

Entrepreneurship Development Cell, MBU | Date: 04<sup>th</sup> to 26<sup>th</sup> November, 2022

**CRASH COURSE**

On

**"STARTUP ENTREPRENEURSHIP PROGRAM"**

**Objective(s) of the program:** The course aims to provide students with a comprehensive understanding of entrepreneurship. Through this course, students will learn to generate and validate business ideas, create effective business plans, explore funding options, develop marketing and sales strategies, navigate legal and regulatory considerations, build strong teams, understand growth and scaling strategies, manage risks and failure, pitch to investors, leverage networking opportunities, and incorporate ethical and sustainable practices. By achieving these objectives, students will be equipped with the knowledge and skills necessary to succeed in the startup ecosystem and launch their own ventures.

### **Brief Report**

A four week (Friday's & Saturday's only) crash course on **"Startup Entrepreneurship Program"** was organized by V Hub Innovation Centre & ED Cell of MBU for I, II, III & IV B.Tech students from **04<sup>th</sup> to 26<sup>th</sup> November 2022**. A total of 494 students were benefitted with this crash course.

**Week - 1** of the Startup Entrepreneurship Program set the foundation for students' understanding of entrepreneurship and the process of starting a business. They gained insights into the qualities of successful entrepreneurs, explored the global entrepreneurship landscape, learned about campus-based startups, understood the fundamentals of starting a business, and actively participated in a workshop to develop their own business plan. These initial topics provided a strong starting point for students' entrepreneurial journey and prepared them for the upcoming weeks of the program. This workshop provided students with practical tools and resources to kick start their entrepreneurial journey.

**Week - 2** of the Startup Entrepreneurship Program delved into the numerical aspects of entrepreneurship, including understanding the size of the opportunity through market research and data analysis. Students had the opportunity to present their individual business starter's kits, receive feedback, and refine their plans. They also gained practical knowledge through a workshop on the business canvas model, enabling them to visualize and analyze different aspects of their business ideas. Lastly, the case study analysis of successful startups provided valuable insights and inspiration for students' own entrepreneurial journeys. These topics equipped students with essential analytical tools and real-world examples to guide their decision-making and strategy development in starting and growing their own businesses.

**Week - 3** of the Startup Entrepreneurship Program focused on guiding students in taking the initial steps in their entrepreneurship journey. Through a workshop, students gained knowledge and practical tools to set goals, cultivate an entrepreneurial mindset, and overcome challenges. They also engaged in self-reflection and developed personalized action plans. Additionally, students learned to analyze the competition, identify customer needs, and develop value propositions that differentiate their offerings. The session on building the financial model equipped students with the necessary skills to create a comprehensive financial plan for their startups. These topics provided students with a strong foundation to move forward in their entrepreneurial endeavors, considering both the market dynamics and financial sustainability of their ventures.

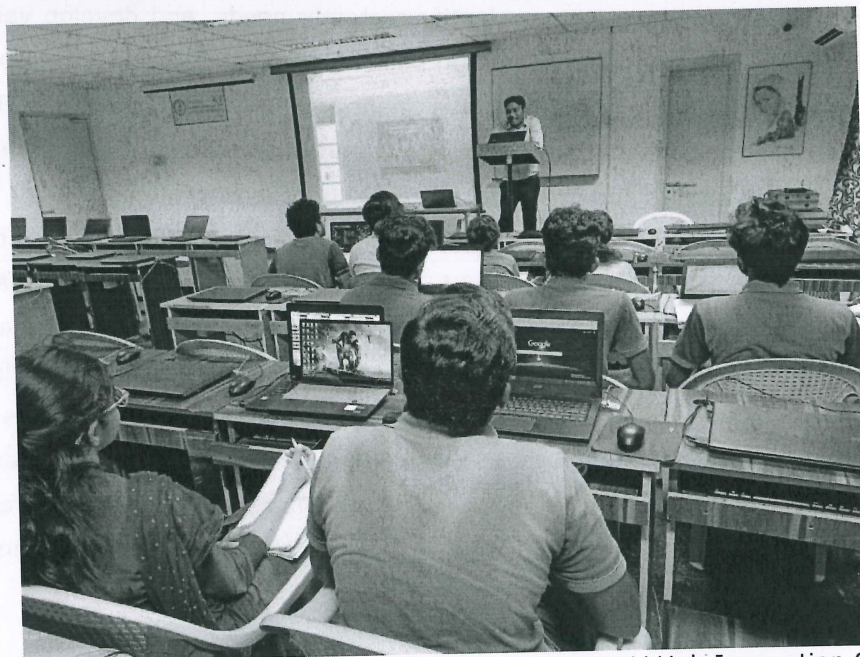

**Week - 4** of the Startup Entrepreneurship Program focused on crucial elements for entrepreneurial success. Students gained insights into building effective teams and fostering a positive organizational culture. They explored various financing options and learned to navigate the investment landscape. Students also recognized the importance of networking, mentorship, and building strong relationships within the entrepreneurial ecosystem. The session on refining the business canvas provided students with valuable guidance on best practices and avoiding common pitfalls. The final presentation session equipped students with the skills to effectively communicate their business canvas. These topics prepared students to navigate the challenges and opportunities

of entrepreneurship and showcase their ideas with confidence.

Overall, the program equipped participants with a comprehensive understanding of entrepreneurship, including idea generation, market analysis, financial planning, team building, networking, and presentation skills. The topics covered during Weeks 1 to 4 provided participants with a strong foundation for their entrepreneurial journey and increased their chances of success in the startup ecosystem.
