

ELECTRICAL TECHNICAL ASSOCIATION (ETA)

(EEE Student Technical Association)

Annual Report :: 2022-23

ETA (Electrical Technical Association) is a student's association started, run and maintained by students aiming at honing their inter- and intra-personal skills. It was started during the academic year 1997-98 and was the first of its kind.

The Electrical Technical Association holds the responsibility in enhancing technical knowledge in the field of Electrical Engineering, boosting the confidence levels of students, and inculcating morals and ethical values for wholesome development of oneself. This year, an overall of 40 events were conducted. A total of 2433 students had participated and 115 students bagged prizes.

Fig.: Students actively participating in the Alumni interactions

All the organized events helped to instill Communications skills, Analytical skills and Team Leadership skills among the students. In turn it helped organizers

in improving their organizing and Leadership skills. These events are conducted every year as a regular practice.

Technical Activities like Technical quiz, Mock Interviews and extracurricular events like Puzzle the femme, azadi ka ustav, singing competition, General quiz, Pencil sketch, Debate, Spell bee, Toggle, and Rangoli were conducted to open students mind to new interests and views.
