Expert Lecture on

"Environmental Management in Mines and Thermal units"

05 August 2022

The Department of Civil Engineering, SVEC organized an Expert Lecture on "Environmental Management in Mines and Thermal units" from 02.30 p.m to 03.30 p.m. The objective of this lecture is to introduce students to the basics of Environmental management and the different methods used for an effective way to reduce environmental impacts and increase operating efficiency. This program is helpful for the students to understand Environmental Management in Mining activities and Thermal power plants.

The resource person was an eminent personality, **Dr. N. Madhivannan**, Executive Engineer, Corporate Environment cell, NLC India Limited, Neyveli.

The faculty members and IV B.Tech I Semester Civil Engineering(A&B Section) Students, a total of 110, attended the lecture. **Dr. K. Narasimhulu**, Professor & HoD, Department of Civil Engineering, SVEC and Convener of the Program; **Mrs. G. Banupriya**, Assistant Professor and Coordinator of the Program graced the occasion.

During the session, the Resource Person, Dr. N. Madhivannan shared his rich knowledge and experience in Environmental Management in Mines and Thermal units. Many of the participants truly got inspired by the expert talk. On the whole, the event has proved successful.
