

Department of Computer Science and Engineering

An Online International Conference on “Data Science, Intelligent Computing and Cyber Security” (ICDIC - 2021)

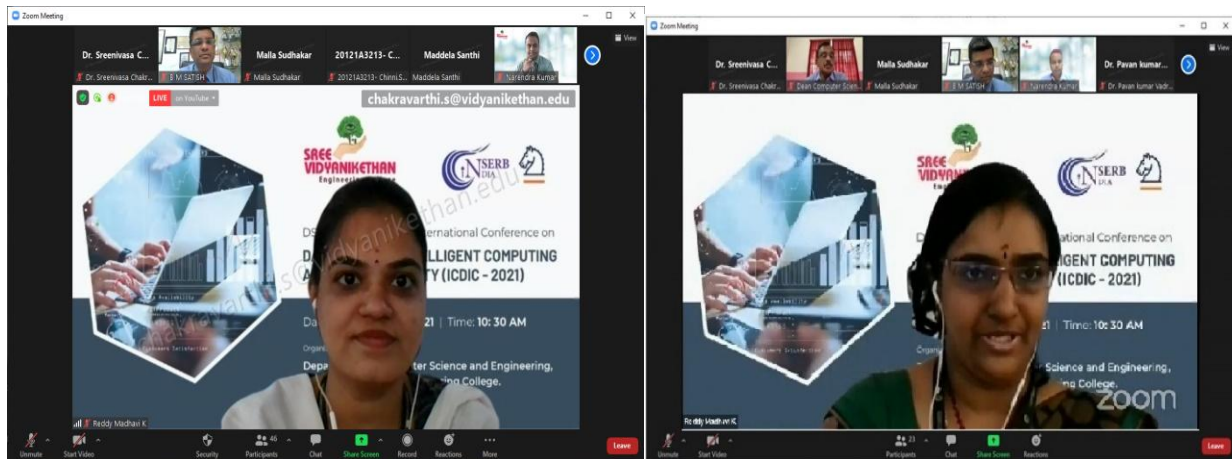

29th -30th December, 2021

The Department of Computer Science and Engineering successfully hosted an “International Conference on Data Science, Intelligent Computing and Cyber Security (ICDIC-2021)” from 29-30 December 2021, via an online platform. The presence of dignitaries, an outstanding lineup of scholars from around the world, sponsorship and media assistance, and an assortment of carefully selected, well-researched, and well-presented studies on the topic, all contributed to the successful completion of ICDIC 2021.

Inaugural Ceremony

Dr. K. Reddy Madhavi, Convener, ICDIC 2021, briefed the gathering about the conference and called it a platform to learn and exchange information, hence discussing the unexplored issues by eminent researchers.

Welcome note by the Convener-Dr.K.Reddy Madhavi, CSE, SVEC.

To make the event a blessed one of goddess Saraswati by lightening the lamp of knowledge and wisdom, virtual lightening of lamp was kindled by ICDIC team.

The event was inaugurated by Dr. B.M. Satish, Principal, SVEC, in presence of the dignitaries Dr. Midhun Chakkaravarthy Janarthanan, Lincoln University College, Selangor, Malaysia, Dr. Suresh Chandra Satapathy, Professor, KIIT, Odisha, Dr. B. Eswar Reddy, Director Admissions, JNTUA, Anantapur who graced the occasion, Conference Chair and HOD CSE Dr. B. Narendra Kumar Rao, Convener Dr. K. Reddy Madhavi, delegates, faculty members and students. He welcomed all the dignitaries and delegates for the conference and introduced about the genesis and accolades of Sree Vidyanikethan Engineering College, Tirupati. He officially declared the conference open and congratulated the team of ICDIC 2021 for the initiative of Online conference during the tough times of Pandemic.

Inaugural address by Dr.B.M.Satish, Principal, SVEC.

Conference Report by Conference Chair ICDIC-2021 and HOD CSE, Dr. B. Narendra Kumar Rao

The conference witnessed the participation of nearly 150 delegates from various institutions around the world like Andhra Pradesh, Telangana, Karnataka, Hyderabad, Bangalore, Odisha, Maharashtra, Punjab, New Delhi, Erbil, Malaysia, Florida, USA. This two-day event offered opportunities to the participants to interact with academicians, co-scholars and experts from all over the world who deliberated upon and covered topics in the conference theme- Data Science, Intelligent Computing and Cyber Security.

The conference was applauded for the 5 concurrent sessions, two plenary talks, besides the Inaugural and Valedictory sessions. The Conference created a lot of excitement in the research fraternity which was reflected in 176 full-length research papers from all over India and abroad. Out of which 46 papers were selected for presentations.

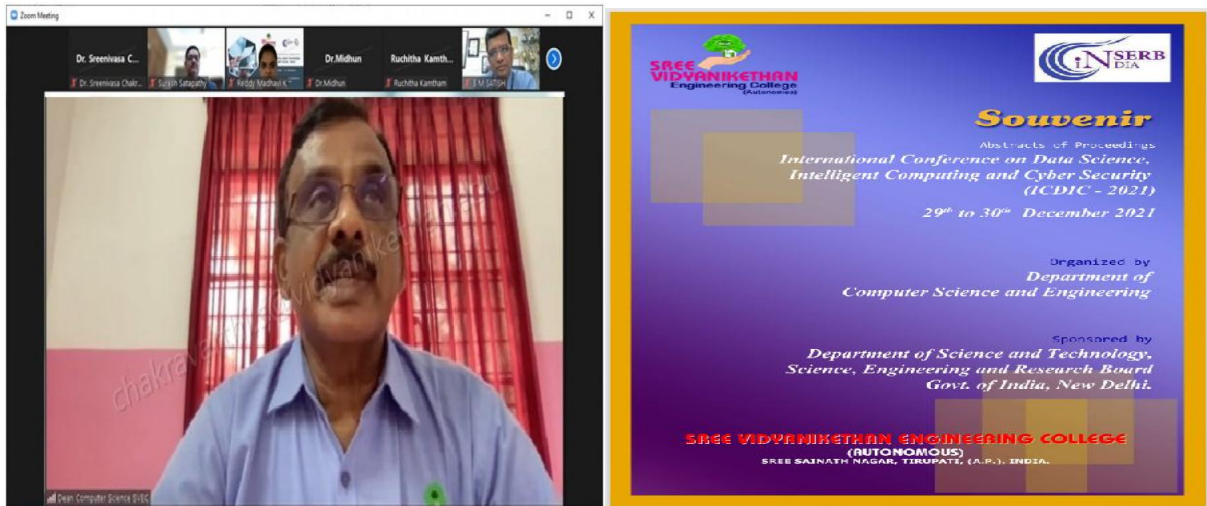

Chief Guest Dr. B. Eswar Reddy, Director Admissions, JNTUA, Anantapur, Guest of Honor Dr. Suresh Chandra Satapathy, Professor, KIIT, Odisha and Key Note Speaker Dr. Midhun Chakkaravarthy Janarthanan, Lincoln University College, Selangor, Malaysia, addressed the gathering on the importance of conference theme in the present research and real time scenario.

Dr. B. Eswar Reddy,
Director Admissions, JNTUA,
Anantapur
