### **Brief Report**

The “**Entrepreneurship Awareness Program – II**” spanned over five days, with a total duration of 30 hours. Entrepreneurship Development Cell of MBU organized this event from **09.01.2023 to 13.01.2023** for the students of I B.Tech ECE, EEE, CE, ME and MCA. Around **511 students** were participated and enlightened with this program.

The program aimed to provide participants with a comprehensive understanding of entrepreneurship and equip them with the knowledge and skills required to embark on entrepreneurial ventures.

The following report outlines the key topics covered during each session:

**Day 1:** The program began with an introductory session, where participants were introduced to the objectives and structure of the program. The session emphasized the significance of entrepreneurship in the economy and provided an overview of the mindset and characteristics of successful entrepreneurs. The first day also included a session on identifying business opportunities, focusing on methods to recognize market gaps, conduct market research, and generate innovative ideas.

**Day 2:** The second day focused on business planning and development. Participants learned the importance of a well-defined business plan, including creating a mission statement and setting specific business goals. The session also delved into developing effective marketing strategies and identifying target customers. Financial management basics were also covered, including an introduction to financial statements, budgeting, and various revenue models.

**Day 3:** Legal and regulatory considerations were the primary focus of the third day. Participants explored different business structures, such as sole proprietorship, partnership, and corporation, and

gained an understanding of intellectual property protection and compliance with local regulations and licenses. The day also included a session on building a strong team, emphasizing effective hiring strategies, team dynamics, and creating a positive company culture.

**Day 4:** The fourth day centered around marketing and branding. Participants learned to develop a comprehensive marketing plan, including promotional strategies, brand positioning, and leveraging digital marketing channels and social media. The session also covered sales techniques, customer acquisition strategies, effective communication, and negotiation skills to build strong customer relationships.

**Day 5:** The final day of the program focused on funding and financing options for entrepreneurial ventures. Participants gained an overview of different funding sources, such as angel investors, venture capital, and crowd funding. They also learned to prepare a compelling pitch deck and understand the due diligence process. Additionally, the day covered risk management and business sustainability, including identifying and mitigating risks, creating contingency plans, and developing strategies for long-term growth.

Overall, the 5-Day 30-Hour "**Entrepreneurship Awareness Program - II**" successfully provided participants with a comprehensive understanding of entrepreneurship and its various aspects. Participants gained knowledge on identifying business opportunities, developing business plans, financial management, legal considerations, team building, marketing and branding strategies, funding options, risk management, and sustainability. The program aimed to inspire and empower individuals to pursue entrepreneurial ventures and equipped them with the essential tools and insights to succeed in their endeavors.
