A Three-Day APSSDC Workshop on
"Basics of Cyber Security"
21st– 23rd February, 2022

A Three-Day Workshop on "Basics of Cyber Security" was organized by department of CSE during February 21st to 23rd, 2022. A total of 59 III-B.Tech CSE participants registered and attended for the program. Dr. M. Sakthivel, Associate Professor and Ms. K. Ghanya, Assistant Professor, Department of Computer Science and Engineering organized this workshop.

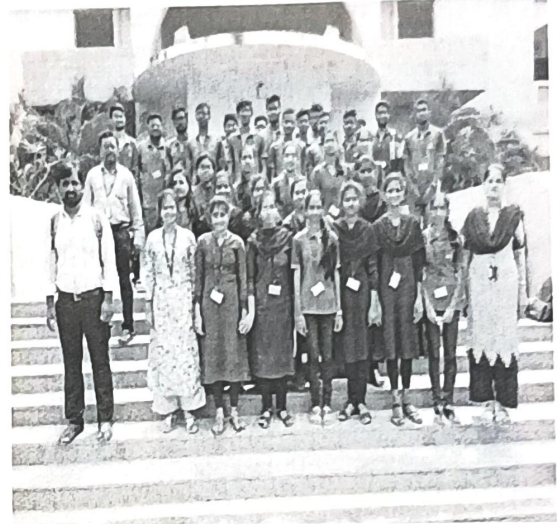

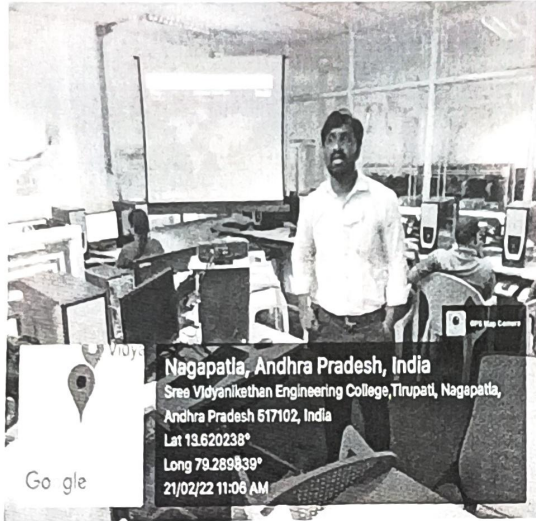

On the first day (21-02-2022) of the program Mr. C. Ramakrishna, trainer from APSSDC briefed about "Introduction to cyber security, basic networking, basic GNU/LINUX" in morning session. In the afternoon session, he has given the example of some real time websites for internet users all over the world and different secure web search engine. He has also explained the security vs privacy and given the introduction of different tools.

On the second day (22-02-2022) of the program the discussed on "Introduction to ethical hacking, Information gathering and scanning". And also, he has conducted hands on session on various tools used for the information gathering and scanning purpose like Whois, OSINT, Nmap in the morning session. In the afternoon session, He has highlighted more points on vulnerability assessment like outdated OS, outdated antivirus, weak password protection, license copy software, hardware, network etc.

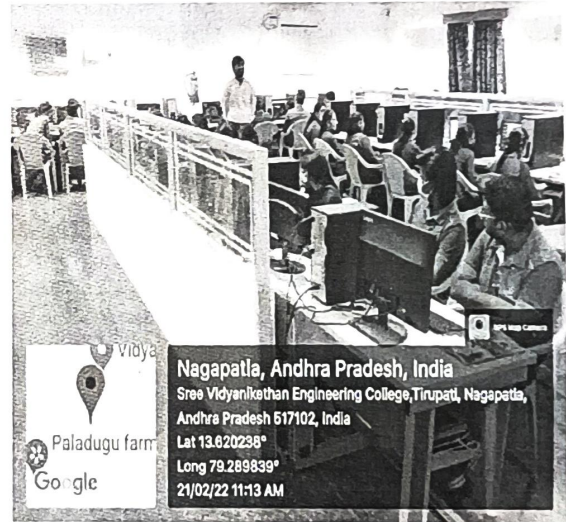

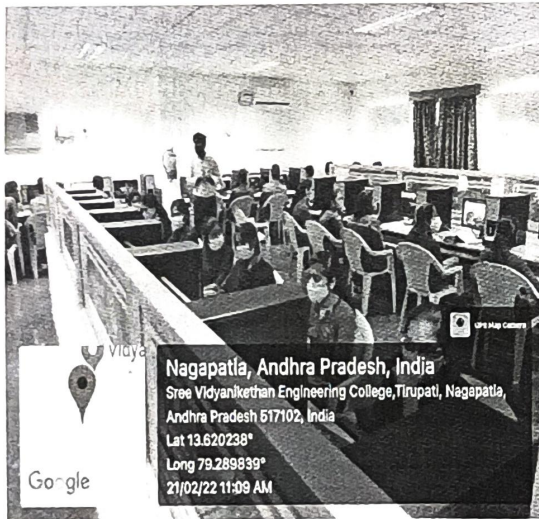

On the third day (23-02-2022) of the program the discussed on "data security, windows security, malware security, cyber laws of India". He has conducted hands on session on window security specially folder security. In the afternoon session, he has explained about advanced SQL injection tool like Havji, browser security, mobile security and also conducted hands on session on hijacking.

Outcomes:

- Enriched knowledge of Students about cyber security through interaction with expert.
- Students have benefited by this workshop and understood the basics of issues, challenges of cyber security.
- Students have got the idea that how to prevent from cybercrime.

Trainer of APSSDC Team lecturing to the students
