World Green Building Week 2022

"Planting of Saplings"

16th September 2022

The Department of Civil Engineering of Sree Vidyanikethan Engineering College has organized ***"Planting of Saplings"*** under Indian Green Building Council Sree Vidyanikethan Engineering College (IGBC SVEC) Student Chapter. The program was organized at Government High School, Kotala village, Chittoor District, Andhra Pradesh on 16th September 2022 as a part of World Green Building Week during 12 – 16 September 2022.

The objective of the program is to create awareness among the Faculty and Students about the importance of planting saplings in order to curtail the increasing Global Warming and also to increase the Green Cover in the school campus.

A total of 05 faculty and 80 students from IV B.Tech Civil Engineering I Semester has participated in the program. Dr. O. Eswara Reddy, Professor, HoD and Chairman-BoS, Department of Civil Engineering, SVEC, and Faculty Advisor-IGBC SVEC Student Chapter; Mr. M. S. Yuvaraj, Assistant Professor and Coordinator, IGBC SVEC Student Chapter and office bearers of IGBC SVEC Student Chapter were the organizers of this program.

The photographs of the event are as follows.
