One Day Faculty Development Programme on

"Azure, AI Services and Certification Tracks"

The Department of Computer Science and Engineering, Sree Vidyanikethan Engineering College organized a one-week faculty development programme on "Azure, AI Services and Certification Tracks" on 26<sup>th</sup> February 2022.

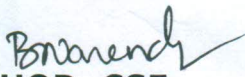

The core idea of the programme was to provide exposure to the faculty and research scholars towards the fundamentals of AI and Machine Learning algorithms. This FDP enabled participants to understand the concepts of Azure services and machine learning concepts to enhance and extend applications to solve real-world problems.

During the forenoon session, Mr. Vinayakk garg, Trainer and Mentor, Microsoft Inc. has introduced the concepts of Machine Learning and discussed supervised and unsupervised learning techniques. And he also discussed various ML algorithms like Decision Tree, Random Forest, XG Boost, KNN, Stochastic Gradient Descent etc,

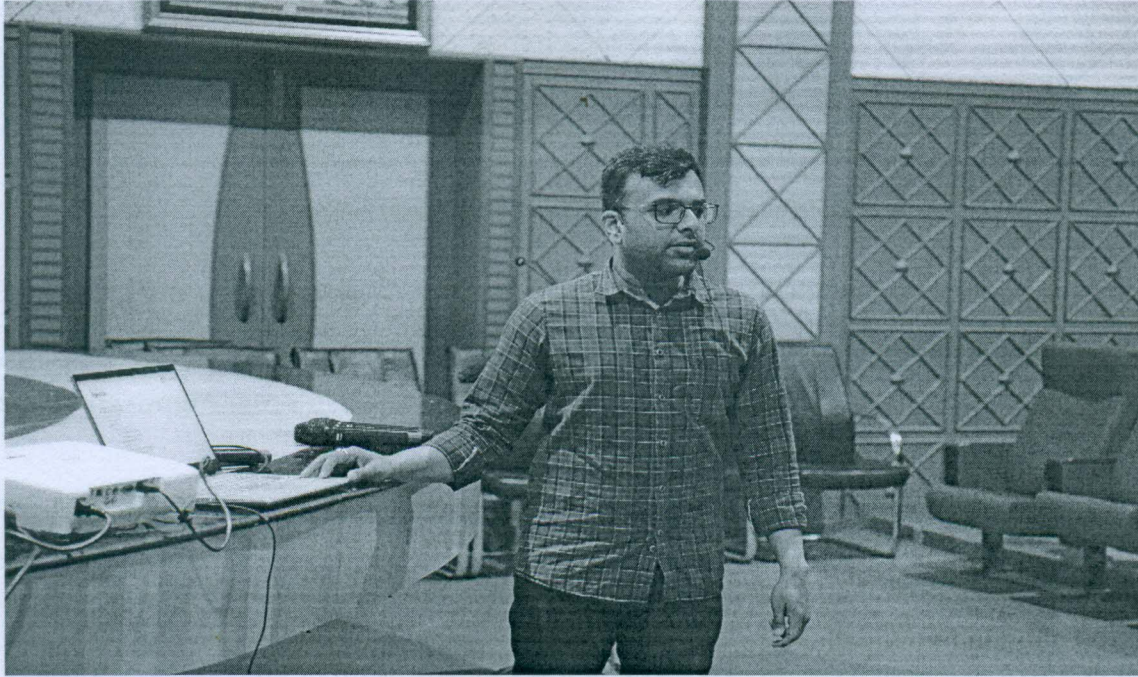

During the afternoon session, Mr. Vinayakk garg, Trainer and Mentor, Microsoft Inc. discussed Azure related aspects and he also gave a real-time demo on an ML-based project using the Titanic dataset obtained from Kaggle.

### Outcomes of the Programme:

- The participants acquired skills in Artificial Intelligence, Azure and in Machine learning concepts.
- The members of the faculty gained knowledge about various aspects of Artificial Intelligence, Azure and Machine Learning which will help them to design curriculum for Artificial Intelligence and Machine Learning related courses.
