## Department of Computer Science and Engineering

### Industry Oriented Expert Lecture on Competitive Programming & Employability

An Industry Oriented Expert Lecture on Competitive Programming & Employability was organized by the department of Computer Science and Engineering in Association with CodeChef on 23.5.2022 in online mode via ZOOM platform. A total of 472 students participated in the event from I B.Tech & II B.Tech CSE. The resource person for the event was Ms.Rachita Rai, Manager, CodeChef.

The resource person discussed on the importance of Programming to fresh computer Science Graduates. The expert discussed on the different aspects of competitive programming skills to be acquired by the students. She also discussed on the CodeChef platform and on the several features that are available to honeup programming skills. During the program students of I B.Tech II Semester and II B.Tech II Semester wereencouraged to enroll on Basic programming course and Data Structures. They aslo elaborated on the options available to clarify doubts during their practice sessions on CodeChef.
