Organized by DEPARTMENT OF EEE

Awareness Program on

INTELLECTUAL PROPERTY RIGHTS (IPR)

With Special Emphasis on Electrical, Electronics, Communication & Instrumentation Related Inventions

18th April, 2023 & 10:30 AM – 12:00 NOON

Resource Person

MS. LAVANYA MADDURI

Examiner- Patents & Designs, (Group A, Gazette), Indian Patent Office, Chennai.

📍 **Dasari Auditorium**

Organized By: **Department of EEE, School of Engineering, Mohan Babu University**

In Association With: **National Intellectual Property Rights Awareness Mission (NIPAM), Govt. of India under MBU IPR Cell**

The event started with a short prayer. Dr.K.K.Basheer, Co-ordinator, IPRC, SVEC, welcome the gathering and stated the Significance of IPRC in SVEC. With the introduction of the resource person, Ms.Lavanya Maddhuri, Examiner-Patents & Designs, (Group A, Gazette), Indian Patent Office, Chennai, the presentation was on track.

The following are few glimpses of the lecture.

- A patent is an exclusive right granted for an invention. Generally speaking, a patent provides the patent owner with the right to decide how - or whether - the invention can be used by others.
- The major types, importance, significance of intellectual property rights

- Issues on IPR, how to apply a patent and trade mark, filing a patent, how to protect the patent against violation and different procedures to be followed to get a Patent right in various countries.
- Benefits of IPR, how to protect IPR and various policies for the protection of IPR
- Few examples in electronics system that can be patented/ non- patented.
- Do's and Dont's while filling a patent

The session was interactive and the resource person responded for the clarification from the participants. The program ended with acknowledgement by the Co-ordinator of the event, Dr.V.Arun, Professor, Departmental IPR Co-ordinator, EEE, SVEC followed by National Anthem.

Beneficiary Group: EEE, ECE, EIE dept. Faculty :10, Students: 336
