Computer Science and Information Technology

*Chintala Sreekar*

(Candidate's Signature)

Performance

Marks out of 100\* **37.00**

Valid from March 17, 2019 to March 16, 2022

Qualifying Marks\*\*

General	OBC (NCL)	SC/ST/PwD
29.5	26.6	19.7

All India Rank in this paper **7823**

GATE Score **433**

Number of Candidates Appeared in this paper **99932**

\* Normalized marks for multi-session papers  
 \*\* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this scorecard

Digital Fingerprint: f1804fc419e69f672e67725dc2c3fbf

*N. J. Vasu*  
 Prof. Nilesh J. Vasu  
 March 17, 2019  
 Organizing Chairman, GATE 2019  
 (on behalf of NCB - GATE, for MHRD)

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,

- $M$  is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard
- $M_q$  is the qualifying marks for general category candidate in the paper
- $M_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
- $S_q = 350$ , is the score assigned to  $M_q$
- $S_t = 900$ , is the score assigned to  $M_t$

In the GATE 2019 score formula,  $M_t$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Digital Fingerprint: 593ce63bc39e092ce8f3a700d7484d40

*N. J. Vasa*  
Prof. Nilesh J. Vasa  
March 17, 2019  
Organizing Chairman, GATE 2019  
(on behalf of NCB - GATE, for MHRD)

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

$M$  is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard

$M_q$  is the qualifying marks for general category candidate in the paper

$\bar{M}_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $\bar{M}_t$

In the GATE 2019 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Prof. Nilesh J. Vasa    March 17, 2019  
Organizing Chairman, GATE 2019  
(on behalf of NCB - GATE, for MHRD)

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_c - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,  
**M** is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard  
**M<sub>q</sub>** is the qualifying marks for general category candidate in the paper  
**M̄<sub>t</sub>** is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)  
**S<sub>c</sub>** = 350, is the score assigned to **M<sub>q</sub>**  
**S<sub>t</sub>** = 900, is the score assigned to **M̄<sub>t</sub>**

In the GATE 2019 score formula, **M<sub>q</sub>** is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Overall Band Score

	Overall	7.5	Good User	The test taker has operational command of the language, though with occasional inaccuracies, inappropriate usage and misunderstandings in some situations. They generally handle complex language well and understand detailed reasoning. Advice to improve your score
--	---------	-----	-----------	---

Test	Score	Your result explained	
Listening	9.0	Test takers at Band 9 can typically follow extended speech involving complex, abstract, and detailed argumentation, as well as predict its further development. They process what they hear automatically and understand main points and details, and speakers' purpose and attitude, and also recognise agreement or disagreement between speakers even when these are implied. They can understand a very wide range of vocabulary, including specialised, technical and academic terminology and idiomatic language.	Not applicable

Reading	7.5	<p>Test takers at Band 7.5 can typically deal with a range of texts you read further. Continue to develop your awareness of how to read different types of texts differently. What features does that particular type of text typically have? How is information structured within and across sentences, on a range of general and specialised topics. They can follow an argument and distinguish between main ideas and supporting details, and are good at understanding attitude, opinion and implication. They are able to do this by using reading strategies such as skimming and scanning, and by synthesizing information and drawing inferences.</p>	<p>At this level, it is important to broaden the range of texts you read further. Continue to develop your awareness of how to read different types of texts differently. What features does that particular type of text typically have? How is information structured and arranged in such texts? Will it require making inferences? Will there be a summary somewhere? Use your knowledge of these and approach the reading task in an appropriate way. Where you want to know the overall argument or specific arguments, try to do this as efficiently as possible. As an exercise, try to find several opinion-based texts on the internet, and then determine the similarities and differences in their opinions and views.</p>

55.86	91.91	36.11	95.92	25.36	87.08	117.33	94.18

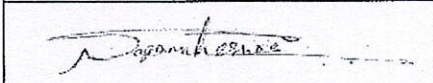

- Instructions:**
- Only those candidates who have taken the Common Admission Test (CAT 2018) are entitled to receive the score card. Keep a print-out of this score card for your information pertaining to CAT 2018. You will not receive the score card by email or by post.
  - The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections.
  - Percentile refers to the percentage of candidates who receive score less than or equal to the score obtained by the candidate.
  - IIMs and Non-IIM member institutions independently decide how to use CAT 2018 scores in line with their own selection process. The scores are to be used only for selecting the candidates to their respective Post Graduate / Fellow Programme in Management.
  - Detection of instances of incorrect information and process violation by a candidate at any stage will lead to disqualification of the candidate. Candidate's score will become null and void and he/she will not be allowed to appear for CAT in future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification and the associated penalties will take place with retrospective effect.
  - All queries regarding post-CAT 2018 selection process must be directed to respective IIMs. CAT Centre will not answer post-CAT related queries.
  - CAT 2018 score is valid only until 31st December 2019 and is subject to the candidate meeting the minimum eligibility marks in the qualifying examination. The score card will be available on [www.iimcat.ac.in](http://www.iimcat.ac.in) till 31st December 2019 to download.
  - Toll free number 1-800-209-0830 will be available till 20th January, 2019 and webmail support [support.cathelpdesk@iimcat.ac.in](mailto:support.cathelpdesk@iimcat.ac.in) will be available till 31st March, 2019 respectively.

- Score card to be downloaded from AIMA website only. Score card will NOT be sent by post or email.
- You must download the score card for future reference and records.

#### Management Aptitude Test and Test Scores

- 1 The Management Aptitude Test (MAT) is designed to measure the aptitude of a candidate for pursuing management education and should be used only for this purpose.
- 2 MAT is administered in five sections-Language Comprehension, Mathematical Skills, Data Analysis & Sufficiency, Intelligence & Critical Reasoning and Indian & Global Environment-each section testing a different ability relevant for management education.
- 3 All MAT administrations necessarily have different questions. Thus one administration may be slightly more difficult or less difficult than another. Scaling has been used to take care of these differences.
- 4 The scaled scores reported are standardised scores for respective sections. These scores are reported on a scale of 0 to 100. Extreme scores (below 15 or above 85) are rare.
- 5 The percentile below column indicates the percentage of candidates in the test who scores below that of the candidate in the section.
- 6 The Composite score is an overall scaled score based on the first four sections of MAT. This is reported on a scale of 199 to 801.
- 7 The percentile below for the Composite Score represents the percentage of candidates whose composite scores are below the candidate's. The composite score has a validity period of one year.
- 8 All scores and percentile below figures are reported after rounding off to the nearest whole number.
- 9 Personal data is as reported by the candidate.

Prof. Nilesh J. Vasa

March 17, 2019

Organizing Chairman, GATE 2019  
 (on behalf of NCB - GATE, for MHRD)

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

$M$  is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard

$M_q$  is the qualifying marks for general category candidate in the paper

$\bar{M}_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $\bar{M}_t$

In the GATE 2019 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

March 17, 2019

Organizing Chairman, GATE 2019  
(on behalf of NCB - GATE, for MHRD)

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

 $M$  is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard $M_q$  is the qualifying marks for general category candidate in the paper $\bar{M}_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions) $S_q = 350$ , is the score assigned to  $M_q$  $S_t = 900$ , is the score assigned to  $\bar{M}_t$ In the GATE 2019 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

March 17, 2019

Organizing Chairman, GATE 2019  
(on behalf of NCB - GATE, for MHRD)

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

$M$  is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard

$M_q$  is the qualifying marks for general category candidate in the paper

$\bar{M}_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $\bar{M}_t$

In the GATE 2019 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Prof. Nilesh J. Vasu

March 17, 2019

Organizing Chairman, GATE 2019  
(on behalf of NCB - GATE, for MHRD)

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

$M$  is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard

$M_q$  is the qualifying marks for general category candidate in the paper

$\bar{M}_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $\bar{M}_t$

In the GATE 2019 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_r - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,  
**M** is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard  
**M<sub>q</sub>** is the qualifying marks for general category candidate in the paper  
**M̄<sub>t</sub>** is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)  
**S<sub>q</sub>** = 350, is the score assigned to **M<sub>q</sub>**  
**S<sub>r</sub>** = 900, is the score assigned to **M̄<sub>t</sub>**

In the GATE 2019 score formula, **M<sub>q</sub>** is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

March 17, 2019

Organizing Chairman, GATE 2019  
(on behalf of NCB - GATE, for MHRD)

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

$M$  is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard

$M_q$  is the qualifying marks for general category candidate in the paper

$\bar{M}_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $\bar{M}_t$

In the GATE 2019 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

**Instructions:**

- Only those candidates who have taken the Common Admission Test (CAT 2018) are entitled to receive the score card. Keep a print-out of the score card for your information pertaining to CAT 2018. You will not receive the score card by email or by post.
- The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections.
- Percentile refers to the percentage of candidates who receive score less than or equal to the score obtained by the candidate.
- IIMs and Non-IIM member institutions independently decide how to use CAT 2018 scores in line with their own selection process. The scores are to be used only for selecting the candidates to their respective Post Graduate / Fellow Programme in Management.
- Detection of instances of incorrect information and process violation by a candidate at any stage will lead to disqualification of the candidate. Candidate's score will become null and void and he/she will not be allowed to appear for CAT in future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification and the associated penalties will take place with retrospective effect.
- All queries regarding post-CAT 2018 selection process must be directed to respective IIMs. CAT Centre will not answer post-CAT related queries.
- CAT 2018 score is valid only until 31st December 2019 and is subject to the candidate meeting the minimum eligibility marks in the qualifying examination. The score card will be available on [www.iimcat.ac.in](http://www.iimcat.ac.in) till 31st December 2019 to download.
- Toll free number 1-800-209-0830 will be available till 20th January, 2019 and webmail support [cathelpdesk@iimcat.ac.in](mailto:cathelpdesk@iimcat.ac.in) will be available till 31st March, 2019 respectively.

Prof. B. R. Chahar

Organizing Chairman, GATE 2020  
(on behalf of NCB - GATE, for MHRD)

d890384619b0d788be14a6365bcf0dfa

Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/assistantship. Admitting institutes may conduct further tests or interviews for final selection.

In the GATE 2020, the qualifying marks for a general category candidate in each paper is  $\mu + \sigma$  or 25 marks (out of 100), whichever is greater, where  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for OBC(NCL) and SC/ST/PwD candidates are 90% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where

$M$  is marks (out of 100) obtained by the candidate in the paper

$M_q$  is the qualifying marks for general category candidate in the paper

$\bar{M}_t$  is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $\bar{M}_t$

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalized mark of  $j^{th}$  candidate in the  $i^{th}$  session  $\hat{M}_{ij}$  was computed using the formula

$$\hat{M}_{ij} = \frac{\bar{M}_t^g - M_q^g}{\bar{M}_{it} - M_{iq}} (M_{ij} - M_{iq}) + M_q^g$$

where

$M_{ij}$  is the actual marks obtained by the  $j^{th}$  candidate in  $i^{th}$  session

$\bar{M}_t^g$  is the average marks of the top 0.1% of the candidates considering all sessions

$M_q^g$  is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions

$\bar{M}_{it}$  is the average marks of the top 0.1% of the candidates in the  $i^{th}$  session

$M_{iq}$  is the sum of the mean marks and standard deviation of the  $i^{th}$  session

Graduate Aptitude Test in Engineering (GATE) 2020 was organised by Indian Institute of Technology Delhi on behalf of the National Coordination Board (NCB) - GATE for the Department of Higher Education, Ministry of Human Resources Development (MHRD), Government of India.

Proceedings of the District Collector (Panchayats), Chittoor  
Present: Dr. N. Bharath Gupta, IAS.

Proc. No. C2/2116/VS/DSC/2019

Dated: 16-11-2019.

Sub: Public Servants - Grama Sachivalayams - Chittoor District - Panchayat Secretary Grade VI (Digital Assistant) - Sri / Smt / Kum BANDI GOVARDHAN REDDY - Provisionally selected through District Selection Committee, Chittoor - Allotted to KAMBHAMVARIPALLI 1 Gram Sachivalayam of KAMBHAMVARIPALLE Mandal - Orders issued.

- Read: 1. GO Ms No.110, Pr & RD Dept., (MDL-1), dt.19-07-2019.  
2. GO Ms.No.148, PR & RD (Mdl.II), Dt.27.09.2019.  
3. Chairman, DSC, Chittoor Proc.No. C2/2116/VS/DSC/2019, dt.29.09.2019.

ORDER :-

Sri / Smt / Kum. BANDI GOVARDHAN REDDY S/o...D/o B VENKATA REDDY (Hall Ticket No: 191009024663) has been provisionally selected for the post of Panchayat Secretary Grade.VI (Digital Assistant) in the newly created Gram Sachivalayams and allotted to KAMBHAMVARIPALLI 1 Gram Sachivalayam of KAMBHAMVARIPALLE Mandal, Chittoor District.

The appointment will be governed by the AP State & Sub-ordinate Service Rules and the Andhra Pradesh Panchayat Raj Sub-Ordinate Service Rules, 2010 or any other Special Rules as applicable and amended from time to time. The individual will be placed on probation for a period of 2 (TWO) years from the date of joining. During the period of probation the individual will be paid consolidated pay of Rs.15,000/- per month. After successful completion of the probation period the individual will be placed in the Time Scale of pay of Rs.14,600 - Rs.44,870 in the Revised Pay Scale - 2015.

The individual is directed to report for duty as Panchayat Secretary Grade.VI (Digital Assistant) before the Mandal Parishad Development Officer KAMBHAMVARIPALLE Mandal duly producing copy of this posting order along with physical fitness certificate and one set all relevant certificates duly attested by any Gazetted officer.

The Mandal Parishad Development Officer KAMBHAMVARIPALLE Mandal is requested to admit the individual for duty and intimate the date of joining to the District Panchayat Officer, Chittoor.

To

Sri / Smt / Kum. BANDI GOVARDHAN REDDY

Prof. Nilesh J. Vasa

March 17, 2019

Organizing Chairman, GATE 2019  
(on behalf of NCB - GATE, for MHRD)

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_c - S_q) \frac{(M - M_q)}{(\bar{M}_c - M_q)}$$

where,

$M$  is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard

$M_q$  is the qualifying marks for general category candidate in the paper

$\bar{M}_c$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$ ,

$S_c = 900$ , is the score assigned to  $\bar{M}_c$ ,

In the GATE 2019 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Date of Birth: September 30, 1998

Registration Number: 4657810  
Print Date: August 2, 2019

### About Your GRE® Score Report

#### Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

#### Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

#### Retaking a GRE Test

You can take the *GRE®* General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered *GRE* General Test and *GRE®* Subject Tests as often as they are offered.

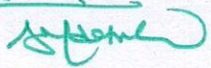

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

#### For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at [www.ets.org/gre/understand](http://www.ets.org/gre/understand).

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered *GRE* General Test, access the free *GRE* Diagnostic Service from your *ETS* account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email *GRE* Services at [gre-info@ets.org](mailto:gre-info@ets.org) or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Dear UDAY SAI REDDY

### IELTS TEST REPORT FORM

Please find enclosed your IELTS Test Report Form (TRF) for the test taken by you at our Centre.

We give below some information on post-result services that can be availed of.

#### On-line verification service by receiving institutions

Most organisations that accept IELTS (universities, immigration authorities) have direct access to the global online IELTS verification service. If registered for this service with Cambridge ESOL they can verify the authenticity of your scores on <http://www.ibtts.org.uk/ielts-trf/index.jsp> free of cost by quoting your valid TRF number.

#### Additional copies of TRF

Any additional copies may only be sent **directly** to the receiving institutions within two years of the test date. A copy of the requisition form is available at

[https://www.britishcouncil.in/sites/default/files/additional\\_test\\_report\\_form\\_12-7-2018.pdf](https://www.britishcouncil.in/sites/default/files/additional_test_report_form_12-7-2018.pdf)

The fee for this service is payable through a Demand Draft in favour of 'British Council' payable at New Delhi. Please ensure you send us the following along with completed requisition form.

- A photocopy of your TRF
- A photocopy of your passport (front page and back page)
- A copy of communication, if any, from the relevant institution with your reference number
- The appropriate fee in favour of 'British Council' payable at New Delhi.  
(FEE INR 250/- per TRF, INR 250/- electronically (STED) or INR 1250/- per TRF by courier)

#### Re-evaluation (Enquiry on Results)

Please note that our examiner ratings are monitored both within India and in Cambridge. However if you would like your papers re-marked by a senior examiner in UK then you must complete EOR form available [https://www.britishcouncil.in/sites/default/files/ielts\\_enquiry\\_on\\_results\\_form.pdf](https://www.britishcouncil.in/sites/default/files/ielts_enquiry_on_results_form.pdf) and return to us along with the copy of cancelled cheque, photocopy of your passport and your original TRF within 6 weeks of the test date. The fee for this service is Rs. 6500/- payable through a Demand Draft in favour of 'British Council' payable at New Delhi. The fee will be returned if the score is changed to a higher band score.

For further information please do not hesitate to contact us at [ExamsCustomerCare@britishcouncil.org](mailto:ExamsCustomerCare@britishcouncil.org)

PS: Please quote your candidate ID number and date of your test in all your correspondence with us.

With best wishes

BC Examinations and English Services India

b1ae00b0dfceb0e1d7a9e5edf61a1933

Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/assistantship. Admitting institutes may conduct further tests or interviews for final selection.

In the GATE 2020, the qualifying marks for a general category candidate in each paper is  $\mu + \sigma$  or 25 marks (out of 100), whichever is greater, where  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for OBC(NCL) and SC/ST/PwD candidates are 90% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where

$M$  is marks (out of 100) obtained by the candidate in the paper

$M_q$  is the qualifying marks for general category candidate in the paper

$\bar{M}_t$  is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $\bar{M}_t$

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalized mark of  $j^{th}$  candidate in the  $i^{th}$  session  $\hat{M}_{ij}$  was computed using the formula

$$\hat{M}_{ij} = \frac{\bar{M}_t^g - M_q^g}{\bar{M}_{it} - M_{iq}} (M_{ij} - M_{iq}) + M_q^g$$

where

$M_{ij}$  is the actual marks obtained by the  $j^{th}$  candidate in  $i^{th}$  session

$\bar{M}_t^g$  is the average marks of the top 0.1% of the candidates considering all sessions

$M_q^g$  is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions

$\bar{M}_{it}$  is the average marks of the top 0.1% of the candidates in the  $i^{th}$  session

$M_{iq}$  is the sum of the mean marks and standard deviation of the  $i^{th}$  session

Organizing Chairman, GATE 2019  
(on behalf of NCB - GATE, for MHRD)

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_r - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,

 $M$  is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard $M_q$  is the qualifying marks for general category candidate in the paper $M_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions) $S_q = 350$ , is the score assigned to  $M_q$  $S_r = 900$ , is the score assigned to  $M_t$ In the GATE 2019 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Codes for XE and XL Paper Sections (compulsory section and any other two sections)

**XE: Engineering Sciences**  
 A - Engineering Mathematics (compulsory)  
 B - Fluid Mechanics  
 C - Materials Science  
 D - Solid Mechanics  
 E - Thermodynamics  
 F - Polymer Science and Engineering  
 G - Food Technology  
 H - Atmospheric and Oceanic Sciences

**XL: Life Sciences**  
 P - Chemistry (compulsory)  
 Q - Biochemistry  
 R - Botany  
 S - Microbiology  
 T - Zoology  
 U - Food Technology

## Test Report Form

ACADEMIC

**NOTE** Admission to undergraduate and post graduate courses should be based on the ACADEMIC Reading and Writing Modules.  
GENERAL TRAINING Reading and Writing Modules are not designed to test the full range of language skills required for academic purposes.  
It is recommended that the candidate's language ability as indicated in this Test Report Form be re-assessed after two years from the date of the test.
