Outreach Activity
On
## "Exploring Emerging Technologies"
March 23-24, 2022.

Computer Engineers Technical Association (CETA) organized outreach activity at **Government High School (Boys), Chandragiri** during March 23-24, 2022. A Total of 10 students and 02 Faculty Members from SVEC Participated and Organized the Event. This Activity is organized for VIII, IX and X Class Students. 161 school students participated in this event. The Coordinators of the Program are Dr. Ganesh Davanam and Mr.P. Venkateswarlu Reddy, Assistant Professors of CSE.
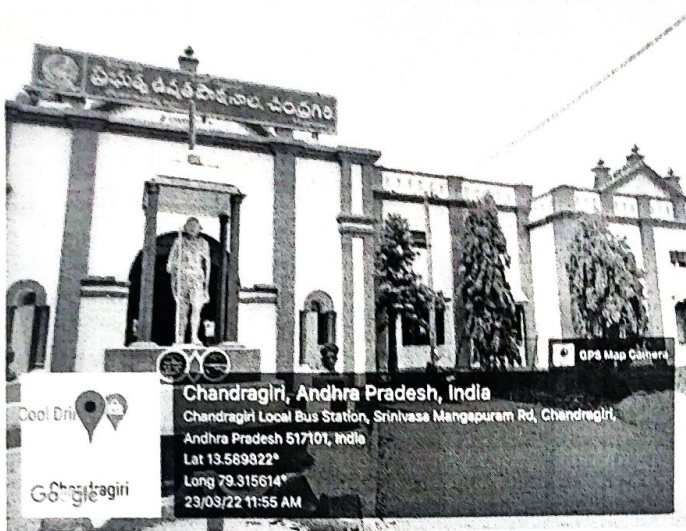

The Basic Theme of the Outreach program is about **"Exploring Emerging Technologies"**. The committee discussed about "What are the Emerging Technologies, Latest Emerging Technologies in Today's World, An overview on Artificial Intelligence, What is Virtual Reality and Basic Knowledge on IoT and its usage in Daily life". All the sessions were very much interactive.
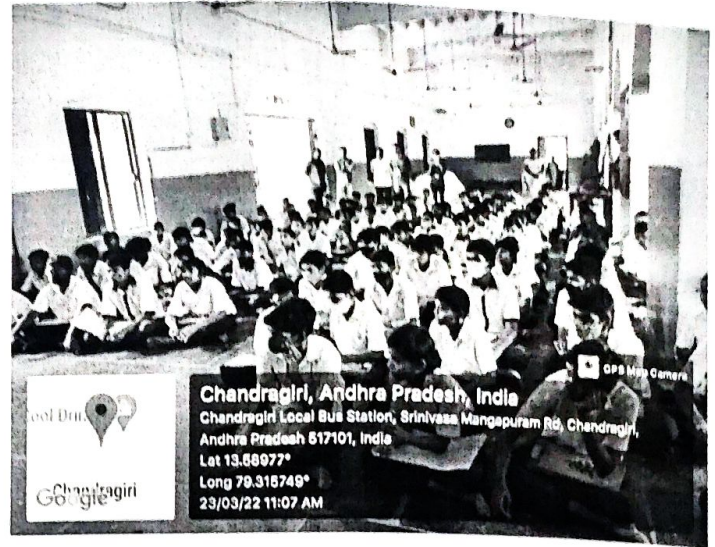

Activity Outcomes:

1. Students gained knowledge on Various Emerging Technologies.
2. Students obtained exposure on Various Real time Applications
3. Students will be able to apply the skills learnt during the outreach activity in their real life.
