

A Two Day National Fest
“Geotechnical Fiesta 2k22”
29th - 30th December 2022

The Department of Civil Engineering of Sree Vidyanikethan Engineering College organized a two day national fest called “Geotechnical Fiesta 2k22” under Indian Geotechnical Society Sree Vidyanikethan Engineering College (IGS SVEC) Student Chapter during 29th - 30th December 2022.

Dr. O. Eswara Reddy, Faculty Advisor, IGS SVEC Student Chapter, Professor, BOS Chairman, Department of Civil Engineering was **inaugurated the Fest.**; Mrs. G. Gnana Prasanna, Coordinator, IGS SVEC Student Chapter; Assistant Professor, Dept. of Civil Engineering graced the occasion.

Dr. O. Eswara Reddy in his welcome address expressed his pleasure in starting the 3rd Geotechnical fest which is first of its kind among the IGS Student Chapters at national level. He explained about the events that are conducted during two day fest and encouraged students to actively participate in all the activities. Further, he emphasized that this type of events will provide a platform for peer learning and inspiration.

The fest includes several technical and non-technical events like General Quiz, Group Discussion, Chess, Standup Comedy, Painting, Dumb Charades, Photography, Lemon and Spoon, Box-Cricket, Badminton, Tennikoit, Volley Ball, Throw Ball and Kabaddi conducted in the fest. Students from host institute and from various colleges were actively participated in all the events with zeal and enthusiasm.

The fest was completed by distributing the certificates and prizes to all the winners and the participants of all the events in a valedictory function conducted on 05-01-2023. Dr. A. Suman Kumar, Director, Physical Education, SVEC was the Chief Guest for the function. He, in his valedictory speech congratulated all the winners and appreciated the efforts of the IGS SVEC student chapter team. Dr. Hemadri Prasad Raju, In-charge Head of the Department, Department of Civil Engineering expressed his happiness in conducting this kind of national level fest. All the participants expressed their happiness in participating the event.

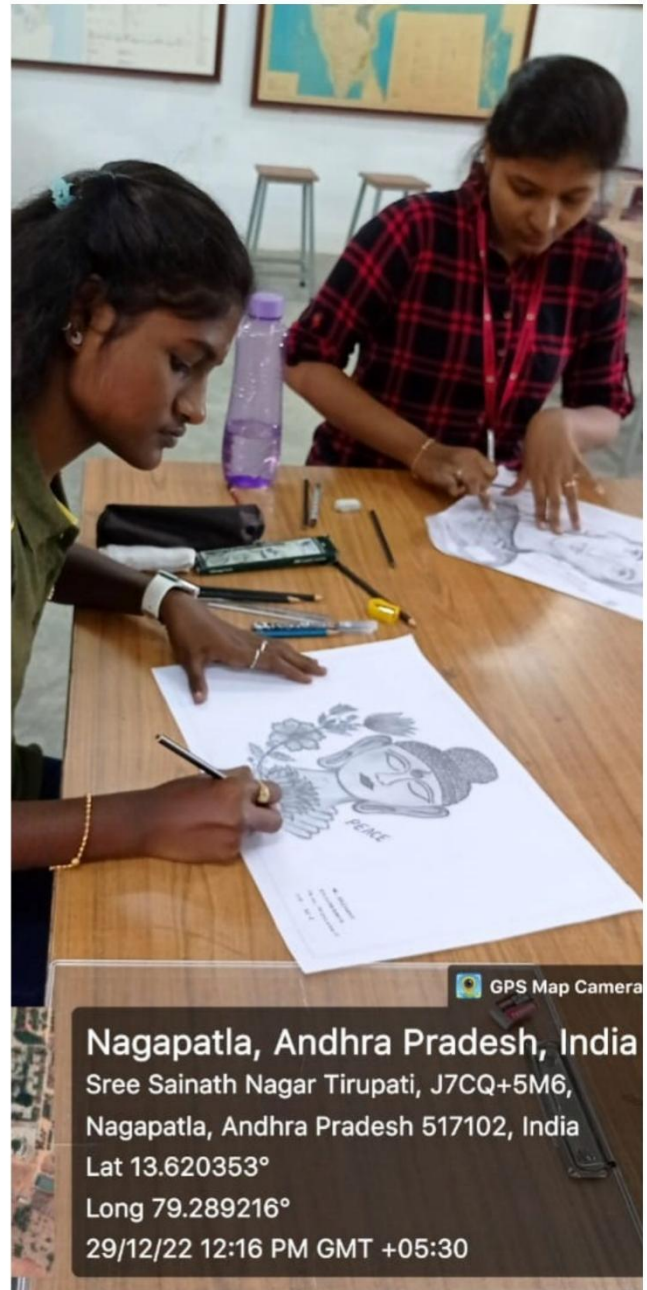

A total of 180 students participated in the fest. Dr. O. Eswara Reddy, Convener; Mrs. G. Gnana Prasanna, Coordinator, Other members of faculty and IGS SVEC Student Chapter officer Bearers of Civil Engineering Department were the organizers of this program.

On the whole, the event was proved successful. The fest extracts hidden talent from the students and imparts leadership skills, communications skills and creates awareness on latest developments in the technology. It also provides opportunity to interact with peers and form new connections.
