

Entrepreneurship Development Cell, MBU | Date: 27th March to 01st April, 2023

A FIVE DAY "BUSINESS MANAGEMENT & ENTREPRENEURSHIP" PROGRAM
Objectives:

The objectives of the Business Management & Entrepreneurship course are to provide participants with a solid understanding of key concepts and practices in business management and entrepreneurship, to develop their critical thinking and problem-solving skills in a business context, to cultivate their leadership and teamwork abilities, to enhance their knowledge of strategic planning and decision-making processes, to equip them with the skills needed to identify and evaluate business opportunities, to foster an entrepreneurial mindset and creative thinking, to instill ethical and socially responsible business practices, and to provide practical tools and techniques for financial management, marketing, operations, and human resource management. By achieving these objectives, participants will be better prepared to navigate the challenges of the business world, whether as entrepreneurs or as effective managers within organizations.

Report

The "**Business Management & Entrepreneurship**" course is a comprehensive program designed to equip participants with essential skills and knowledge in the field of business management and entrepreneurship. It was organized by Entrepreneurship Development Cell, MBU during **27th March to 01st April 2023**, to the students of I Year BCA, BBA. A total of **495 students** were participated and enhanced their knowledge. Over the course of five days and 30 hours, attendees engage in interactive sessions, practical exercises, and case studies to deepen their understanding of key concepts and practices.

The course begins with an introductory session that highlights the importance of business management and entrepreneurship in today's competitive market. Participants then delve into the foundations of business management, covering principles, organizational structures, and the planning process.

Strategic management is extensively explored, providing participants with the tools to develop strategic visions, analyze the business environment, and formulate effective strategies for sustained competitive advantage. Leadership and team building sessions empower participants with the skills to lead and motivate high-performance teams.

Crucial aspects such as marketing management, financial management, and operations management are covered in detail. Participants gain insights into market segmentation, financial statement analysis, budgeting, supply chain management, and quality control. These modules offer a well-rounded understanding of essential business functions.

The fundamentals of entrepreneurship are thoroughly discussed, including identifying opportunities and cultivating an entrepreneurial mindset. The course also addresses topics of business ethics, social responsibility, innovation, and creativity, which are fundamental for entrepreneurs and managers.

A significant highlight of the course is the opportunity for participants to develop a comprehensive business plan. Through this exercise, they learn about market research, financial projections, and funding strategies. The importance of entrepreneurial marketing, especially in the digital landscape, is also emphasized.

Additional modules cover human resource management, risk management, financial analysis, negotiation, and communication skills, ensuring participants acquire a diverse skill set. The course concludes with sessions on international business, entrepreneurial finance, business growth, and scaling.

Throughout the program, participants actively engage in discussions, analyze case studies, and participate in practical exercises to apply the concepts learned. They also present their final projects, receiving valuable feedback from instructors and peers.

By the conclusion of the course, participants gain a strong foundation in business management and entrepreneurship. They are equipped to pursue entrepreneurial ventures or excel in managerial roles within established organizations.
