REPORT

As an initiation from IQAC, SVEC on the occasion of NATIONAL GIRL CHILD DAY (24th January) a one day Webinar on "**BETI BACHAO BETI PADHAO**" was organized under Women Empowerment Cell and IEEE-WIE Affinity Group by Department of Electrical and Electronics Engineering, Sree Vidyanikethan Engineering College, Tirupati. The Webinar was organized to promote awareness about the rights of a girl child and to promote the importance of their education, health, and nutrition. The webinar was organized for the undergraduate students, postgraduate students and faculties of various department and various institutions.

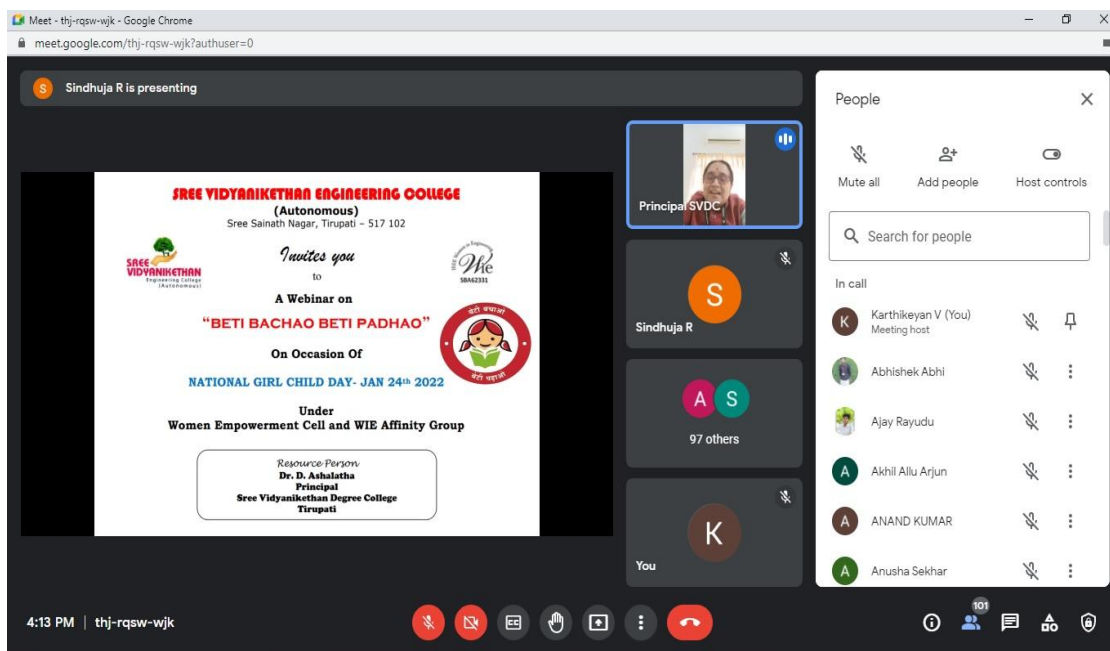

Around 101 participants have enrolled for this webinar. The speaker of the session was Dr. D. Ashalatha, Principal, Sree Vidyanikethan Degree College, Tirupati. Madam has trained the students and faculties of the webinar on 24-01-2022 virtually through GoogleMeet platform between 04.00 pm to 05.00 pm.

The session started with the welcome note by Dr.M.S.Sujatha, Convener of Women Empowerment Cell.

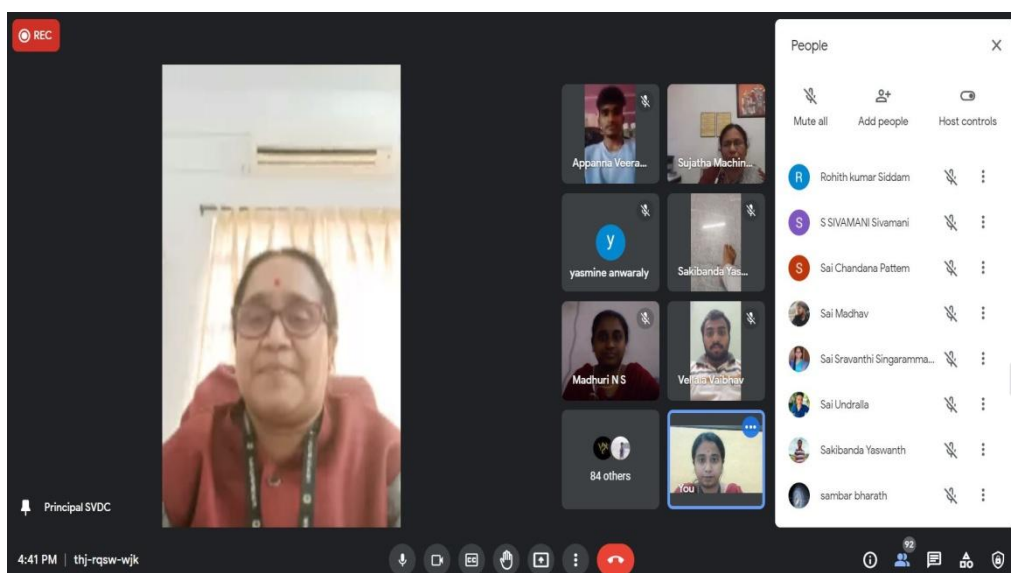

Dr. M. S. Sujatha Welcoming the speaker of the session

Dr. D.Ashalatha started the session about the history of National Girl Child Day. National Girl Child Day is observed every year in India on January 24 to promote awareness about the rights of a girl child and to promote the importance of their education, health, and nutrition. The government of India, in 2008, declared January 24 to be celebrated as the National Girl Child Day every year with the objective of raising the consciousness of the society towards the girl child so that she can be valued and respected.

Dr. D.Ashalatha explaining about the leadership of Women in various fields

She conveyed that in 2019, the theme was 'Empowering Girls for a Brighter Tomorrow'. It was 'My voice, our common future' in 2020. In 2021, the theme for National Girl Child Day was 'Digital Generation, Our Generation'.

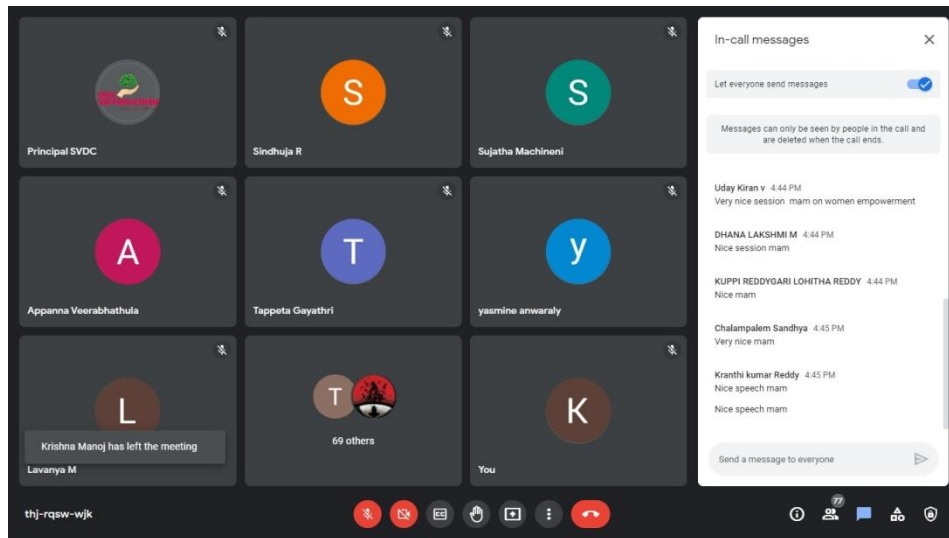

Dr. D.Ashalatha addressing participants

She also stressed on the objective of National Girl Child day,

- To spread awareness among people about inequalities faced by girls in the country.

- To promote awareness about the rights of girl children.
- To increase awareness on the importance of female education, health, and nutrition.

Participants shared their feedback about the session

The participants appreciated the initiative carried out by the team and expressed to conduct more programs in future. At the end of the session speakers made the participants to treat equally without any discrimination and to promote girl child about her rights. Being a educated person she asked everyone to increase awareness about importance of female education, health, and nutrition.

Dr.M.Lavanya, co-convener Women Empowerment Cell, Sree Vidyanikethan Engineering College extended her gratitude to the speaker Dr. D. Ashalatha for accepting the invitation and for making event a grant success. She also extended her hearty thanks to all participants from various organizations for their active participation.
