

SREE VIDYANIKETHAN ENGINEERING COLLEGE (AUTONOMOUS)

Sree Sainath Nagar, A.Rangampet, Near Tirupathi – 517 102

Department of Mechanical Engineering

Guest Lecture on “Recent Trends in Mechanical Engineering”

Dr. P. Venkata Ramaiah delivering Guest lecture

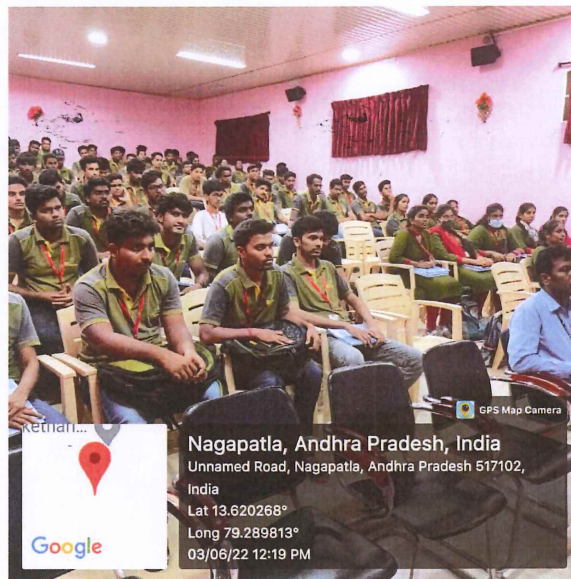

An Guest Lecture on “**Recent Trends in Mechanical Engineering**” by **Dr. P. Venkata Ramaiah Professor & HOD Department of Mechanical** , is organized for II & IV B.Tech students of Mechanical Engineering at Mechanical Engineering Seminar hall on 03rd June (Friday) from 10:30PM to 12:30 PM

Dr. P. Venkata Ramaiah explained the importance of Mechanical Engineering in real time applications in various industries like Automobile, Manufacturing and process industries.

He focused on importance of conventional and automation in industry.

He explained the importance of Artificial Intelligence Neural network. Fuzzy logic and IOT.

He explained the incorporate the IOT technology and big data in to automation for various industries like Automobile, Manufacturing and process industries. The students have interacted with Dr. P. Venkata Ramaiah and they were benefited by the talk.

Students attended for the Guest Lecture

Students interacting with resource person.

R. Lakshmi
Convener

(Dr. R. L. Jerupakarani)

Satya Meher
HOD

Dr. R. SATYA MEHER
Professor & Head
