Plantation Drive-One Student One Tree

Organising unit/agency/collaborating agency	NSS UNIT, Sree Vidyanikethan Engineering College,A. Rangampet.
No of Students Participated	300
No of Faculty Coordinators involved	10
Name of the Scheme	One Student One Tree initiative by AICTE and JNTUA, Anantapuramu.
Date	15.08.2019
Venue	Zilla parishad high school, Kotala, Chandragiri Mandal.

A Plantation Drive - 'One Student One Tree' initiative by AICTE and JNTUA, Anantapuramu has been successfully completed under the National Service Scheme at Kotala grama panchayat Govt. High School.

Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

Almost 15 varieties of plant saplings including fruit yielding plants has been planted inside and outside the school premises.

NSS DAY & Preventive Health Checkup

Organising unit/agency/collaborating agency	NSS DAY –GOLDEN JUBILEE YEAR In association with JCI(Junior Chamber International) and Thyrocare Labs Pvt.Ltd ,Tirupati.
No of Students/volunteers Participated	200
No of Faculty Coordinators involved	08
Name of the Scheme	NSS DAY
Date	24.09.2019
Venue	DASARI AUDITORIUM, Sree Vidyanikethan Engineering College,A. Rangampet.

National Service Scheme (NSS) was launched on 24th September, 1969. This 24th September it entered in to 50th year of existence and this year is being celebrated as GOLDEN JUBILEE YEAR OF NSS.

We NSS UNIT organized the event in association with **JCI Junior Chamber International, NGO , Tirupati** and **Thyrocare Labs Pvt.Ltd , Tirupati**.

Chief guest and speaker of the function is JCI Sen. G.L. Manohar, Member of Administrative Committee, JCI India, Managing Director, Koundinya Enterprises Pvt. Ltd. (Maruti Exclusive Car Care Service Centre and Driving School), Director AGS Junior College.

A health camp has been conducted exclusively for all 150 volunteers of NSS UNIT. Health check up worth 300 Rs per pax (RBS and TSH) was offered free of cost to the volunteers by the thyrocare labs Pvt.Ltd, Tirupati in association with **JCI Junior chamber International , Tirupati, NGO**.

In Connection with the event we conducted In house spot activities such as essay writing, poster presentation, Debate etc in prior and gave away the prizes and certificate of appreciation for all the winners of respective events by the chief guest of the function.

Also, On this occasion Best volunteers of 2018-19 were elected by their predecessors and given the memento and certificate of appreciation by the chief guest:

Best Volunteer (Male) : Mr.Dwaraka Pranav.B, 16121A0315, IV.B.Tech, Dept of ME.
Best Volunteer (Female) : Ms.Pavani.V, 16121A02L4, IV.B.Tech, Dept of EEE.

A guest lecture 'LIFE SKILLS FOR ENGINEERING STUDENTS' was given by the chief guest Mr.Manohar Garu. One of the student volunteer said- she was motivated and felt the lecture has opened new perspective on the life after the professional education especially engineering..

Finally, On this occasion we Affixed a superscription "GOLEDEN JUBILEE YEAR OF NSS (2019-20) - 50 YEARS IN NATIONAL SERVICE" in banner / activity display for the activity conducted.

International Women's Day

Organising unit/agency/collaborating agency	NSS UNIT & WEC, Sree Vidyanikethan Engineering College, Tirupati.
No of Students Participated	350
No of Faculty Coordinators involved	10
Name of the Scheme	-
Date	08.03.2020
Venue	Dasari Auditorium, Sree Vidyanikethan Engineering College.

Sree Vidyanikethan Educational Institutions celebrated *International Women's Day* on 8th March 2020. Dr. V.R. Anitha, Convenor, Women Empowerment Cell, began the programme explaining the origin and aim of the International Women's Day, and theme of the International Women's Day-2020. She also gave a brief account on the events held in connection with the celebrations of International Women's Day.

The Hon'ble Chairman and Chief Guest, Dr. M. Mohan Babu while addressing the gathering asserted that behind every successful man, is a woman. We should love, encourage, respect, support and inspire every woman. He also expressed his disappointment about the issues of woman in the society. He expressed his reverence for women. The chairman advised everyone to educate girls and women of all ages to defend themselves. He concluded his speech blessing women; "May every woman live with peace, health and wealth."

The Guest of Honour Mrs. Sasi Bindu, Managing Director, Ravands, IWN Member Cell, Tirupati said that she was using the platform of the occasion to focus on positive shades of the society. She asserted that the gathering of women for the celebration itself shows that they are on their half-way of their empowerment. She highlighted that women had already won the equality and they have to understand how to sustain it in the society. She enlightened the women that rights have to be used as tools not as weapons against the opposite gender or the society. Being an empowered woman, she should have four responsibilities; *as an Individual, as a part of family, as a professional and as a citizen*. "A woman is naturally empowered if she balances all the four" she added. She also suggested that employers should recruit women and designate key positions equally with men as a gesture of gender equality.

Dr. P. C. Krishnamachary, Principal, SVEC, while emphasizing the theme of the Women's Day asserted that equality would bring people of every gender, age, race, religion and country together to drive actions that would create the gender-equal world. He wished that women should be well versed with the technology and innovation on par with men. He concluded his speech saying that women should speak with one voice, and work with solidarity and strength.

Prof. B. Mohan, Director, SVIM, stated that respect for women should start at home. He also highlighted that there has been a tremendous increase of women in Higher Education.

Later, Dr. B. Anuradha, Principal, SVCN, stated that women should be aware of various schemes and opportunities prevalent for them in the society in order to be empowered.

“Working women are more stressed than men as they have to balance work and family life. Men should support and empower them socially, physically and emotionally” she added.

Finally, Dr. Anna Balaji, Principal, SVCP highlighted the strength of women illustrating the power of Goddess Lakshmi, as Minister of Finance, Goddess Saraswathi as Minister of Education and Goddess Parvathi, as Minister of Defence. While sharing his personal and professional experiences, he said that he was motivated and encouraged by many women throughout his life.

Mr. Ravi Shekar, Director (F&A), Deans, Heads of the Institutions, Heads of the Departments and Members of faculty graced the occasion. The events Dumb Charades for men and women faculty, Instant Cooking for faculty and students, Guess Handbag Items for men faculty and staff, Best from Waste for women faculty, staff and students and Comic Show for students were conducted. In Best from Waste, the participants showcased their talent, creativity and innovation and made the event colourful. The winners of the events were given prizes.

Events

In connection with the celebrations of International women’s Day, Women Empowerment Cell of Sree Vidyanikethan Engineering College conducted events for members of faculty and students.

To begin with, Dumb Charades, Guess Handbag Items and Instant Cooking were conducted for men faculty and staff, on 4th& 5th March 2020 respectively. Men faculty participated in the events enthusiastically and interestingly on par with women faculty. Eventually, Dumb Charades, on 29th February 2020, Instant Cooking on 5th March 2020 and Best from Waste on 6th March 2020 were conducted for Women faculty and Staff. Students were also encouraged to participate in Instant Cooking, and Comic Show. In Best from Waste, the participants showcased their talent, creativity and innovation and made the event colourful. The winners of the events were given prizes.

Empowering girl students to fight back against crime has been the call of the day. In this modern era, violence against girl students has been very common in every street of both rural and urban setting. Small kids, girls and even women members are feeling insecure the moment they are out of their homes for any purpose for that matters. It is very important for every girl and woman to get prepared mentally and physically well equipped with required skills and techniques to defend oneself from any kind of antisocial element prevailing in the society today.

Dr.V.R.Anitha, Women Empowerment Cell Coordinator addressing gathering during the inauguration of the event.

The paradox of self-defense is that the more prepared you are, the less likely you are to need it. The main objectives of the programme was

- To enable them to defend against any type of physical assault.
- To build self-confidence so that they can contribute meaningfully to their own development shape their own destiny and capacity enhancement through Self-defense training.
- To equip the girls with self-skills, so that they can avert any kind of awkward situation at the first instances.
- To spread a message to the violence-maker that girls are being ready for counter and awareness is being developed among the girls in this regard.
- To empower the girl students in all aspects

SREE VIDYANIKETHAN ENGINEERING COLLEGE

(AUTONOMOUS)

Sree Sainath Nagar, Tirupati - 517102

Here are five benefits associated with taking women's self-defence classes:

Self-defence helps you to stay safe. Ideally, you hope that you can avoid the kind of trouble that would require you to defend yourself. But we never know when we might be attacked. Understanding self-defense enables you to defend yourself and your family when it matters, and to reduce the risk of serious harm. However, self- defense isn't about teaching you how to engage in a fight with your attacker. Instead, it teaches you how to disable your attacker quickly and then take advantage of the situation to get away safely.

Self-defence improves your self-confidence. Once you've mastered the key skills and techniques required for effective self-defense, you'll have a higher sense of self-worth from this achievement that will improve your confidence and self-esteem. Self-defense teaches you to have a greater awareness of your surroundings, so you feel empowered to defend yourself in any situation.

Awareness drive on 'Solid Waste Management'	
Organising unit/agency/collaborating agency	UBA 2.0 Unnat Bharath Abhiyaan
No of Students Participated	250
No of Faculty Coordinators involved	3
Name of the Scheme	UBA 2.0
Date	05.08.19 to 10.08.19
Venue	Kotala, Chandragiri Mandal

A Detailed Report :

CRD organized Solid Waste Management programme from 05.08.19 to 10.08.19 in all the adopted villages. Volunteers from NSS and students from institute of management actively participated in the campaign. The villagers have been educated on the disposal of waste and provided information on waste management techniques.

Observation:

It was observed that all the adopted villages have solid waste management pits, but a proper waste collection and management is not done in all these villages. Villagers dump the waste to nearby pits. The workers assigned for waste collection discontinued, as they were not paid wages.

Report on Help the Homeless (Visit to Mathrusya)

"The life of a man consists not in seeing visions and in dreaming dreams, but in active charity and in willing service", A quote by Henry Wadsworth Longfellow.

Whatever we do, learn from the college, it is ultimately for the betterment of the society. Giving back to the society is something that every student must learn. In this process, "**Young caliber**", an ACME club, a students' social service initiative of ECE of Sree Vidyanikethan Engineering College was started in December 2012. The objective of this club was to inculcate the attitude of serving the society.

This year, as a part of Young Caliber, students of II, III and IV B.Tech. had visited to "**Mathrusya**", an orphanage, with the main intention of providing moral support to them. "MATHRUSYA" – School for Abandoned children and mentally challenged people is located near Avilala, Tirupati. It was an orphanage home started with the motto of adopting the street orphan children and joining them into a school. The founder of the orphanage is Mrs Sreedevi and all the children call her as Amma. She has almost kept her money into the orphanage and now it is being run by her son Surya. Almost 130 People are there out of which 100 are children aging from 2-15 Years and 30 Old People.

A total of 100 Students of II, III, IV years of Department of ECE. They have spent the quality time with the students there and they played with them. They also donated money for a special lunch for the children. They have also distributed chocolates and Cake among the children. They have also given 200 Kg of Rice to the orphanage for their regular utilization. The students were quite happy to have spent their quality time with the students.

"Career and Skill Development"

Organising unit/agency/collaborating agency : NSS UNIT in collaboration with -

CETA

No of Students Participated : 142

No of Faculty Coordinators involved : 02

Name of the Scheme : NSS

Objective of the program: Conducted outreach activity in nearby schools that are in and around of Tirupati and Sree Vidyanikethan Engineering College in order to give awareness on Career and Skill development.

Organized activity Through CETA along with NSS on 26th Jun-2018.

Outreach Program is organized at the following schools:

1. Zilla parishad High school, A. Rangampet.
2. Zilla parishad High school, Tiruchanoor.
3. Zilla parishad High school, Kotala.
4. Municipal Corporation High School, Tirupati

The Outreach program committee explained to the students about "**Career and Skill Development**" in Z.P.High School, A. Rangampet, Z.P. High School, Kotala. The committee discussed about "**Career Guidance Program**" for 10th class students in Z.P. High School, Tiruchanoor and M.C. High School, Tirupati.

Student volunteers giving awareness on Career and Skill Development During the AY 2019-20.

Student volunteers giving awareness on Career Guidance program for SSC students during the AY 2019-20.

Activity Outcomes:

1. Students obtained exposure to their Career and Personality Development.
2. Students will be able to apply the skills learnt during the outreach activity in their real life as they relate to exploring career options.

No of Students Participated : 100

No of Faculty Coordinators involved : 03

The NSS Unit of Sree Vidyanikethan Engineering College in collaboration with department of Electronics and Instrumentation Engineering has organized an awareness camp on "Health care Instruments" at Kotala Village, A. Rangampet

The outreach program was conducted on 19.10.2019 from 10.30 AM to 03.00 PM at Kotala Village. AIM(Association of Instrumentation Majors) President k.Sangeetha along with forty student members, Dr. Y.Dileep Kumar, Associate Professor, NSS coordinator Ms.N.P.Dharani, Assistant Professor and Mr. K.Rohith, Assistant Professor were present for the program.

Our team is measuring the blood pressure to a village person.

**SREE VIDYANIKETHAN ENGINEERING COLLEGE
(AUTONOMOUS)
Sree Sainath Nagar, Tirupati - 517102**

The importance of Health care was explained to the Villagers in Kotala and most of the villagers came forward for primary health check-up and our student fellow members did health check-up using our health care instruments. The aim of organizing the primary Health check up to know the importance of Health issues and utilization of instruments in medical field.

The main Objectives of the program are

- To develop health consciousness in the village.
- To improve patient safety and quality of care.
- To provide a healthful environment for physical and mental growth.
- To instruct the children and youth so as to conserve and improve their own health.
- To influence the parents and other adults through the health care instruments programme for better Diagnosis.

Outreach Activity – An Awareness Program on “Role of Civil Engineering in Societal Development” at Govt. Junior college (Girls), Chandragiri

Organising unit/agency/collaborating agency : ASCE SVEC Student Chapter in collaboration with NSS UNIT, Sree Vidyanikethan Engineering College

No of Students/volunteers Participated : 84

No of Faculty Coordinators involved : 05

The Department of Civil Engineering has organized an **Outreach Activity i.e., An Awareness Program on “Role of Civil Engineering in Societal Development”** at **Govt. Junior College (Girls), Chandragiri, Chittoor District, Andhra Pradesh, India** on **31st December 2019 i.e. 11.30 A.M to 12.30 P.M.** The objective of the program is to motivate, create awareness and impart knowledge among the Intermediate (M.P.C.) second year students.

Dr. O. Eswara Reddy, Professor, HoD and BOS Chairman, Department of Civil Engineering, SVEC and Convener of the Program and other faculty members of civil department graced the occasion.

Faculty and Students explained about the importance of Role of Civil Engineering in Societal Development to the Intermediate (M.P.C.) second year students through Power Point Presentations and Videos. At the end of the program, Intermediate students gained the knowledge on Role of Civil Engineering in Societal Development and its benefits to the society.

On the whole, the event proved successful. Community service is to work for free to help/benefit the public/community. Community service can have a lot of positive effects on students, such as helping them to develop skills, making contacts, and allowing them to improve the quality of life of others. The students can develop an attitude of giving something to society. Also, it creates realization in the budding engineers to innovate and work for society.

Outreach Activity – A Program on "Save the Mother Earth by avoiding Soil Pollution" at Kuchivaripalli Village, Chandagiri Mandal

Organising unit/agency/collaborating agency : IGS SVEC Student Chapter in collaboration with NSS UNIT, Sree Vidyanikethan Engineering College

No of Students/volunteers Participated : 80

No of Faculty Coordinators involved : 05

The Department of Civil Engineering, SreeVidyanikethan Engineering College, A. Rangampet have conducted an awareness program on soil pollution and its remedies in the name of "Save the Mother Earth by Avoiding Soil Pollution", at Kuchivaripalli Village, Chandagiri Mandal on 4th October 2019, from 2.30 pm to 5pm.

Chief Guest, Dr. O. Eswara Reddy, Professor, Head and BOS Chairman, Department of Civil Engineering explained about the soil pollution problems, causes and its remedial measures. Further, he emphasized how concrete pavements, chemical fertilizers and cutting of trees in the village will cause the depletion of groundwater and soil health. The polluted soils will yield agriculture production which is highly health hazardous. He discussed about various ways and means to avoid soil pollution to save the mother earth.

Faculty and students from the college interacted with the villagers and explained them to ban chemical fertilizers, single use plastic items, improper drainage disposal, industrial waste and explained about various methods of organic farming through posters and pamphlets.

A total of 80 students, 5 No. of Faculty and 4 No. of Lab Technicians along with 20 No. of Villagers have participated in the program. The event was attended by village elders Mr. R. JayaramVadiyar, Mr. P. Aadikesava Naidu, Ms.S. Kamallamma, Ms. P. Reddemma, Mr. M. VenkataSubba Naidu and other villagers.

On the whole, the event has proved successful. Activities like this help students to develop skills, establish contacts, and allowing them to improve the quality of life of others. The students will develop an attitude of giving something to society. Also, it creates realization in the budding engineers to innovate and work for society.
