

A Report on Alumni interaction

"Managing Procrastination for a successful career in Aviation Industry"

Under

Alumni activities -08th October, 2022

As part of Alumni activities, an interaction session was conducted on "Managing Procrastination for a successful career in Aviation Industry", by Mr. K. SATHVIK, Business Analyst at Thought Works, Bengaluru, Karnataka, India, for IV M.E year I Semester students on 08-10-2022 from 02.30 p. m to 03.30 p.m.

Mr. K. Sathvik delivering a talk to the students.

The program is begin with Welcome speech followed by reading of Alumni person's brief profile by Mr. S. Praveen kumar, Asst. Professor, Dept of Mechanical Engineering, SVEC. Mr. K. Sathvik started his talk with discussion about the need and importance of time management in student's life. The alumni explained the importance of placements in aviation industry and how to built strong foundation to join in it. Alumni gave several tips which include trying different problems in lab sessions and cracking the tests/interviews. He answered the several different queries asked by the students. The alumni made the session highly interactive. Mr. K. Sathvik shared his email ID and also said that he would be interested to extend any further queries by email. 45 students attended the session. The session was very informative and useful to all the students. Mr. Manikanta of ME proposed vote of thanks.
