

CAREER OPPORTUNITIES AFTER B.Tech.

An Guest lecture on “**Career Opportunities after B.Tech**” was organized by the department of CSE on 1st August 2022. Live webinar commenced at 6:00 PM through virtual platform (ZOOM). A total number of **237 students** have attended the program. Mr.K.Arun Kumar, Assistant Professor of CSE organized the event by welcoming the resource person. The Resource person of the Guest Lecture is Mr.M.Ramesh, Sr.Faculty, ACE Academy.

Mr M.Ramesh have discussed on the ample opportunities and career options graduates can choose from Engineering . He also emphasized that career decision is one of the most significant decisions in one’s life and therefore, it must not be taken under parents’ compulsion or peer pressure. He also motivated the students to never go out of following their passion. M.Tech or MS by research is the next step to look into with a focus on specialization you wish to take up and excel in. Specialization will provide an edge over others at a later stage especially during job interviews. To pursue M.Tech in the top engineering institutes such as IITs. NITs and CFTIs, Graduate Aptitude Test in Engineering (GATE) is the exam to appear for and to qualifying in exams like GRE, TOEFL etc...
