Department of Electrical and Electronics Engineering

**Report on**

An Expert Lecture on

## **“Technical Careers in ICC Urban”**

Under IEEE Student branch and ISTE student chapter

On

**30<sup>th</sup> April, 2022. Time: 10:00 to 11:30AM**

Department of Electrical and Electronics Engineering organized an expert lecture on **“Technical Careers in ICC Urban”** Under ISTE Student Chapter & IEEE Student Branch on **30.04.2022 at 10 to 12.30 PM online mode (ZOOM). Mr. R S S D Sreevatsav, ATS Project Architect, Alstom Transport (S) Pte. Ltd., 1 Kallang Junction, Singapore-339263, was the resource person. Mr. M. Manohara, Associate professor and coordinator** of the event, Department of EEE welcomed the participants for the event. Dr. M. S. Sujatha, Professor and Head, EEE addressed the gathering and gave some importance of the expert lecture session to students.

Mr. M. Manohara, Associate Professor, Department of EEE introduced the speaker with profile and achievements. Then session handed over to the speaker. Mr. R S S D Sreevatsav speaker of the session started to deliver her expert talk around 93 participants were in the session. He was started with Different Technical Careers in ICC Urban.

The main motto of the conduction of this one day expert lecture was to impart and share the knowledge to the every one through the Industrial expert and to fill the gap between academic and industrial expertise to know what skills exactly students need. Students were listening to the session actively to learn about various protection schemes. Session went very well he has explained the recent statistics of job skills in market and statistics of domain of power systems.

Mr. P. Venkatesh, Assistant Professor and co-coordinator of the event Dept. of EEE, proposed vote thanks at the end of the session
