An Expert Lecture

On

“Winding paths to Data Science”

An expert talk on **“Winding Paths to Data Science”** is organized by the department of CSE on 13th April 2022 at Dasri Auditorium. A total number of **253 students** have attended the program. Mr.K.Arun Kumar, Assistant Professor of CSE has organized the event by welcoming the resource persons. The Resource person of the expert talk is Ms Bhagyasree Kanuparthi, Managing Director, Enter AI. Software Solutions, and Mr G. Manoj Placement & Head Enter AI, Software solutions.

Ms Bhagyasree Kanuparthi has elaborated on “Data Science: is about finding patterns in data, through analysis, and making future predictions. Using Data Science concepts in Robots and autonomous systems have the potential to revolutionize future provision. It is possible to provide intelligence to the AI systems through Data Science. Data science also enables businesses to process huge amounts of structured and unstructured big data to detect patterns. She explained a real-time implementation of **“Brain Computing Interface”**.

Mr G.Manoj Placement & Head Enter AI, Software solutions discussed about ENTER AI software solutions and that are the alumni are from Indian premier institutes like IITs, IIITs and Central University research scholars. Their aim is to take Data Science to every interested college student and bridge the gap and empowering individuals to be industry-ready.

OUTCOME: Upon the completion of the expert talk, it is enabled the learner that Data scientists are analytical experts who utilize their skills in technology to find trends and manage data. knowledge, contextual understanding, to uncover solutions to business
