

# Sree Vidyanikethan Engineering College (Autonomous)

## Abstract

### Expert Lecture Activities Conducted by the Various Departments from 29<sup>nd</sup> July 2022 to 03<sup>rd</sup> August 2022

#### Masters of Computer Application:

Masters of Computer Application has conducted an Expert Lecture entitled “**Data warehouses for Data Scientists**” from **11.30 A.M to 01.00 P.M.**

The resource person was an eminent personality, **Mr. C Naveen Kumar**, Lead Software Engineer, EPSILON, Bangalore.

The faculty members and a total of 132 students of MCA II Semester Masters of Computer Application attended the lecture. **Dr. M. Lavanya**, Associate Professor, HoD, Department of MCA, SVEC and Convener of the Program.

The poster features a blue header with the text 'Expert Lecture'. Below this, the title 'DATA WAREHOUSES FOR DATA SCIENTISTS' is prominently displayed in white on a blue background. To the right, there is a graphic with the words 'DATA WAREHOUSE' in a stylized font over a background of binary code and a bar chart. The Sree Vidyanikethan Engineering College logo is in the top right corner. The event details are organized into three columns: Date (27-08-2022), Venue (Mechanical Seminar Hall), and Time (11:30 AM to 01:00 PM). Below these, the Resource Person is identified as Mr. Naveen Kumar C, Lead Software Engineer at EPSILON, Bangalore. The Convener is Dr. M. Lavanya, Head and BoS chairperson of the Department of MCA. A grey bar states 'NO REGISTRATION FEE'. The target audience is 'II semester MCA', accompanied by an icon of four people. The event is organized by the Department of MCA. At the bottom, social media handles for Instagram, Twitter, and Facebook are provided.

**Participants Feedback:**

The following feedback was received from the participants:

1. Participants felt that the lecture was excellent and simple introduction for DWH which is easy to grasp and follow.
2. Lecture content is clear concise, and straight to the point.
3. Managing and organization of data is very important in every organization, so data warehousing help to organise data for easy access and understanding.
4. Good learning for Data integration and ETL learning. How data from source to target table transform over the business requirement to be ready for processing
5. Participants felt that such programs should be conducted regularly
