Offline Expert Lecture on

“Alumni Interaction – Higher Studies and Opportunities in Civil Engineering”

02 January 2023

The Department of Civil Engineering in association with KL Rao Water Resources Club, SVEC organized an Offline Expert Lecture on **“Alumni Interaction – Higher Studies and Opportunities in Civil Engineering”** from **10.00 a.m to 11.00 a.m.** The objective of this lecture is to provide guidance to the young engineers in their endeavor for better employment and higher studies.

Our prestigious Alumni Er. K Sai Kiran and Er. P. Vishnuvardhan Reddy, Design Engineers, TATA Consultancy Services Ltd. (TCS), Hyderabad interacted with the students.

All the faculty members and a total of 125 students of III B.Tech. I Semester Civil Engineering (A & B Sections) attended the lecture. **Dr. K. Narasimhulu**, Professor and HoD, Department of Civil Engineering, SVEC and Convener of the Program; **Dr. D. Srinivasa Murthy**, Assistant Professor and Coordinator of the Program graced the occasion.

Towards the end there was an interaction session with the alumni and the students. Finally, the session ended with the vote of thanks by the coordinator. On the whole, the event has proved successful.

The program details and photographs of the program are as follows.

Mr. K Sai Kiran and Mr. P, Vishnuvarhan Reddy Interaction with III B.Tech I Sem Civil Engineering Students

Participants Feedback:

The following feedback was received from the participants:

1. Participants felt that the lecture addressed different topics related to opportunities and higher studies in Civil Engineering
2. Participants felt the quality of delivery and presentation of experts was excellent and very informative.
3. Participants felt that the lecture was coordinated very well and appreciated the Principal, Head of the Department, Convener, Coordinator and Organizers for conducting such wonderful sessions.
4. Participants felt that such programs should be conducted regularly.
