Online Guest Lecture on

"Recent Innovations in Concrete Technology"

09 December 2022

The Department of Civil Engineering in association with EDC, SVEC organized a Online Guest Lecture on "**Recent Innovations in Concrete Technology**" from **2.30 p.m to 03.30 p.m**. The objective of this lecture is to introduce students to creative and critical thinking elements that will stimulate unconventional ways of thinking about processes and also to introduce the pillars of entrepreneurship and innovation to support the deeper development of their innovative ideas. This program is helpful for the students to understand the mechanism of concrete echnology and its applications.

The resource person was an eminent personality, **Dr. A. Suresh Kumar**, Assistant Professor & Head, School of Civil Engineering, Sree Ranganadhar Institute of Engineering and Technology, Coimbatore.

All the faculty members and a total of 60 students of II B.Tech. I Semester Civil Engineering (B Sections) attended the lecture. **Dr. K. Narasimhulu**, Professor & HoD, Department of Civil Engineering, SVEC and Convener of the Program; **Mr. V. Prem Kumar**, Assistant Professor and Coordinator of the Program graced the occasion.

During the session, the Resource Person, Dr. A. Suresh Kumar shared her rich knowledge and experience on concrete and its applications. Many of the participants truly got inspired by her talk. On the whole, the event has proved successful.

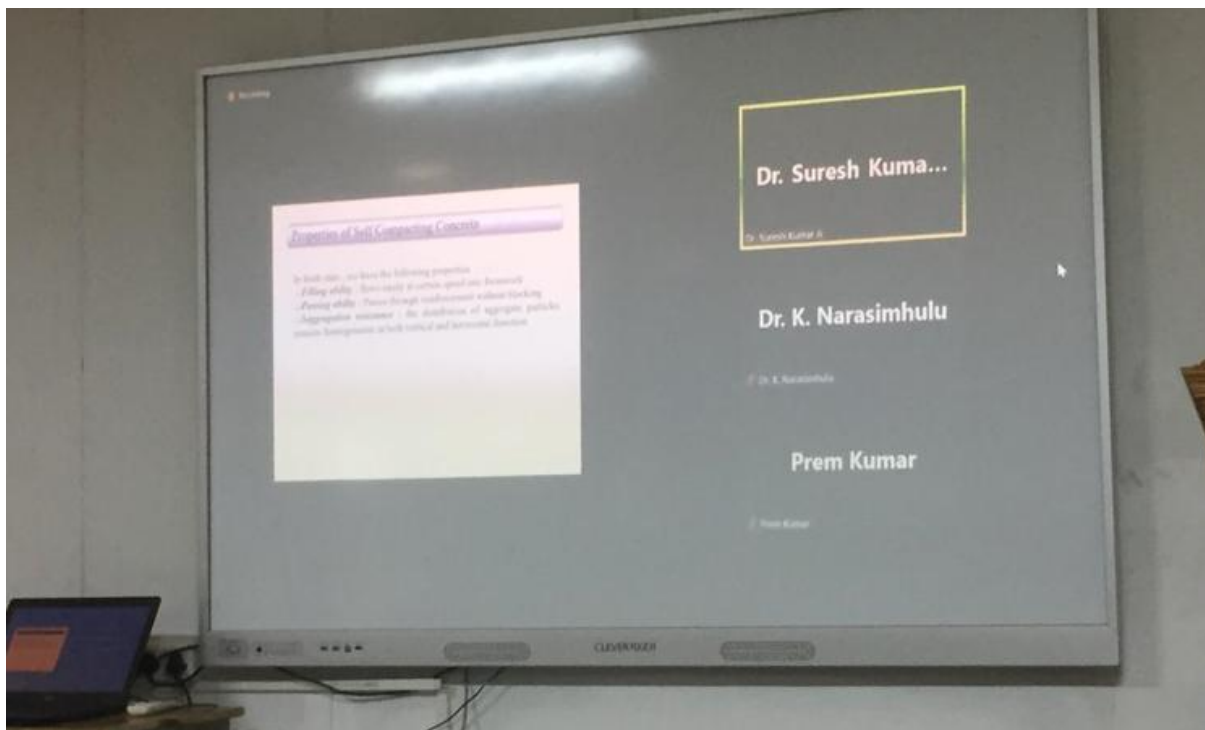

The program details and photographs of the program are as follows.

The banner features a photograph of concrete being poured from a chute into a mold. On the right, a blue box contains the following text:

Online Guest Lecture
**Recent Innovations
in Concrete Technology**
Resource Person:
Dr. A. Suresh Kumar,
Assistant Professor & Head, School of Civil Engineering,
Sri Ranganathar Institute of Engineering and Technology,
Coimbatore.
Date & Time:
09 December, 2022 02.30 p.m to 03.30 p.m
Organized By: Department of Civil Engineering
Venue: Civil Seminar Hall, SVEC

Participants Feedback:

The following feedback was received from the participants:

1. Participants felt that the lecture addressed different topics pertaining to concrete technology from concept to different applications.
2. Participants felt the quality of delivery and presentation of experts was excellent and very informative.
3. Most of the participants were of the opinion that the topics covered in the lecture will be helpful for their research and for start-ups.
4. Participants felt that the lecture was coordinated very well and appreciated the Principal, Head of the Department, Convener, Coordinator and Organizers for conducting such wonderful sessions.
5. Participants felt that such programs should be conducted regularly.

Mr. V. PREM KUMAR
Assistant Professor
Dept. of Civil Engineering
Coordinator

Dr. K. NARASIMHULU
Professor & HoD
