The Department of Mechanical Engineering organized one day Industrial visit to M/s RAVANDS PLASTECH Ltd., Puthalapattu, Chittoor for the B.Tech final year Mechanical Engineering students on 30<sup>th</sup> September 2022. Total 36 students from Final year participated in this program along with faculty coordinator Dr. Ramesh Raju, Associate Professor.

The college bus facility was arranged for the round trip from SVEC to RAVANDS to SVEC. The students assembled at college premises around 8.45 AM and bus started by 9.00 AM. The bus reached Ravands by 11 o'clock and Mr. DAMODAR DUTTULURU, C.E.O, welcomed the students to his plant followed with high Tea. Later the staff members of RAVANDS taken care of inside visit to the plant.

The Company staff members explained the manufacturing facilities spread across there and also given deep inside about their state-of-the art plastic processing equipment like CNC Plastic injection molding machinery, machining centres, and testing equipments. Students also got exposure on their well-managed quality assurance department, understood the testing of raw materials to finished products.

Finally, Mr. DAMODAR DUTTULURU addressed to all students and said that process capabilities of various processes are monitored periodically to ensure the conformity of quality standards. He also insisted that not to compromise on the quality side either for industry or one's internal performance. The faculty co-coordinator Dr. Ramesh delivered the thanking message and with that the industrial visit was ended around 2 o'clock. Later students were brought back to college around 4 o'clock by college bus.
