Expert Talk On "Casting Process and Techniques"

19th October, 2022

Organizing Department : MECHANICAL ENGINEERING,
SREE VIDYANIKETHAN ENGINEERING COLLEGE,
(AUTONOMOUS)
Sree Sainath Nagar, Tirupati 517102, Chittoor Dist., AP

The Department of Mechanical Engineering organized the formal CAMS inauguration and announcement of Students office bearers for the academic year 2022-23 on 19th October 2022 morning 10:00AM at Mechanical Seminar Hall. In this connection an expert talk on **RECENT ADVANCES IN CASTING PROCESS AND TECHNIQUES** was arranged for the benefit of students of all years from Mechanical Engineering Department. Mr. D. KRISHNAN, Plant Head, SIBAR AUTO PARTS Ltd., Chittoor District, AP acted as the Chief guest & Resource person for this program.

The program was started with formal prayer song and lighting the lamp followed with Welcome address by faculty coordinator Dr. RAMESH R and then inaugural address delivered by the Professor and Head Dr. R. SATYA MEHER garu and presidential address delivered by the principal Dr. B. M. SATISH garu. Later the resource person Mr. KRISHNAN garu was introduced to the gathering and felicitated by the dignitaries present in the Dias. After that the session was handed over to the resource person for the following day.

He explained the importance of the Mechanical / Production engineers in mechanical industries to learn casting simulation modules such as Fluid flow modeling and casting optimization along with the proper hands-on training in the Metal casting Technology. He also addresses the major gap in competencies required to work with real time casting processes. Finally, Head of the department Dr. R. SATYA garu handed over the memento to the resource person. The faculty co-coordinator Mrs. K. LAKSHMI KALA delivered the vote of thanks and with that the session was ended.
