

ELECTRICAL TECHNICAL ASSOCIATION (ETA)

(EEE Student Technical Association)

Annual Report :: 2021-22

ETA (Electrical Technical Association) is a student's association started, run and maintained by students aiming at honing their inter- and intra-personal skills. It was started during the academic year 1997-98 and was the first of its kind.

The Electrical Technical Association holds the responsibility in enhancing technical knowledge in the field of Electrical Engineering, boosting the confidence levels of students, and inculcating morals and ethical values for wholesome development of oneself. This year, an overall of 36 events were conducted. A total of 2446 students had participated and 120 students bagged prizes.

“It is the health that is real wealth and not pieces of gold and silver”. ETA helps student gain and improves their physical capabilities along with strengthening their intellectual capabilities. Sports events like Throw ball, Kho-Kho, Cricket, Volley ball and chess tournament were conducted which earned a good response from students.

This year, many alumni interactions were conducted. The alumni from different sectors interacted with the students and advised to set a career plan during second year itself. Alumni interacted about the role of scientific research in society and the importance of scientific research in education as it will ultimately reward them in return. Also about solar sector opportunities and career options after graduation which helps the students in understanding present scenario of job sector.
