On

*"Enlightening Young Minds with Latest Innovations"*

*15<sup>th</sup> -16<sup>th</sup> March, 2022.*

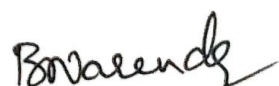

Computer Engineers Technical Association (CETA) organized outreach activity at **Zilla Parishat High School, Kotala** during 15<sup>th</sup> -16<sup>th</sup> March 2022. A Total of 10 students and 01 Faculty Members from SVEC Participated and Organized the Event. This Activity is organized for VI,VII,VIII, IX and X Class Students. 160 school students participated in this event. The Coordinator of the Program is Dr. Ganesh Davanam , Assistant Professors of CSE.

The Basic Theme of the Outreach program is about "**Enlightening Young Minds with Latest Innovations**". The committee discussed about "History of Today's Technology, Emerging Trends in Science & Technology, How Technology changed Today's World, What is Innovation and Various Real Time Innovations in today's World ". All the sessions were very much interactive.

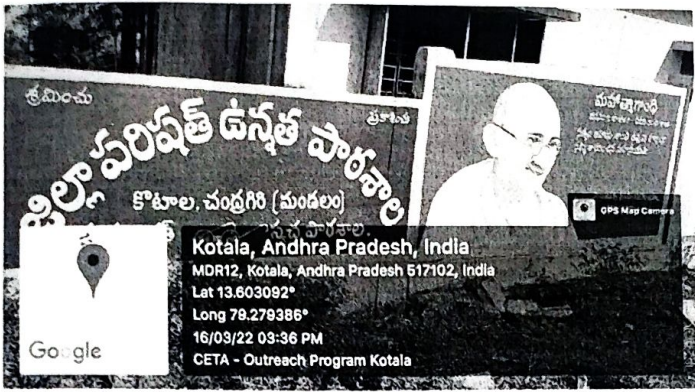

**Activity Outcomes:**

1. Students gained knowledge on Latest Innovations and Technology.
2. Students obtained exposure on Real time Applications of Latest Technological advancements and their usage
3. Students will be able to apply the skills learnt during the outreach activity in their real life as they relate to exploring career options.
