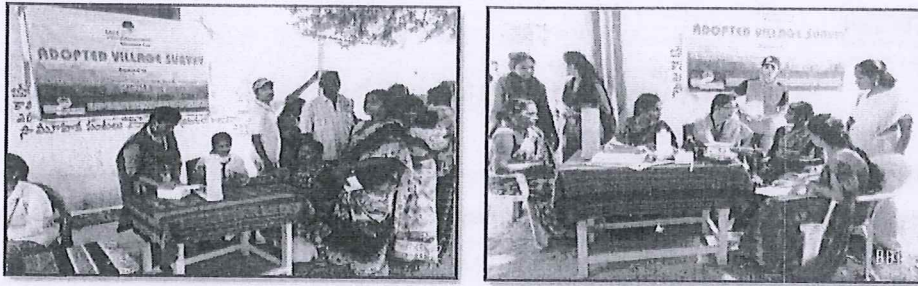

UBA 2.0 and CRD organized the Village survey programme from 7th - 11th January 2019. Survey was done by students lead by NSS volunteers team. Around 180 students divided by teams visited villages and conducted survey as per the requirements of UBA 2.0.

Students interacting with villagers

Unnat bharat abhiyaan 2.0 in collaboration with, Center for Rural Development of Sree Vidyanikethan Educational Trust organized survey and health checkup programme at **Kotala Panchayat** and **pullaiah garipalli Panchayat** and **allied Habitats**. Students Made a survey regarding facilities available in village, grama panchayat school and health issues faced by the women, children, pregnant and lactating mothers along with the geriatric assessment. Minor ailments were identified and medicines distributed to the needful. The team covered 120 houses in Kotala village and 70 houses in Pandurangaiahgari palli.

During house to house survey, the students performed health assessment which included checking height, weight, BMI, Blood pressure, Blood sugar, Hemoglobin examination, blood grouping to the people.

Students and faculty assisting the Health Camp

Principal, Sree Vidyanikethan college of Nursing also visited the camp and gave guidance to the students regarding antenatal assessment and nutritional assessment for under five and women in the reproductive age group.

Students with help of pharmacy graduates conducted Hemoglobin examination & Blood grouping to the all adolescent girls in school and for the antenatal mothers in the camp.

Students demonstrated the ORS preparation, Hand washing techniques and health education given on prevention of vector borne diseases and environmental sanitation and personal hygiene.

The team identified the common health related problems prevailing in these villages:

1. Poor personal hygiene includes wearing dirty clothes, not taking regular bath, poor hand washing practices.
2. Osteoarthritis-50
3. Hypertension-32
4. Diabetes mellitus-18
5. Urinary tract infection-7
6. Bronchial asthma-4

AWARENESS ON DIGITAL LITERACY

Organising unit/agency/collaborating agency : Electronics and Instrumentation Engineering in collaborating with NSS unit.

No of Students/volunteers Participated : 15

No of Faculty Coordinators involved : 02

Name of the Scheme

Objective of the program: is that every individual in NSS has to be educated about the activities that are going to happen around the AY 2018-19. In this connection, EIE department organized an outreach activity in association with NSS unit at Government Junior college (Boys), Chandragiri.

The outreach program was conducted on 09.01.2019 from 10.00AM to 12.00 AM at Government Junior college (Boys), Chandragiri. N.P.Dharani, NSS coordinator, N.Harathi, Faculty Advisor and fellow members were present for the program. A total of 50 students from the junior college were attended the program and got benefited.

The moto of organizing this kind of event is to create awareness on money management, banking methods, and mobile banking. Our students shared about various central government schemes like Pradhanamanthri Jandhan Yojana, Sukanya Samvrudhi Yojana, Jeevana Jyothi, and Suraksha Bheema Yojana. Students also suggested the beneficiaries to bring awareness among their parents and rural people about these schemes, so that they get benefited.

AWARENESS ON MENTAL HEALTH

Organising unit/agency/collaborating agency : Electronics and Instrumentation Engineering in collaborating with NSS unit

No of Students Participated : 15

No of Faculty Coordinators involved : 02

Name of the Scheme

Objective of the program: The main objective of organizing the event is that to create awareness on instrumentation engineering course to the fellow students in the girls' junior college. In this regard, department of EIE organized an outreach program through department association (AIM) in collaboration with NSS unit on 09.01.2019 from 02.30 PM to 05.00 PM at Government Junior college (Girls), Chandragiri. Students from EIE department, N.Harathi, Faculty Advisor and N.P.Dharani, NSS coordinator were present for the program.

The objective of the program is to educate the students in junior college on what mental illness means, how to prevent it, and to remove the stigma about it. Now-a-days, due to stress and pressure, most of the people were under mental disturbance/stress. NSS coordinator shared how mental health problems can affect many areas of students' lives, reducing their quality of life, academic achievement, physical health, student's energy level, concentration, dependability, mental ability, and optimism, hindering performance etc.

Our student Ms.K.Sangeetha sharing about the causes of mental illness to the gathering.
